Arson case not discussed

No one said a word, and the silence seemed deafening at Tuesday evening's Venice City Council meeting when Venice Mayor William Ebersoldt asked the 40 people attending the meeting whether anyone wanted to comment on the fiery destruction of a home. Arson is blamed.

Mr. and Mrs. Percy Wade, who had been planning to buy a frame house at 1242 Robin St., Venice, and John Henry Williams, president of the Madison Branch, National Association for the Advancement of Colored People, did not arrive until 8 p.m. for the meeting, which started at 7:30 p.m. and ended at 7:55 p.m. The announced official starting time is 7:30 p.m. for the Venice council.

Prior to the opening of the meeting, Venice aldermen and Mayor Ebersoldt met in an adjoining room, where all agreed to dispense with regular business in order to give all at the meeting a chance to say what they wished to say.

As the mayor began the meeting, he said, "I want to assure everyone that the police, fire department, state fire marshal and federal investigators are doing everything they can to find out who did this terrible act."

"I want to let you all know we will not have a report on some of their investigations for at least two to three weeks."

"We all have to work together here in Venice. All our blood is red. Please, let's

(Continued on Page 6)

SILENT AUDIENCE. Despite the urging of Venice Mayor William Ebersoldt for anyone in the audience to speak on an arson-caused Oct. 7 fire at 1242 Robin St., Venice, no one spoke Tuesday night. Venice Council members listened and

waited and then transacted brief business. From the left foreground, clockwise around the table, are Aldermen Tyne Echols, John Ervin, Hank A. Sveiza and E. H. Beunte (partially

hidden), City Attorney Harry E. Hartman and Aldermen Thomas Voegelge, George Lewis and Oscar King. Alderman George Mangiaracino is hospitalized.

(Press-Record Photo by Mick Strang)

Blaze is attributed to gasoline

The office of the state fire marshal has launched its investigation into the Oct. 7 burning of a vacant house at 1242 Robin St. in Venice. The building was the scene of fires twice in the past week and arson is blamed in both occurrences.

The Percy Wade family had made an agreement with the owner, Roland Cagle of Granite City, to buy the house and had given Cagle a \$500 deposit toward purchase of the property.

Adrian Hendricks, arson investigator for the state fire marshal, was at the house on Thursday, Oct. 5, after the first fire which had occurred the previous evening doing only minor damage to the house. Venice firemen responded to the call and quickly extinguished the blaze.

Hendricks said here Tuesday, as he sifted through the charred remains of the house from the Saturday morning blaze which destroyed it, that he is sure both fires were caused by arson.

It was done "by someone who knew what they were doing," he commented. He also said that both fires had been set in approximately the same location, and a flammable liquid was used in both instances.

Hendricks said that upon inspecting the house after the first fire, he could understand why it burned so quickly Saturday.

Cemetery's good, bad points aired

By GARY SCHNEIDER
Press-Record Staff Writer

A pledge that every effort will be made in the future to restore Sunset Hill Cemetery to its top condition and keep it that way was made by Attorney Leo Konzen, representing the cemetery's board of trustees, during a hearing in the City Hall of Granite City Hall Tuesday afternoon.

The hearing was called by the Illinois State Comptroller's Office on the question of whether the cemetery board had been appropriately utilizing the perpetual care fund, earmarked by law for maintenance of grave sites.

Testimony by auditors for that office indicated that the cemetery actually was spending more than twice as much for maintenance of the cemetery as was generated by the perpetual care fund and, therefore, was not in violation of any state law.

However, the cemetery administration has been "intermingling" money from the general operating fund and the receipts of the perpetual care fund, making it difficult to determine exactly what funds were spent for what purpose, Nick Tsivoldakis, senior auditor for the comptroller's office, testified at the hearing.

Tsivoldakis said the state requires that 15 percent of all gravesite sales receipts go into the perpetual care fund, which then is

invested in interest-bearing accounts. He said about \$300,000 has been invested properly and yields about \$21,000 per year interest, which is placed in a separate account.

Each month, a check is withdrawn from

that fund and deposited into the general operating fund account, from which all cemetery expenses, including maintenance, are paid.

He noted that Sunset Hill has 28,549

Differ on lawyers' poll

(Related article on Page 37)

Secret balloting by lawyers shows they recommend Gerald Cohn for circuit judge in the Nov. 7 election, and that they oppose Associate Judge William Johnson for election as circuit judge.

Many lawyers publicly are for Johnson, who is the favorite because of his effective campaigning and because he is a Democrat in a strongly-Democratic Madison County. Johnson defeated Circuit

Judge Andy Matoesian in the spring primary.

The two general election candidates differ over the meaning of the Illinois State Bar Association-supervised poll. In the Third Judicial Circuit, 76 Democratic lawyers, 29 Republicans, and 59 unaffiliated attorneys voted, a total of 164 ballots out of 250 mailed.

(Continued on Page 4)

Lead in air not the problem here

There may be a limited lead poisoning problem in the Quad-Cities but it evidently is not linked to air quality, authorities said Wednesday.

Screening conducted here Sept. 9 has led to the identification of 12 potential cases, about six in the West Granite City area and about six in the Madison-Venice area, officials said. With Alton and Highland included, the Madison County total is described as less than 20 possible cases.

Preliminary testing can pinpoint young victims of either anemia or lead poisoning. Follow-up blood tests at St. Elizabeth Hospital on Saturday, Oct. 21, will show whether there are actual lead poisoning victims.

Present indications are that whatever lead poisoning may have occurred can be attributed to youngsters chewing on lead paint, comic books or dirt. The pattern of potential cases show no relation to suspected air pollution sources, it was explained.

Earlier Wade arson case

The Percy Wade family — which sought to buy a home at 1242 Robin St., Venice, that subsequently was destroyed by fire Oct. 7, 1978, following a lesser blaze Oct. 4 — also was the victim of fires in 1973.

At 9:45 p.m. Feb. 26, 1973, Venice firemen were dispatched to the Wade property at 1117 Logan St., an all-black block, to extinguish a shed fire. Cause was unknown. When firemen returned to the station at 10:10 p.m. they listed property damage as "none," records show.

Arson was the suspected cause of a fire

the next day, at 8:25 a.m. Feb. 27, 1973, with damage to the contents listed as \$1,000 and damage to Mr. and Mrs. Wade's one-story residence estimated at \$2,900. A man had been seen emerging from the rear of the house, apparently having been inside a back bedroom.

Area's weather outlook

Thundershowers likely today and tonight. High in low 70s and low in mid 40s. Showers ending Friday and turning cooler. High Friday in mid 60s. Winds today 10-15 miles per hour. Saturday through Monday — partly cloudy and cooler, highs 55-60 and lows in 40s. Monday — temperature in the 30s.

ASSISTING INJURED DRIVER. Granite City Ambulance personnel help Esther R. Brown, 22, of 1234A Madison Ave., Madison, out of the car and onto a stretcher. She was admitted to St. Elizabeth Hospital at 3 p.m. Tuesday for observation after hitting her head in

the accident. Her auto collided with a car driven by John P. Watson, 28, of 1854 Edwardsville Road, Madison, in the 1300 block of State Street in Madison at 2:55 p.m. Tuesday. The view is to the south, and both vehicles were southbound.

Newsmakers Suspend 3 police

What's the best way to run for a public office? Unopposed, many of the weary, footsore candidates might say as the Nov. 7 general election draws near.

Harold E. "Gene" Briggs, Madison County educational service region superintendent, had opposition in the March primary election but now faces a

(Continued on Page 5)

Three Granite City police officers were suspended from duty at 1 p.m. Wednesday, pending a hearing by the Granite City Board of Fire and Police Commissioners Saturday, Oct. 28, at 10 a.m. in the City Hall courtroom.

Patrolmen Jerry Duncan, Kenneth Crawford and Donald Petrillo were relieved from further duty yesterday, until after the hearing, through action taken by the commissioners.

The suspensions ordered by the board result from charges against the three men filed late Friday afternoon by Police Chief Ronald J. Veizer. Chief Veizer is out of town this week.

The charges are said to stem from alleged failure to report to department administrators and participation in a disturbance Sept. 28 outside a Centerville tavern. A Granite City officer was shot and wounded.

Yoga, relaxation and repairs to be taught

The SIUE Office of Conferences and Institutes is offering non-credit courses dealing with body, mind, solar and microwave energy.

"Microwave Cooking" is offered Mondays, starting Oct. 16 from 7 to 9 p.m. in the Ohio Room of the University Center. The three-week course will be taught by Joan Ohlendorf, 2304 of Peck Classroom

gourmet instructor for Belleville Area College. It includes preparation and sampling of food. Fee for the course is \$20.

A five-week course on solar energy, with emphasis on "do-it-yourself" techniques, will be offered Mondays, beginning Oct. 16, from 7 to 9 p.m. in Room 0207 of Peck Classroom

Building. Practical approaches will be offered to utilization of solar energy for heating of homes, garages, barns and swimming pools. Fee is \$15.

A three-week course on bicycle repair is offered Mondays, beginning Oct. 16, from 7 to 9 p.m. in Room 118 of the Science Building. The course will include a short history, road safety and proper operation. Emphasis will be on repairs and maintenance. Fee is \$7.

A five-week course, "Body-Mind Integration," will be taught Wednesdays, starting Oct. 18, from 7 to 8 p.m. in Room

0207 of Peck. The course will explore "conditioning and relaxation techniques for a healthier and more efficient interplay between body and mind." Fee is \$20.

Yoga will be taught in two class sessions. Thursday classes will be held from 7 to 9 p.m. in Room 0207 of Peck. A Saturday session will be held from 9:30 to 10:30 a.m. in the same room. Topics will include diet, fasting and exercises.

Awaiting first severe frost

By WAYNE B. SIEFERT
Area Horticulture Adviser

One severe frost will ruin such summer favorites as cannaes, dahlias, callas, and tuberose unless you promptly dig them.

Frosted tops start a rotting process that gradually progresses from the frosted tops into the roots or bulbs.

A lengthy delay in digging risks more injury from freezing, as well as the risk of insects spreading or carrying the rot organisms into the crown.

Lift the entire clump and cut off the tops at the soil line. Remove excess soil but keep enough soil on the roots to conceal most of the roots. Store the clump of soil and roots in a paper-lined basket or flat.

When selecting clumps to dig, pick a single large clump of each color. A single clump will provide several new plants next spring, and conserves storage space.

Let the rest of the clumps freeze in the ground and produce organic matter for next year's garden.

Retain corporate tax, educators say

The State Board of Education, after consideration of the issues involved, has reaffirmed its position of support for the proposed Illinois Constitutional amendment to retain the corporate personal property tax on a temporary basis.

The board studied the amendment, and determined that it is a "viable temporary solution to school financing problems" until more basic work can be done on the whole question of school finance.

The corporate personal property tax, which is levied on corporations, partnerships and the like, is not levied on individuals.

It raises substantial amounts for school districts at present—about \$400 million projected for 1980 if it is still in effect at that time.

Under present Illinois Constitutional provisions, it is due to expire on Jan. 1, 1979.

Opponents of the amendment, which would retain the tax, note alternative legislation, House Bill 2418, which possibly could be passed into law before the Jan. 1, 1979, deadline. That bill would add two replacement taxes: an additional percentage of income tax on corporations,

partnerships, trusts and estates not exempt from personal property taxes, and a public utilities tax.

Other arguments against the amendment are that the present personal property tax has been considered an unfair, unevenly administered tax and, therefore, should be abolished as provided by the 1970 Illinois Constitution.

Also, it is pointed out that collection of the tax is erratic, averaging only 70 percent across the state and as little as 51 percent in some counties.

Those favoring the amendment to continue the tax for a temporary period say there is no consensus on what type of replacement taxes should be imposed or how the revenues so raised should be distributed.

They add that, until a truly equitable replacement source can be found, the corporate personal property tax has the advantages of remaining stable in varying economic cycles, and of raising funds that stay in the same area in which they were produced.

Shifting the tax burden among businesses could create uncertainty and increase costs, they assert.

Save some garden seeds for next year

By CHRIS DOLL
Area Gardening Adviser

Successful gardening depends on the quality of seed used. And the quality of stored seeds depends on the specie and storage conditions.

Some garden seeds remain viable for several years, while others are good for only a year. The short-lived species include onion, spinach and pansies. These should be purchased fresh each year.

Seeds that can be stored at least one year include asparagus, bean, broccoli, carrot, sweet corn, kohlrabi, okra, pea and pepper.

Longer storage life of two years or more can be expected from beet, cabbage, cauliflower, chard, cucumber, eggplant, lettuce, melons,

pumpkin, radish, squash, tomato and turnip. Storage conditions greatly affect the quality of seeds.

High humidity causes the greatest reduction in quality. Best conditions for longevity of seeds are low temperature and humidity, and low seed moisture content.

Select a location that will stay cool and dry, with the emphasis on dryness.

Under ideal storage conditions, seeds may sometimes be kept for longer than recommended. However, all stored seeds should be tested for germination in the early spring before planting in the garden.

If the germination and vigor are low, seedling rates must be increased or else fresh seed must be obtained.

George Dombek dies at 60

George C. Dombek, 60, of 3448 Lydia Lane, a lifelong resident of the Quad-Cities, died at 4:40 p.m. Monday at the St. Louis City Hospital.

He had been employed for 32 years as a leather finisher for the J. E. Hangers Artificial Limb Manufacturing Co., St. Louis.

Mr. Dombek was a member of St. John Lutheran Church and the International Machinist Union.

Survivors include his wife, Mrs. Ann J. (Severine) Dombek; two sons, George S. Dombek, St. Charles, Mo., and David J. Dombek, Granite City; two brothers, Stanley Dombek of St. Louis and Walter Kalezeski of Detroit, Mich.; and three sisters, Mrs. William (Helen) Christen, Mrs. Tom (Lena) McLaughlin and Mrs. Joe (Catherine) Lowery, all of St. Louis.

Two brothers preceded him in death, Joseph Dombek and Eddie Collins.

Funeral services were held here today. Details are given in the obituary column.

and the International Machinist Union, Disabled American Veterans Chapter One, both of St. Louis.

He was a World War II Army veteran.

Survivors include his wife, Mrs. Ann J. (Severine) Dombek; two sons, George S. Dombek, St. Charles, Mo., and David J. Dombek, Granite City; two brothers, Stanley Dombek of St. Louis and Walter Kalezeski of Detroit, Mich.; and three sisters, Mrs. William (Helen) Christen, Mrs. Tom (Lena) McLaughlin and Mrs. Joe (Catherine) Lowery, all of St. Louis.

Two brothers preceded him in death, Joseph Dombek and Eddie Collins.

Funeral services were held here today. Details are given in the obituary column.

FIRE IN CAR SEAT
Damage was estimated at \$300 after fire started in the rear seat of the car of Dawn Benson in the 3000 block of State Street at 1:10 p.m. Friday. Firemen suspect a cigarette started the blaze.

Candy days will benefit blind, deaf

Friday the 13th to many is allegedly unlucky, but this Friday the 13th throughout Illinois 30,000 Lions Club members will be giving away candy to help thousands of blind, deaf and handicapped people.

The Granite City, Pontoon Beach and Madison Lions club members and Lionesses will be at various street corners and in the shopping centers on Friday and Saturday.

This is the 26th year that the Lions of Illinois have held the event, and the fourth year they will be trying to earn over \$1 million.

School board expels student

The Granite City Board of Education met in special session Tuesday night and agreed, after a private hearing, to expel a Granite City High School North student who allegedly was involved in a recent scuffle with school authorities.

The board ordered the youth, who was unable to attend the hearing, to attend an alternative educational program at Coordinated Youth Service.

Since he is 17, he is not required to attend the program. But the board agreed to a stipulation that if he did attend Coordinated Youth, the principal of his school could later review whether the student should be re-admitted in January.

If he does not attend the alternative school, he is automatically expelled for the remainder of the school year, the board decided.

In other business, the board hired Mrs. Dana Carlisle Jones, 26, Kirkwood, Mo., to teach hearing impaired students at Johnson School for the remainder of this year. She has a bachelor's degree from the University of Tulsa, Okla., and two years of teaching experience.

REINHARDT—Realtor
Sells—BETTER LIVING

READY FOR CANDY DAYS, the three local Lions clubs will be joining 30,000 Illinois Lions giving candy away for donations to help the blind and deaf on Friday and Saturday. From the left are Pontoon Beach Lion Chester E. Dean, Jim Miller Jr., president of the Granite City Lions.

Pontoon Beach Lioness Judy Wasson, Madison Lions President Tony Anselmo, Pontoon Lioness Patty McCart, Joe Wallace, candy chairman for the Pontoon Beach club, and Madison Lion Marvin Stoltz.

Chouteau dental, hearing, vision, crutch assistance

Chouteau Township residents who need eyeglasses, hearing aids, false teeth, crutches or other health-related equipment may qualify for a grant from the township's anti-recession fiscal assistance fund to pay all or part of the cost of the

equipment or health items. All previous applications now have been processed and the eligible requests funded. Some money remains in the account from the latest grant received, township officials said today.

The program is restricted to low-income individuals and families. Guidelines range from a maximum annual income of \$6,000 for one person to a maximum of \$10,500 for a family of five. The income limitation for a family of four is \$9,500.

"The last time we offered the grants, mainly elderly residents took advantage of it. We welcome our senior citizens, but also would like to see some families bring their children in for new glasses or other needs," Township Clerk Patricia Polley told the Press-Record.

Wilbur Brooks dies at home

Wilbur E. Brooks, 39, of 2431 Illinois Ave., was pronounced dead at home at 8:45 a.m. Wednesday by Dick Mizell, Madison County deputy coroner.

There will be an inquest to determine the cause of death. Mr. Brooks was a lifelong resident of Granite City.

Survivors include his wife, Mrs. Jeanie Brooks; four

sons, Wilford, Barry, David and Richard Brooks, all of Granite City; two brothers, Hoyle Brooks, Granite City, and Frank Brooks, South Carolina; two sisters, Mrs. Ed (Ethel) Boyce, Dallas, Tex., and Mrs. Jack (Edith) Wofford, Granite City; and his father, Leonard Brooks of Dallas, Tex.

Funeral arrangements are given in the obituary column.

Arrest after long chase

Thomas W. Pope, 17, of 708C Meadow Lane, Mitchell, was charged with reckless driving, attempting to elude police, criminal damage to property and a felony count of theft after a chase in a stolen truck into Mitchell.

Police alleged seeing a pickup truck speeding on Missouri Highway 67 in North St. Louis County, and pursuit began there. The driver was chased across the Lewis and Clark Bridge into Alton, with Madison County deputies and Alton police joining the chase.

It continued through Wood River, Hartford and on Route 111 into Mitchell, where the truck continued west on East Chain of Rocks Road.

At the curve onto Route 203, the truck went straight and onto railroad tracks, where it became hung up on the rails. The driver got out, appearing to have something in his hand, and aimed it at deputies as though it was a gun, it was asserted.

A deputy then fired a shot at him and he ran. The deputy chased him on foot about a half-mile and reported the man turned through about five a.m. at him near Old Alton Road, after jumping over a concrete wall.

The deputy fired a second shot and continued to chase him on foot. The young man was caught near the Interstate 270 access road, about to climb a wire fence, it was alleged by deputies.

They alleged finding 10 rounds of live ammunition in his pocket. The truck was checked and a loaded gun, a hacksaw and hammer and a pocket knife were among the items found, they said.

The truck was found to belong to John Simons, 4724 Beuning Ave., who reported it had been taken after 9 p.m. Sunday from his driveway.

Simons said he accidentally locked his keys in the car, in the ignition, but did not try to get them out due to the late hour.

The truck, when recovered, had a broken windshield, a destroyed front tire and quite a bit of body damage, deputies said.

MRS. JULIE MATEOSIAN

Heads County Bar auxiliary

Mrs. Andy (Julie) Mateosian will begin her second year as president of the Madison County Bar Association Women's Auxiliary. She will preside at a dinner meeting on Tuesday, Oct. 17, at Rusty's Restaurant in Edwardsville.

Mrs. Mateosian is the wife of Circuit Judge Andy Mateosian. The couple has two daughters, a son and a son-in-law. She has worked in the field of education for the last 19 years and is presently the learning center teacher at Niedringhaus Elementary School.

Other members of the Auxiliary executive board are Mrs. Nick Byron, vice president, and Mrs. Tom Welch, secretary-treasurer. Zone representatives are Mrs. William Mateyka, Mrs. Paul Zeaman, Mrs. Robert Mateosian and Mrs. Jerry Walters.

Fire destroys motorized home

While driving along the old lake drive near Highway 162 and State Aid 35 at about 10:30 a.m. Wednesday, Frank J. Hahn, 1216 W. Pontoon Road, noticed smoke coming from under the padded dashboard of his motor home. He stopped the vehicle, but could not get to the problem area and summoned the Long Lake fire department.

By the time firemen reached the scene, the motor home had been destroyed by the fire, believed to have started from an electrical short-circuit.

Eight firemen responded, and damage was estimated at \$15,000.

BOTTLES ARE TAKEN

A collection of 50 assorted Avon bottles was stolen from a kitchen closet at the home of Margie Arnsmyer, 2221 Iowa St., she reported at 6:05 a.m. Wednesday. She said that several times the previous week she returned home to find doors of her home opened by someone, but did not know anything had been stolen.

Park ID cards to be issued Saturday

The Granite City Park District will issue identification cards to residents of the park district from 9:30 a.m. to 11:30 a.m. Saturday at the Wilson Park office.

To obtain an ID card, a resident must bring proof of residency, such as a current utility bill on which their name and address is imprinted. Bills listing only an address are not acceptable, park officers said.

ID cards cost \$1 each and are good for three years. The cards which bear the owner's photo enable residents to participate in park sponsored activities, including ice skating and swimming, at reduced rates.

ID cards also will be issued Wednesday, Nov. 8, and Tuesday, Dec. 5. Both sessions are from 7 p.m. to 9 p.m.

27th USCDC meeting

Area civil defense officers and city officials are attending the 27th annual conference of the United States Civil Defense Council this week in Mobile, Ala.

Governor George C. Wallace of Alabama welcomed the conferees at the opening session Monday.

The keynote address was delivered by Albert P. Brewer, former governor of Alabama.

Election of national officers, regional caucuses, workshops, business sessions and a series of social events, including a past presidents' awards luncheon, a seafood jamboree on Dauphin Island and a imperial shrimp boil at Fort Conde are on the conference agenda.

The conference concludes tonight with Le Krewe De Bienville, a Mardi Gras Tableau banquet and dance, at the Mobile Municipal Auditorium Arena.

Nameoki crash injures two

The auto of Melody Hand, 16, of 3801 Lake Drive, Pontoon Beach, and William Donohue, 2028 E. 23rd St., collided at Nameoki Road and Clark Avenue at 7:10 p.m. Wednesday.

Miss Hand suffered abrasions to the lower legs and was X-rayed at St. Elizabeth Hospital before being released. Bertha Donohue, 48, also of 2028 E. 23rd, bumped her head and suffered neck, right shoulder and chest pains. She was treated and released at the hospital.

Sweet Adelines show on Oct. 21

The Collinsville Chapter of Sweet Adelines will present its annual show on Saturday, Oct. 21, in the Webster School auditorium, Collinsville.

"Hillbilly Harmony," the 1978 show, will begin at 8 p.m. A special guest for the show will be the Male Delivery Quartet, first-place Illinois district medalist for 1978.

SORORITY-FRATERNITY RUSH. Marianne Wolford (left) of Decatur and Janet Sweland of Centralia talk with Alpha Phi members Pat Mayer and Suzanne Suesen (far right) about the benefits of "going

Greek" at SIUE. Miss Mayer, a senior majoring in recreation, is from Granite City. Miss Suesen, a native of Bethalto, is a senior in English.

Fraternities, sororities more activity-oriented

By BARB SLIVKA

The "Greek" tradition is alive and well at Southern Illinois University at Edwardsville, as evidenced by activities sponsored by the Fraternity-Sorority Conference (FSC) on campus during the fall quarter Rush Week.

Fraternities, sororities and student organizations got together for membership drives in the University Center. The campus "Greeks" sponsored a chariot race and flag football game and brought jazz, disco and rock music to Goshen Lounge of the University Center.

Ted Hoef, a spokesman for the FSC, explained that the conference allows a maximum period of one week for membership drives, and this year's fall quarter drive is turning into a success. "Twice as many people are pledging fraternities and sororities" as compared with the last drive, he estimated.

Hoef feels that students joining groups now are more conscious of the opportunities and are more interested in getting involved than in past years.

"Fraternities and sororities are becoming more activity-oriented," said Hoef. "People are looking at what fraternities and sororities can prepare them for, and are taking advantage of the opportunities to get involved and help their careers."

The fraternities and sororities would like to gain more respect and notoriety among members of the university community. "Uplifting fraternity-sorority

images is not the only obstacle facing SIUE. "Greeks," according to Hoef, "There is no real place to get together and have any real type of interaction" for an individual group.

He attributes this problem to the relative newness of the SIUE campus, compared to other universities, and also to the lack of "Greek" traditions and "Greek" housing.

Chapter president of Sigma Phi Epsilon, he believes joining a "Greek" organization enables members to learn to deal with group problems and make compromises.

"It also prepares members for the world of business, particularly the fields of management and motivation," Hoef said.

Leadership opportunities are available for members, who also become familiar with structures of organizations and operational procedures.

Membership also offers opportunities to participate in social and sports events at SIUE. Gamma Sigma Sigma sorority sisters Mary Kay Head and Barbara Noud, both of Edwardsville, feel that community service is one of the biggest assets of belonging to a "Greek" organization.

Miss Head believes that working together for common goals gives sorority sisters "a feeling of unity." She compares the sorority to a family situation that often encourages lifetime friendships. "Joining has personally enabled me to meet people I might not have normally met," she said. "I think

that, for freshmen, it's a way to meet people." John Schrage, professor of management science at SIUE and alumnus of the SIUE chapters of Alpha Phi Omega and Sigma Phi, feels that students should pick an organization suited to their own individual preferences and needs. He adds that membership "is an asset to anyone's career. It opens up avenues."

Fanning of Alpha Kappa Alpha explained that her group supports the United Negro College Fund and a national reading program through social activities that are also money-raising programs. Alpha Kappa Alpha has chapters in Jamaica and Africa as well as in the United States.

One of the non-"Greek" organizations recruiting new members is University Ambassadors, volunteers who

take visitors on tours of the campus. Ambassador Valerie Walsh said, "You really get to know the campus, and you meet a lot of people—not just prospective students. We've taken groups from the first grade to senior citizens on university tours."

Women's chapters on the campus here include Alpha Kappa Alpha, Alpha Phi, Alpha Sigma Tau, Delta Sigma Theta, Gamma Sigma Sigma and Sigma Gamma Rho.

Men's chapters at SIUE are Alpha Phi Alpha, Delta Chi, Kappa Alpha Psi, Sigma Phi, Sigma Phi Epsilon, Tau Kappa Epsilon and Omega Psi Chi. Delta Sigma Psi and Phi Chi Theta are co-ed business fraternities.

Alpha Phi Omega is the only co-ed service fraternity on campus. Zeta Alpha Phi and Zeta Phi Theta are local-level "Greek" groups at SIUE.

DeMOLAY INITIATES (left to right) Gary L. Ingham Jr., John M. Garner and Darren S. Miller enrolled in the James Stuart Chapter of the Order of DeMolay. The ceremony was held at the Masonic Temple.

DeMolays initiate 3 new members

John W. Garner, Gary L. Ingham Jr. and Darren S. Miller were initiated into the Order of DeMolay and became members of the James Stuart Chapter at its regular meeting last week.

Kirk Potillo, master counselor, and the senior officers conferred the initiation degree. The DeMolay degree was conferred by David Utley and Jacques DeMolay, aided by Kelly Smith, master inquirer; Bobby Jones, senior inquirer; Bryan Klaus, Edwardsville chapter, junior inquirer; Kirk Potillo as marshal of commission; Bob Cochran and John Williams, marshal guards; Dan Monroe, Geoff Wofford, David Medley and Jeff Miller, inquirer escorts; Dennis Worthen, Guy of Avern; Paul Clinard, Hugh de Peralde; Norman Burgess, Godfrey DeConville; David Harley, lord constable; Shaun Roe, senior guard; Rod Jackson, Pat Gibbons, Fred Trebing and Rich Miller, soldiers; Brad Lane, "hunchback," and Dwayne Pritchett, orator.

The Granite City Mothers Club met separately and served the DeMolays refreshments after the meeting.

COLLECTOR COINS GONE
About \$24 in collector's coins, an undetermined number of Greek coins and a small mailbox bank containing a large number of older pennies, were stolen from the home of William Moore, 2013 Elm St., it was reported at 7:25 a.m. Tuesday. The Moores discovered a window screen cut Friday, but did not know entry had been gained until they noticed the coins were missing.

News-makers

(Continued from Page 1)

relatively clear track to another four-year term.

A key coordinating link between local school systems and the state government, which provides about half of the funding for schools, the regional superintendent fills a role formerly known as the county superintendent.

Many Illinois counties have been merged into educational regions, but Madison County's quarter-million population is enough to justify its own region.

In addition to visits and meetings, Supt. Briggs, a resident of the Wilshire Manor subdivision of Naneeki Township, keeps in touch with school's through a monthly newsletter in which he outlines legislative developments, discusses plans for county projects and seminars, reviews upcoming educational events, and provides information on such observations as National School Lunch Week (Oct. 8-14).

Among Briggs' current activities is the fifth annual "Those Who Excel" educational awards program Oct. 20, in which five Madison County educators will be honored in Springfield along with those from other portions of Illinois.

An example of the regional superintendent's role is his announcement of a new art education curriculum guide of the Granite City school district. The guide is being made available to interested persons, including other school systems. Innovations elsewhere, in turn, are called to the attention of Quad-City administrators.

Formerly assistant superintendent of the educational service region, since 1966, he advanced to the position when Supt. Wilbur R. L. Trimpse accepted the presidency of Lewis and Clark Community College in November 1973.

Briggs, 51, resides here with his wife, Elizabeth Ann. Their sons are Gene Jr. and Tim.

His previous experience of 15½ years in the Granite City Community Unit School District included service as a teacher, Stallings School principal and then Mitchell School principal.

He holds a bachelor of arts degree from McKendree College (1959), master of science degree in education from SIUC (1957) and educational specialist certificate from SIUE (1968).

His certification includes a limited state high school certificate, limited elementary supervisory certificate, all-grade supervisory certificate and an administrative certificate with general supervisory endorsement, general administrative endorsement and superintendent endorsement.

He was born and reared in the Quad-City area.

Briggs served in the U.S. Maritime Service (Merchant Marine) in 1944-46, U.S. Naval Reserve in 1947-51 and U.S. Marine Corps Reserve from 1951 until 1970, when he retired with the rank of lieutenant colonel.

He served on active duty with the Marine Corps during the Korean War. Briggs is past president of the Illinois Education Association's Marquette Division and Phi Delta Kappa's Gateway East Field Chapter.

He was chairman for six years of the Madison County Curriculum Council and was presented a life membership in the Illinois Congress of Parents and Teachers by the Mitchell PTA.

Memberships include Niedringhaus United Methodist Church, Moose Lodge 272, Eagles Aerie 1126 and the Marine Corps Reserve Officers Association.

Initially elected in 1974, Briggs seeks a second four-year term, which begins in August 1979. He notes that more than 50 new services to public and parochial schools were started under his leadership, including problem-solving methods, research and workshops.

He stresses that an experienced, hard-working staff is constantly seeking ways to improve school facilities, finances and effectiveness.

Funds distributed to the 15 school systems in the county exceed \$40 million annually, and there is liaison with 24 parochial schools and four day centers. His salary is \$31,000 yearly.

Responsibilities include visitation and inspection, certification of personnel, operation of educational equivalency programs and review of state-federal projects and applications.

University fee usage policies are challenged

Illinois Auditor General Robert G. Cronson released a report Tuesday that SIUE and SIUC during May 1976-April 1977 violated state law by keeping extra money gained through student fees, rather than placing it in the state treasury. Southern Illinois University denied any illegality.

It is alleged that SIUE has accumulated \$1,500,000 from fees originally applied to finance construction of recreation facilities, and \$750,000 being used to finance future athletic projects.

The auditor general also opposes using university foundations to obtain low-interest bank loans in leasing computer equipment on the campuses.

It is contended that this practice increases state debt without specific legislative approval.

keep everything in the right perspective. "Neither I, nor the city council, condone this type of action in any way. Should any city government person or employee be involved, they will be discharged."

"A full and very thorough investigation is being made. The city is offering a \$500 reward for the arrest and conviction of the culprit who did this, and I will personally add another \$100."

Williams, who seemed upset, said, "I never heard of the council finishing their business in 30 minutes. It seems to me very strange."

"Some of the questions I had were what the legal procedures were for condemning a house and why this particular house had 'condemned' signs on it without council approval?"

The Wades started fixing the house one day and a condemned sign is on it the next. Why?" Williams kept asking.

"We do not want any violence. Venice is a good city and we get along good."

"I think the law will handle the situation properly," Williams said.

At 10:30 p.m. Tuesday, Williams telephoned a Press-Record representative and added:

"There are several rumors, by blacks, that my interest in this is to seek publicity. We have a NAACP meeting Thursday (tonight) and I will consider giving my resignation if it will help."

"My heart is with this family, but I will resign, with no regrets about stepping down, if it will help justice prevail."

Mrs. Queen Wade said, "We knew the meeting began at 7:30 p.m., but we thought we would wait until the regular business was over and then they would call on us."

Mrs. Wade went on to say that she felt they should have been notified ahead of time that they would be first on the agenda. She continued, "I don't know why the officials did not do anything when they saw this problem coming."

"Every day since Sept. 30, we worked on cleaning up the house. The fence kept being torn down, and windows broken."

When asked if she notified police about the incidents, she said, "No, the police were not notified."

Mrs. Wade went on to say, "I feel the area was not patrolled properly, or the fire

could not have happened Saturday night."

Roland Cagle of Granite City, a former resident of Venice, recalled accepting a down payment for the house from the Wades. He said, "They were the first to come up with some money."

Asked about the future of the property, Cagle said, "If the Wades want to build there (1342 Robin St.), I'll work something out with them."

Bicyclist struck

Jeffrey Gean, 32, of 2819 E. 25th St., suffered multiple injuries when his bicycle and the auto of Charles O. Tanksley, 74, of 2408 Anchorage Homes, collided in front of the boy's home at 12:10 p.m. Monday.

Tanksley said he was westbound at about 15 miles per hour, swerved for a parked car, heard a noise against his car and saw the boy fall.

Jeffrey was taken by Granite City ambulance to St. Elizabeth Hospital, where he was admitted for surgery to correct internal injuries. He also suffered abrasions to his right hip, hand and ankle.

Hurt in crash on McCambridge

Richard Rose, 26, of 2446 Hodges Ave., was injured when his car, turning from Fourth Street onto McCambridge Avenue in Madison, collided with the southbound auto of Marcus May, East St. Louis, at 11:50 p.m. Tuesday.

After the impact, Rose's car traveled 40 feet into a service station lot. May said he saw the other car entering McCambridge and applied his car's brakes, but was unable to stop on the wet pavement.

Rose was taken by ambulance to St. Elizabeth Hospital, where he was treated for a small puncture wound to his left thigh and a bruise to his left arm, and was released.

Kirkpatrick rewiring project will be started

Rewiring of all 451 apartments at Kirkpatrick Homes will permit future use of air conditioning, David Morgan, Granite City Housing Authority executive director, said after approval was announced Wednesday by the Department of Housing and Urban Development.

With the authorization, Rite Electric Co., the successful bidder, will be instructed to proceed with the \$507,305 project.

Two special electrical lines will be installed for each apartment, permitting use of window-type cooling units, one downstairs and one upstairs. Until now, wiring at the

36-year-old public housing project has restricted cooling to utilization of fans.

The improvement work follows installation of new shingle roofs and combination screen-and-glass storm doors early this year.

When the rewiring is completed, Illinois Power Co. will

purchase and accept responsibility for outside electrical lines and the Housing Authority will maintain interior power lines.

Approval is still being awaited on replacement of the main window in each Kirkpatrick apartment with new double-pane windows.

Pet adoption Saturday at GC shopping center

The Association for Protection of Animals (APA) will hold an adoption from 9:30 a.m. to 1:30 p.m. Saturday at the adoption shelter in Nameoki Village Shopping Center, located between Gasen Drugs and The Fabric Store.

Pets available for adoption, include:

Eight kittens, all eight weeks old, in various sizes and colors; a 6-month-old female kitten, calico, part Persian and Maine; two black cats, male and

female, both 1-year-old, one with long hair.

A spayed female dog, part Malamute and German Shepherd, and a mixed breed male puppy, 10 weeks old.

The APA is planning a white elephant sale in November and is seeking donated household goods, dishes, plants and other items.

Sally J. Gettelman, adoption supervisor, said:

Persons wishing to donate items to the sale may call 877-4594 or 876-1436 for details, the volunteer worker advised.

Sanitary district to lay off 5 WIN employees Friday

The Metro-East Sanitary District Board of Trustees voted Tuesday to lay off five employees who had been hired under the Work Incentive (WIN) program, effective Friday, rather than to put them on the district's regular payroll.

The five, all laborers, were hired under the WIN program, which pays their salaries for the first year and then encourages employers to accept the workers on their regular payrolls. Their one-year contracts will expire Friday.

The board also discussed a broken lift station in Cahokia and decided to continue bypass pumping temporarily, rather than initiating permanent repairs at this time.

The trustees were meeting today with a representative of the Illinois Environmental Protection Agency and with

Mayor Mike Sasek of Madison and Mayor William "Mike" Ebersold of Venice to discuss the possibility of adding those cities to the Metro-East Regional Treatment Association (MERTA) group. The group plans to provide secondary sewage treatment facilities, probably at the Lansdowne treatment plant in East St. Louis.

Currently, both cities use Lansdowne, which provides only primary sewage treatment, and the EPA is urging that they join with East St. Louis, Sauget and other cities in planning secondary treatment.

An alternative being considered is placing Madison and Venice in the area utilizing primary and secondary sewage treatment facilities of Granite City, located on the Granite City Army Installation.

Four appointed to Venice community development board

Venice Mayor appointed Joe Bagi, Nina Payne, Kenneth Mueller and Virginia Hargis to the Venice Community Development Board at Tuesday evening's City Council meeting.

The four are filling terms of persons who have resigned for health reasons or have moved from the city.

In other action, the council approved three building permits:

Julius Johnson, mobile home, 1213 Calhoun St., \$14,000; Chester Kingsbury, room addition, 1128 Douglas St., \$2,200; and Mary D. Stencil, mobile

home, 1113 Calhoun St., \$14,000.

A McKinley Bridge report submitted by Thomas Fields, bridge manager, showed 266,554 vehicles crossing during September with a daily average of 9,885 crossings.

Fields said there was an increase of 453 vehicles per day in average crossings, compared to September of 1977.

Gun safety course for fathers-sons

The first of two gun handling and gun safety courses for fathers and sons will start Monday, Oct. 16, at the Nameoki Recreation Center, Amos and Franklin avenues, from 6 p.m. to 9 p.m.

The class is limited to 30 students and registration now is taking place at the Wilson Park office.

The second and third classes in the three-night course are scheduled Monday, Oct. 23, and Monday, Oct. 30. All will be held at the same time and location.

Attendance at all three classes is required. Those passing the course requirements will receive a certificate.

A second series of gun safety classes is set for Nov. 27, Dec. 4 and Dec. 11. Further information may be obtained by calling 877-3693.

Caught under railroad car, badly injured

Herbert Fowler, 19, of the 3000 block of Weyne Ave., Granite City, is in serious condition today at Firmin Desloge Hospital, St. Louis, after his legs were caught under a train at 8 p.m. Tuesday.

The accident occurred at the Hall Street Industrial Park, 8000 Hall St., St. Louis.

Fowler was sandblasting in a grain hopper car. The train lurched and he lost his balance, falling through a hole in the bottom of the hopper.

He has been an employee of Scullin Steel Co., St. Louis.

GOOD DEED by scouts for residents of Nameoki Township. The Boy Scouts cleaned the area around a drain at the east end of Long Lake on Saturday. From the left, kneeling, are Tom Busch, Alan Forbes, David Millsap, Mark McClew, John Shang, Tom Kellin and Eric Wilson. Standing, from the left, are Bill Kafalas, Nick Tsigolaroff, Bob Moske, Charles Shane, who organized the group as an Eagle Scout project, Jeff Stoicheff, Paul Elieff and Bob McClew.

Township good deed

Boy Scouts did a good deed Saturday for the people of Nameoki Township by cleaning the area around the drain at the east end of Long Lake.

They pulled limbs and trash from the water and walked the banks to further clean up trash and limbs, keeping them from blocking the drain.

Charles Shane Jr., 14, son of Mr. and Mrs. Charles Shane Sr., 2117 Hamilton Drive, organized his fellow scouts in the "good turn" project as part of Eagle Scout award requirements.

Young Shane is a member of Boy Scout Troop Five, sponsored by the Nameoki United Methodist Church. His father is on the troop committee.

Scouts helping with the project were John Shane, Bob McClew, David Millsap, Mark McClew, Tom Busch, Bill Kafalas, Bob Moske, Nick

Tsigolaroff, Jeff Stoicheff, Paul Elieff, Alan Forbes, Eric Wilson and Tom Kellin.

Car hits dirt pile

Two men were injured when their car swerved to miss an oncoming car on Old Alton Road, left the roadway and struck a dirt pile at a construction site for sanitary sewers last week.

Leonard Giles, 27, of 3219 Maryville Road, the driver, and Curtis Holmes, 22, of 1334 Fifth St., Madison, a passenger, were injured and were taken by ambulance to St. Elizabeth Hospital.

UNDERCOATING —

W. Pontoon crash

Two young men were injured when the cars of Richard Kagy Jr., 24, of 4654 Stearns Ave., and Debra Fiala, 2000 Richmond Ave., collided on West Pontoon Road east of Route Three at 2:55 p.m. Tuesday.

Ronald Kagy, 22, of 3801 Lake Drive, Lot 324, Pontoon Beach, a passenger in Richard Kagy's auto, was treated at St. Elizabeth Hospital after the accident for pain to his back and neck, and was released. Richard Kagy suffered injuries which did not require hospital treatment.

END TABLE STOLEN
George Johannmeier, 1542 Finkel Blvd., reported Tuesday that an antique walnut end table, valued at \$150 to \$200, had been stolen from the trunk of a car at this home early this week. A rope holding the trunk lid down on the table had been cut.

Halloween Carnival set at Lake School

Mrs. Phyllis Warford and Mrs. Paula Turpenoff, co-chairmen of the Halloween Carnival to be held on Friday, Oct. 27, at Lake School, announced at the PTA executive board meeting Tuesday evening, final plans for the event.

To be held between the hours of 6 and 9 p.m., the second annual Halloween Carnival will feature special attractions, "Dracula's Disco Den," a "gory game room," a "monster make-up parlour," a "spook house," and the "witches' walk," where potted plants can be won.

A variety of carnival-type foods will be offered for sale. Although no prizes will be awarded for costumes, costume dress is being urged by children and workers but is not necessary, according to the co-chairmen. The public is invited to attend, they added.

Ways and means co-chairmen, Mrs. Ann Siebert and David Johnson, reported that candy from the school's annual sale is now being delivered. It is hoped that the receipts will all be

in by October 20, after which top winners in the sales contest will be announced. Prizes will be awarded in November.

The program for the next regular meeting of Lake School PTA, to be conducted on Tuesday, Oct. 17, at 7:30 p.m., will be on the topic of child abuse. Mrs. Ralph Hausmann, Director of Social Service of St. Elizabeth Hospital, will discuss this important topic and then show a film entitled "Children in Peril." An alternate film will be shown to any children present. A question-answer session will follow the program.

Partney event

The Dan Partney for Election Committee will hold a fund-raising party for the incumbent Madison County Board member from 5:30 to 7:30 p.m. Monday, Oct. 16, at Charlie's Restaurant. Hors d'oeuvres and refreshments are planned, and tickets costing \$15 per person are being sold.

Hairdressers 'Fantasy Show' Sunday

The latest trends in hair styles and clothing fashions will be presented at 2 p.m. Sunday by Elite Hairdressers and Cosmetologists Affiliate 33 at Granite City Moose Hall, 19th and Adams streets.

The public is invited to attend, Judy Broshow, Affiliate 33 president, said today.

Donations of \$2 per person will be accepted at the door. Proceeds are earmarked for the Shriner's Hospital for Crippled Children.

Refreshments will be served and many gifts will be distributed. Julie Ahning, general chairman, has announced.

Not only will the show feature the most up-to-date hair styles and clothing for men and women, but the hairdressers will unveil their traditional "fantasy sequences" Sunday afternoon, she said.

The fantastic hair styles and

unusual costumes have created exciting and colorful finales to the impressive show in past years, it was noted.

"We are going to outdo ourselves this year," Mrs. Ahning promised.

Theme in the fantasy segment will focus around movies, such as "Star Wars," "Grease," and "Saturday Night Fever."

In addition to beauty salons entering models, both clothing and jewelry fashions will be presented by local merchants.

Among the participating stores are: Tops 'N Bottoms, Ruth's Store of Fashions, Lord Nelson Men's Fashions, Boutique II, Glik's Department Stores, Marilyn's House of Fashion, Stefanie Shop, Hudson Jewelers and Budget Optical.

The show is staged annually as part of National Beauty Salon Week, which continues through Oct. 15.

Commentator for the clothing fashions will be Debbie McCotrell. Dorothy Line, a member of the Illinois Hair Fashion Committee, will describe the hair styles.

To mark the occasion, Mayor Paul Schuler has designated this week as a time to honor local beauticians.

An official proclamation,

reads in part:

"Whereas, National Beauty Salon Week will be observed in our community, as well as throughout the nation, during the week of October 8, 1978, by 71,000 members of the National Hairdressers and Cosmetologists Association; and

"Whereas, proceeds from many National Beauty Salon Week activities are given to local charities for the benefits of the entire community;

"Whereas, the members of this national professional association of cosmetologists, established in 1921, to further the highest standards of professional beauty care, have through their training and creative talents, enhanced and maintained one of our nation's greatest wealths, the feminine beauty of America;

"Now, therefore, I, Paul Schuler, mayor of the City of Granite City, do hereby proclaim the week of October 8, 1978, as National Beauty Salon Week, and commend it and its theme, 'Today's Hairdresser Can Do More For You Than Ever,' to the attention of our citizens in order to recognize cosmetologists for their dedicated services to the grooming of women for greater beauty."

BANDOLIER NECKLACE, worn by Janet Stanton, right, is admired by Loretta Brown, left, and Judy Broshow as the trio try on dresses Tuesday at Stefanie Shop, 19th and Edison, preparing for Elite Hairdressers Affiliate 33 'Hair Styles and Fashion Show' at 2 p.m. Sunday at Granite City Moose Lodge. Judy's long gown of mauve polyester print has sequins detailing the bodice and a skirt of narrow pleats. Janet wears a one-piece frock of plum polyester with a blue and beige design and a blouson top. Tickets will be available at the door, with proceeds going to Shriner's Hospital for Crippled Children. (Press-Record Photo)

Past Matrons plan dinner

The Past Matrons Club of Granite Chapter, 650, O.E.S., held its October meeting in the home of Mrs. Florence Spohr of Madison, with 12 members present.

Dorothy Brokaw, vice-president, was in charge of the business meeting.

Final arrangements were made for the Thanksgiving dinner party to be held at Ackerman's on Nov. 11 at noon. There will be a gift exchange for those who wish to participate.

Reservations are to be made with Mrs. Betty McClintock, president or Mrs. Brokaw by Nov. 1.

Several reports were given and accepted including a visit to Mrs. Tina Neinritter, who is in a nursing home in St. Louis, by several members.

Members were reminded that they are to serve as escorts for the annual installation of officers of Granite Chapter on Nov. 27.

At the close of the business meeting, a dessert course was served and games were played. Others in attendance besides the above mentioned were, Mrs. Ida Cariss, Mrs. Karmyn Edmonds, Mrs. Arline Fox, Mrs. Hulda Griffiths, Mrs. Clara Harbig, Mrs. Virginia John, Mrs. Sadie Jones, Mrs. Hannah Kleinschmidt, Mrs. Frances Williams and Mrs. Ethel Reed of Ramsey, Ill.

Fidelis Class aids teenager

Members of the Fidelis Class of Second Baptist Church agreed to sponsor a 13-year-old girl who is residing at the Catholic Children's Home, at last week's meeting.

Hosting the session was Mrs. Pearl Peters in her home, 2721 W. 22nd St. Mrs. Minnie Cavins opened with prayer and the group sang a song entitled, "Ready."

Mrs. Katy Pearson gave the devotions on Christian Living, followed by another song by Mrs. Alice Hoffman. The class will also provide gifts to members who are ill.

Those present included guests, Mina Duggins, Florence Paul, Dorothy Barnes, Gertrude Bundy and Norma Ruin, and members Cora E. Miller, Myra Grote, Ruth Hassler, Louise Acecks, Eva Glasgow, Dolores Ayers and those named.

UNDERCOATING - RALPH'S TEXACO 22nd & MADISON AVE.

Chicken-dumpling dinner is planned

Plans for a chicken and dumpling dinner to be held on Nov. 11, in conjunction with a Christmas booth and bake sale was the main topic of discussion at the monthly meeting of the Christian Women's Fellowship of Central Christian Church.

Mrs. Guyla Stuart presided and opened the session with the CWF prayer. She announced cost of tickets for the dinner are set at \$2.50 for adults and \$1 for children under 12 years of age.

Mildred Rees will serve as chairman and Joyce Bennington is ticket chairman, it was noted.

Service chairman, Mrs. Doris Edwards, reminded the group of the layette shower for the Church Women United layette program and she announced the church group will sponsor a collection of under clothing, socks, mittens and other items of clothing for Christmas project.

Other reports were submitted by Vanna Berkhonger, Norma McCormick, Margaret Rutter and Ruby Hart.

Mildred Collins, assisted by Blanch Lane and Dorothea Rivenburgh gave the study lesson on the subject, "The Wonders of Reading," and Velma Gruen led the worship.

She was assisted by Peggy Gibbons, Sylvia Tapp, Lumeta Durbin and Mary Turner.

A "back to school" theme was used for the table decorations and refreshments were served by members of Group One.

October meeting of Twilight Class

A Halloween motif was used for the table decorations at Mount Zion General Baptist Church for a 5 p.m. covered dish dinner hosted by the Twilight Class on Tuesday.

Mrs. Beryl Ready offered the opening prayer and was followed by group singing.

Two readings entitled, "Praise God" and "Big Mouth Bass" was presented by Mrs. Ann Schubert. The closing meditations were by President Harriet Phelps.

Others attending were Bessie Phillips, Ollie Harmon, Mildred Rippey, Jennie Pirtle, Mary Goodall, Opal Penrod and Lily Grad.

LITTLE GIRLS DELIGHT. A three story Cape Cod doll house handmade for a fund raising project sponsored by Nu Zeta Chapter, of Beta Sigma Phi Sorority. Constructed and decorated by Tom and Margie Williams, 2118 Johnson Road, the house is furnished

with miniature furniture reminiscent of Early American days. The house will be on public display in area business places until Dec. 19. All proceeds from the project will be donated, by the chapter, to the Shriner's Hospital for Crippled Children.

Shriners to benefit from doll house

The Nu Zeta Chapter of Beta Sigma Phi Sorority is offering a hand made three story Cape Cod doll house, completely furnished, for sale as a fund raising project to benefit the Shriner's Hospital for Crippled Children.

Tom and Margie Williams, 2118 Johnson Road, constructed and decorated the house which has an overall size of 36" long, 15" deep and 30" high and is created in wood. Mrs. Williams is a member of the chapter.

The exterior of the house is painted in a "Marlin blue" with white shutters, black roof, brick chimney and has drop siding. Landscaping is completed with shrubbery surrounded by black

chat and includes a mail box on a post and yard lights.

An Early American motif is carried out inside which is fully carpeted and all rooms are decorated with wall paper and white Cape Cod curtains.

The first floor features a living room, dining room and kitchen. Miniature red roses on white wall paper provides the background for red carpet, an emerald green couch, high back wing chair, blanket rocking chair and fireplace in the living room. Other furniture includes a secretary desk, end table, kerosene lantern, chandelier and a wall decoration.

A emerald green decor is used to furnish the dining room, with

a green carpet, green and white wall paper complementing the double pedestal table with four side chairs, dry sink with hand pump, a crank phone and hutch. Accessories are a ceramic bowl and pitcher, spinning wheel and silver service.

In keeping with the theme, a cast iron wood burning cook stove, ice box, table, a pot and pan rack with copper cooking utensils are arranged in the kitchen. The wall paper is in a gold and white stripe and the carpet is gold tweed blend.

A royal blue carpet and blue and white wall paper accents the bathroom featuring a clawfoot tub, pull chain commode, pink hot water radiator and medicine cabinet with mirror.

The third floor attic room is done in gold and black tweed carpeting with paneling on the back wall. A double brass bed, three drawer dresser with tilt mirror, marble topped dresser and captain's trundle bed furnishes the bedroom.

A 11x12 inch sun deck is on the second floor and is covered in astro turf and has a barbecue pit, adding a more modern facet to the house.

The doll house will be on display today and tomorrow, Oct. 12-13, at Granite City Trust

and Savings Bank, Oct. 31 at Schermer's Market in Madison, the first of November at Madisgen County Federal Savings and Loan and the First National Bank in Madison.

On Nov. 18 it will be moved to Ervay's Restaurant, Nov. 22 at Schermer's Market in Pontoon Beach, Dec. 6 and 7 at American Heritage Bank and on Dec. 15 at the First Granite City National Bank.

Tickets for the house may be purchased from any chapter member.

MAINE JOINS
Maine was admitted to the Union as the 23rd state on March 15, 1820.

EARLY AMERICAN BEDROOM complete with a four poster canopy bed featuring a red bandana print spread. The walls are covered with a Dresden blue and white check wallpaper. Furniture scaled to fit the 13x12-inch room includes a triple dresser, night stands with china lamps, black pot belly stove, chamber pot and bed warmer.

(Pictures by Pat Foley)

'Sunrise at Midnight' drama here

The Rev. Harold Davis, internationally acclaimed for his portrayal of Biblical characters, will present the drama, "Sunrise at Midnight," at 7:30 p.m. Friday, at Calvary Pentecostal Assembly Church, 4650 Maryville Road.

The Rev. Harold Maynard, pastor of the local church, is inviting the public to attend and witness the recreation of a "dramatic night in the life of the Apostle Paul."

As Paul, the Rev. Maynard will dictate from memory to his scribe, the entire Book of Philippians.

Inspiring scriptures and songs are woven together in an unusual manner to hold the interest of the entire family, the Rev. Maynard said.

To recreate the setting of that time, the Rev. Davis uses more than 250 square feet of prison scenery and authentically reproduced costumes and unique props that provide the viewer an "unforgettable experience," the Granite City minister stated.

No admission will be charged to the performance.

Peasant Bazaar set for Nov. 4

The annual Peasant Bazaar planned and arranged by the women of the First United Presbyterian Church, 22nd Street and Delmar Avenue, will be held from 10 a.m. to 3 p.m. on Saturday, Nov. 4, at the church, according to the chairman, Peggy Stevens and Lucile Bush.

A luncheon will be served from 11 a.m. to 2 p.m. featuring a menu to include barbecue hamburger, German potato salad, pie and fresh apple cake with a beverage.

The chairman reports useful and unusual gift items will be offered for sale with prices ranging from 15 cents to \$15. An 8-room doll house will be on exhibit, they added.

Chapter HT opens season

Mrs. Harold Fischer, 2725 Madison Ave., was hostess for the first fall meeting of Chapter HT, P.E.O. Sisterhood, Monday afternoon.

Mrs. Carl Mathias presided at the meeting and accepted reports from various committee chairmen.

Eighteen members answered roll call and participated in the program entitled "Summer Reflections" with each one revealing their summer social activities.

A discussion was held on the Oct. 24 meeting to be held at the College Avenue Presbyterian Church in Alton, and an organizational meeting for a new chapter in Collinsville, set for Oct. 31.

Mrs. Judy Dailey will entertain the chapter members on Oct. 23 in her home in Edwardsville.

Mrs. Della Hagen is club hostess

Mrs. Della Hagen of Granite City, was the October hostess for the We Five Club meeting held in her home, last week.

She served an evening dinner followed by card games. Those winning prizes were Mesdames Caroline Lux, Avis Joiner and Emma Gobble. Also present was Mrs. Edith Young.

During the evening the members exchanged names for a Christmas gift. Mrs. Joiner will host the November gathering, it was noted.

Temptation was too great for Stevenson

By ROBERT ESTILL
Press-Record
Washington Bureau

Sen. Adlai Stevenson, D-Ill., has provided a vivid example of how easy it is to push pet projects when few are watching the shop.

The waning days of a session, when confusion peaks and many lawmakers are home trying to get re-elected, invite end runs and sneaky plays.

In such an atmosphere, Stevenson could not pass up the temptation to get a leg up for one of his pet projects—a new lock and dam on the Mississippi river south of Alton, a project with a current price tag of about \$436 million.

Sen. Stevenson has been trying since 1976 to get Congress to authorize funds for what he terms "the most critical navigational facility" in the nation.

The problem is that the authorization is contained in a bill, sponsored by Sen. Pete Domenici, R-N.M., which would impose, for the first time in the nation's history, a charge for the barges which use the waterways.

Domenici's reasoning is that the barge owners want the new lock and dam as much as they oppose the user fees. Mating the two ideas would force barge owners to pay.

The problem is that the House, the Senate, the Carter administration and the barge owners have been unable to agree on what is a fair fee.

That brings us to the Stevenson play.

In a rare Saturday Senate session, when only several senators were on the floor, Stevenson offered an amendment to his own export-import bank authorization bill.

That amendment authorized funding for the new lock and dam. It did not contain any provision for a user fee.

The amendment was approved swiftly on a voice vote, without debate and with Stevenson's assurance that it was "virtually identical" to language approved earlier by the Senate.

Domenici, who would have blocked it if he had been present, was campaigning in New Mexico at the time.

Stevenson said he did try to contact Domenici—after the vote.

He said he wasn't trying to pull anything on the Republicans—that Republican floor managers or policy people were there.

"Domenici was not there, but there were people watching his interests," Stevenson asserted. He said he made the move for a variety of reasons.

The Illinoisian was angry because his export-import bank bill has been used as a "Christmas tree" for a variety of amendments that have nothing to do with exports or

imports. Senate rules do not require that amendments be germane to the bill.

If everyone else could use his bill to hang their amendments upon, why shouldn't he, reasoned Stevenson.

At least, a new lock and dam to facilitate the flow of farm products and fuels has a relationship to exports and imports, Stevenson said.

The senator said he did not include user fees in the amendment because the Constitution requires that tax measures originate in the House.

However, Stevenson said he would not push for adoption of the dam authorization unless there is an agreement that user fees will be accepted.

Stevenson said he does not believe his move will prompt Congress to act on the lock and dam bill and the user fee question before it adjourns.

Whether his tactics—questionable or not—will succeed remains to be seen.

Domenici's legislative aide, Lee Rawls, said his boss was "miffed" and told Stevenson so. On Saturday, Sept. 30, when Stevenson made his move, Rawls said he was in his office all day—and no one from Stevenson's office contacted them.

Rawls said Stevenson misled senators when he said the amendment was "virtually identical" to language earlier approved by the Senate.

The language previously approved contained the fee requirement. A move by Stevenson in 1977 for lock and dam authorization, without that requirement, was defeated, Rawls said.

"I think the Republicans feel somewhat chagrined and misled," Rawls said.

Domenici will get another turn at bat.

The export-import bank authorization, which now has the lock and dam authorization dangling from it, will have to go to a conference committee to resolve differences in the House and Senate versions of the legislation.

The eventual conference committee compromise will have to be approved by the House and Senate.

If it contains a lock and dam authorization but no user fee, Domenici has warned Stevenson that he will filibuster it to death.

What Stevenson gained through his maneuver in near empty chambers is questionable.

On the plus side, Rawls said, Stevenson may have provided impetus for a compromise being drafted by Senate Finance Committee Chairman Russell Long, D-La., which would provide lock and dam funds and user fees at a reduced rate, a four-cent-a-gallon fuel tax that would be "acceptable to everybody."

On the minus side, there is at least one senator (Domenici) and perhaps others who think they have been dealt with poorly," Rawls said.

If nothing else, it at least shows that—although the senators like to consider themselves members of a "gentlemen's club"—they had best not leave the club unattended.

Preparations for cold weather

By MARY RICHARDS
Illinois Department of Public Health

Although autumn is just beginning, it's not too early to start preparing for cold weather in order to help protect your health and well-being during the winter months.

Because the cold months can be a dangerous time, the Illinois Department of Public Health advises special precautions to protect yourselves, your families and your property against the potential dangers of home fires, energy shortages and winter driving.

To help prevent home fires, it might be a good idea to have a

"fall clean-up" at your house. Old newspapers, cardboard boxes and other rubbish should be removed from the basement, attic or storeroom. Sawdust and scraps from the workshop should be cleared away.

Dust is highly combustible, so when disposing of dust from your vacuum cleaner or dust pan, be sure to wrap it and place it in a covered metal trash can, away from heat.

Look around the house for wiring hazards: such as overloaded sockets or frayed cords. And be sure you do not have any cords running under carpets, through doorways or near radiators.

Since many winter fires are caused by defects in the home heating system, now is the time to have your chimney and furnace inspected, and any defects corrected.

If you have a fireplace you plan to use this winter, be sure you have the equipment you need (screen, basket grate) to use it safely.

And if you plan to use portable heaters, check them now for frayed cords or broken filaments. Also, be sure the heater has an automatic shutoff in case it is overturned.

To prepare for the possibility of energy shortages this winter, stock up on emergency supplies

and store them in an easily accessible place. You should have a supply of candles, a battery-powered radio, flashlight with fresh batteries and an extra supply of food (including some that does not need cooking).

It's not too early to be sure your car is ready for winter. Make certain your wipers and defroster are in top shape for prolonged use.

Have your exhaust system checked for dangerous leaks. Headlights should be working and aimed correctly.

Tires should have a good tread. The battery and ignition system should be in A-1 condition for rugged winter starts. And brakes should be adjusted and balanced—a must for avoiding skids.

If you're planning a long auto trip this winter, plan now for the emergency equipment you should carry with you—chains for towing, snow shovel, a good scraper, sand or salt, a car tool kit, flashlight, flares or reflectors, a first-aid kit and blankets and extra clothing.

So, if you begin now to plan for cold weather changes and take steps to minimize the potential dangers of winter, you and your family are lessening your risk of cold-weather accidents.

If you want more information about cold-weather safety, write to: the Illinois Department of Public Health, Division of Education and Information, 525 W. Jefferson, Springfield, Ill. 62761.

Struck with baseball bat

Police are investigating the injury of an 11-year-old boy by three 12-year-old boys at West 23rd Street and Illinois Avenue at 8:40 p.m. Monday. One attacker struck his leg with a baseball bat and another poked him in the back with a butcher knife.

The 11-year-old's mother saw the attack. She tried to break it up and was threatened. The three then left with the knife and the bat.

News notes

Permanent site of the Lutheran high school now operating in Wood River will be a 20-acre tract on Center Grove Road, Edwardsville.

Two-month-old Samantha, daughter of Governor and Mrs. James Thompson, is ready to leave Springfield Memorial Medical Center after treatment for bacterial pneumonia and a secondary infection.

University of Illinois at Urbana-Champaign has 33,840

students, 106 less than the 33,946 a year ago.

U.S. Senate-House conferees agreed Wednesday to tax fuel-efficient autos (starting with 1980 models) and to provide tax credits to those insulating their homes.

St. Louis Mayor James Conway and St. Louis County Supervisor Gene McNary plan to ask the Missouri legislature to let them appoint the five Missouri members of the ten-

member Bi-State Development Agency board, rather than the governor handling the selection. The city and county help subsidize bus service by the agency.

SCHERMER IN HOSPITAL. Herbert Schermer, operator of Schermer's Men's Shop, 10 Crossroads Plaza, is in the intensive care unit of Barnes Hospital, St. Louis. He was taken to the hospital following a heart attack at his home Saturday.

BURGLARIES SOLVED. Granite City juvenile authorities said Wednesday the arrests of three boys, ages 14, 15 and 16, have resulted in the solving of three house burglaries in the city. Two boys allegedly participated in the three burglaries and the third was involved in two of them. Juvenile Officer Dusen Gagich said. He will file juvenile court petitions against all three.

REINHARTY—Realtor Sells—BETTER LIVING

Economics forcing insurance firms away from compensation

(Second of three articles by John R. Parrish, University of Illinois Economics Professor)

There is no mystery as to why workmen's compensation costs in Illinois have been soaring

upward. The answer is found directly in the revolutionary revisions made in the Illinois WC law in 1975.

Are WC costs now a major cost of doing business in Illinois?

Yes. For many Illinois employers, the cost of workmen's compensation is the biggest single fringe benefit cost they face.

A study of 460 Illinois manufacturers revealed that in 1977, WC costs were over six percent per \$100 of payroll for over one-fourth of these employers.

For one out of every ten manufacturers, WC costs were over nine percent per \$100 of payroll.

For some manufacturers, the costs per \$100 of payroll were 10 percent, 15 percent, 18 percent and 20 percent. In these latter firms it is self-evident that rising WC costs have a major impact on total costs, prices and competitive position.

There are some employers whose WC costs are still relatively low compared with such fringe benefits as Social Security, private pensions, health and life insurance and paid vacations.

Such employers include barber shops, delicatessens, banks, brokerage houses and union-employed clerical workers. In these establishments, WC costs will only be around one percent to two percent per \$100 of payroll.

Still, it must be kept in mind that even in those firms with low WC costs of one percent to two percent, increases in WC costs of 200 percent, 500 percent or 1,000 percent from 1974 to 1977 can have drastic effects on costs, prices and competitive relationships.

To make matters worse, soaring WC costs could not have come at a worse time. Employers have also been confronted with escalating costs for product liability, unemployment compensation, and air and water pollution.

How do Illinois WC benefits compare with other states? Illinois is at the top, or very near the top, in all categories of benefits among the 50 states (excluding Alaska and Hawaii).

It was frequently claimed in support of the radical 1975 amendments to the Illinois WC law that Illinois had lagged far, far behind in providing benefits to its injured workers. This claim was never true.

Using 24 types of benefits as the measure, Illinois in 1973 was in the top 25 percent of all the states. In 15 out of the 24 categories, Illinois was in the top 10 percent of benefits.

Today, Illinois is at the top, or very near the top, in all categories of benefits.

Using 22 categories as a measure, Illinois in 1977 was in first place in seven times, second place in 12, and third place in the remaining three.

On average, Illinois is in second place for all 22 categories.

How do Illinois WC costs compare with nearby states? Illinois WC costs are sharply higher than in nearby states.

In terms of basic manual rates, Illinois employers are now operating at a disadvantage. A study of selected industries and occupations in 1976 revealed that the rates in Illinois are from 50 percent to 150 percent above the rates in states as Indiana, Iowa, Wisconsin and Missouri.

The largest manufacturing firm in Illinois is the Caterpillar Tractor Company headquartered in Peoria. It employs 40,000 workers in seven Illinois communities.

The company reports that in 1974, its Illinois plants were very competitive in WC costs with its plants in nearby states. By 1976, this had completely changed.

Illinois WC costs had shot upward so fast that they were from 50 percent to 100 percent higher than their plants in the states of Iowa, Wisconsin and Ohio—all as a result of the 1975 amendments in the Illinois WC law.

One large firm with plants in Illinois and Missouri reported that, in 1974, Illinois WC costs were lower than in its comparable Missouri plant.

By 1977, the Illinois plant had risen to a level of 50 percent above the Missouri plant.

Over time, could this new differential encourage shifting some production from Illinois to Missouri? The company says this is very likely.

Has the insurance companies been ripping off Illinois employers? No, they have not.

Defeated, the insurance companies got ripped off after the Illinois General Assembly enacted the 1975 WC revisions.

Writing WC in Illinois was only marginally profitable even before the drastic 1975 amendments.

The best measure of profitability of insurance carriers is the CLR: the Composite Loss Ratio (the ratio between earned premiums and incurred losses paid out in a given year or to be paid out in the future).

It is generally accepted that a loss ratio of 30 percent to 45 percent should provide an adequate return to insurance carriers—good enough to cause them to compete vigorously for WC business.

A range of 50 percent to 60 percent is marginally profitable. Anything above 70 percent would represent severe financial strain and financial loss.

In 1972, writing WC policies was only marginally profitable in Illinois at 63 percent.

In 1973, it became unprofitable at 76 percent. Since 1974, the CLR has been above 80 percent, i.e., very unprofitable.

Has the insurance industry been getting out of writing WC policies in Illinois as fast as they can, thus forcing thousands of firms into the state-sponsored "Assigned Risk" pool? An insurance executive said: "... last year we lost our shirt writing policies in Illinois. This year will be different. We are going to lose our pants, too."

This above was no whimsical remark. Underwriting losses of all carriers in Illinois amounted to \$85,000,000 in 1976.

The evidence does not support the claim that the insurance companies have enjoyed a fancy profit-making ripoff at the expense of Illinois employers.

CENTRAL HARDWARE

PROGRAM ASSISTANTS from the Quad-City area are greeted by Granite City Mayor Paul Schuler, who recognized their efforts in a nine-year educational program here, sponsored by the University of Illinois Extension Service. From left to right are Eva Davenport, Drew Johnson, Yvonne Marr, Lenora Brown, Mayor Schuler, Norma Burns, Verna McClelland, Margarette Wade and Wilma Hancock.

Honor program assistants

Quad-City families and others in Illinois on limited incomes can receive help in managing their resources to have a better way of life through two special programs of the University of Illinois Cooperative Extension Service.

In recognition of the successes of the Expanded Food and Nutrition Education Program (EFNEP) and the Consumer and Homemaking Education Program (CHEP) this week has been designated "Program Awareness and Program Assistants Week."

A special ceremony was held at the City Hall in Granite City, at which Mayor Paul Schuler signed a proclamation commending the program assistants for their service to others and designating this week in their honor.

The document reads in part: "Whereas, the University of Illinois Cooperative Extension Service has sponsored and conducted an 'Expanded Food and Nutrition Education Program' since 1969 and a 'Consumer and Homemaking Education Program' since 1974 for the citizens of Granite City;

and

Whereas, the purpose of these programs is to provide assistance to Granite City families in obtaining more

satisfying levels of living and to provide trained personnel to help families become better consumers of goods and services; and

"Whereas, the persons given the task of bringing these programs to the families of our city are Program Assistants who are residents of the neighborhoods for which they provide this valuable service; and

"Whereas, the city of Granite City wishes to recognize and commend the service rendered to their citizens by these Program Assistants and the 'neighbor-helping-neighbor' spirit which these Program Assistants have exhibited in going about their tasks.

"Now, therefore, be it resolved that the City of Granite City recognizes the week of Oct. 9-13, 1978 as established by the University of Illinois, as 'Program Assistants Week' in Granite City."

The Food and Nutrition program began in 1969 as part of a national extension effort to bring food and nutrition information to families with limited incomes.

The Consumer-Homemaking program, started in Illinois as a pilot program in 1971, helps low income families learn how to make better use of their

resources — time, energy, money, skills and health. Carolyn Kerns, an extension advisor, explained.

Program assistants take the programs to people in a community. They are

paraprofessionals working in local communities where they visit homemakers in their homes and deal with family problems on a one-to-one or small group basis, she said.

Program assistants also are aware from personal experience the problems that homemakers face. They teach useful nutrition and consumer information to program families.

The Extension Service provides program assistants with training in nutrition and consumer information, as well as in teaching and working with others, Mrs. Kerns said.

In turn, the program assistants share the information with homemakers in their neighborhood.

In 22 Illinois counties, more than 185 EFNEP program assistants currently are helping over 26,000 people in 8,650 families, it was learned.

Over 90 CHEP program assistants work with more than 4,000 homemakers in that program, the supervisor said.

Revival at First Baptist in Venice

An eight-night revival will start Sunday at the Venice First Baptist Church, 1247 Klein St., Venice, with the Rev. Austin Fisher, pastor, inviting the public to attend one or all services.

The evangelist will be the Rev. Charles Marshall, pastor of Carrollton Baptist Church in Bridgeton, Mo.

Services will take place each evening at 7:30, beginning Sunday and continuing through Sunday, Oct. 22.

The Rev. Fisher said special music is being arranged for the revival program, featuring various gospel singing groups.

Seek public help to stop school vandals

Help from the public in halting excessive vandalism at Wilson School playground during after-school hours is being requested by Bill Smithson, Wilson PTA president.

Last week alone, vandals twice tore apart a corral and airplane made from railroad ties and totally destroyed goal posts used in soccer games.

Smithson said the playground equipment is constructed from railroad ties held together by heavy spikes, about 18 inches long.

Not only do the children miss their playground, but smashing the equipment leaves the spikes exposed, creating a highly hazardous situation for youngsters, the PTA spokesman said.

The playground area was built by parent volunteers who devoted time and energy to making a "fun" area that pupils can enjoy, he added.

Smithson asked anyone noticing unusual activity on the school grounds to please notify the police, at 877-6111, immediately.

Wilson PTA will hold its second meeting of the school year Tuesday, Oct. 17, at 7 p.m. "Alcoholism in Children and Adolescents" will be the topic.

Smithson invited the general public to attend. Any parent whether or not their child attends Wilson School is welcome, he stressed.

Cathy Rivenburgh, PTA candy sales chairman, said Wilson pupils will start their annual candy sale Friday, Oct. 20.

Parents whose youngsters are selling candy and may have questions can contact her at 797-0652, she advised.

Meet in area on health plan

The Madison County Local Impact Committee of the Greater St. Louis Health Systems Agency (HSA) will meet on Tuesday, Oct. 17, at 7 p.m. at First Federal Savings and Loan, 300 St. Louis St., Edwardsville.

The committee will discuss objectives of the HSA's Health Systems Plan that it feels should be emphasized in 1979. The plan was approved by the board of directors of the HSA on Jan. 5, 1978. It lists objectives for improving the health system and health status of area residents, over a five-year period.

All agency volunteers, including Local Impact members, may submit their recommendations for priority action next year.

The Plan Development Committee of the HSA will meet on Nov. 9 and, on the basis of recommendations received, decide on priority objectives for the area.

These will be compiled into a draft 1979 annual implementation plan scheduled for release for public comment in December.

Also on the agenda at the Local Impact Committee meeting will be a general presentation on the Health Systems Agency, its purposes, mandates and programs.

Quadrants may contact for information: Ralph Yemm, committee chairperson at 254-5613 or Virginia Lawton at the HSA, 514-241-5810.

Norfolk rail earnings down

Norfolk and Western Railway earned \$5.5 million in July, mostly before it was struck by the Brotherhood of Railway and Airline Clerks on July 10, and \$376,000 in August, the company has just reported.

The strike continued through Sept. 28, and earnings for September are not yet available. However, they are expected to be more favorable than in August, because the railroad resumed some service to coal mines on Sept. 6. Results for July and August include accruals totaling \$40 million in indemnity claims under the industry's Service Interruption Insurance policies.

John P. Fishwick, NW president and chief executive officer, cautioned that, while the figures for July and August are in accordance with generally accepted accounting principles, they do not reflect the true long-term impact of the strike on NW's earnings. During the strike, NW deferred both roadway and equipment maintenance that will have to be made up later, he said.

"While NW expects to make a profit for the third quarter, its net income will be substantially less than it would have been without the strike," Fishwick said.

"Our October earnings will be seriously and adversely affected, since some time will elapse before our traffic returns to normal levels. This is particularly true with respect to merchandise traffic."

Inflation forum

Business, labor and civic leaders will be invited to learn the details of the administration's program on inflation at the first White House Forum on Inflation Oct. 18 at the Cervantes Convention and Exhibition Center.

Armand C. Stalaker, chairman of the Regional Commerce and Growth Association, which is sponsoring the forum, said consumer representatives also will receive special invitations to participate. The forum is free and open to the public.

Robert S. Strauss, President Carter's special counselor on inflation, announced plans for the forum.

Lasting from 9 a.m. to noon, it will be attended by Strauss, Labor Secretary Ray Marshall, Charles Schultz, chairman of the Council of Economic Advisers and Esther Peterson, special assistant to the president for consumer affairs.

CAR TAKEN, WRECKED

A car taken from the used car lot of Granite City Chrysler-Plymouth, 19th Street and Grand, was recovered in National City a short time after it was reported missing. The auto had extensive damage, police were told.

Air Force commends Staff Sgt. Weatherly

Staff Sergeant William M. Weatherly has been awarded the Air Force Commendation Medal for distinguished service as a member of the Air Traffic Control Radar Maintenance Work Center, 1974th Communications Group, at Scott Air Force Base, Belleville, from Sept. 26, 1972 to May 31, 1978.

Sgt. Weatherly received the Air Force Commendation Medal recently after his arrival at Spangdahlem, Germany. He is the husband of the former Freda Gail Nickell of Granite City and the father of 19-month-old Brian.

Mrs. Weatherly and the baby joined the serviceman in Germany just a few weeks ago. They expect to remain there for the next three years. He is the son of Mr. and Mrs. Richard Weatherly of Mount Vernon, Ill. His wife's parents are Mr. and Mrs. Delmos Nickell, 2622 Missouri Ave.

The citation accompanying the Commendation Medal cited Sgt. Weatherly for "consistently superior performance reflecting the highest degree of personal initiative, professional knowledge, ability and dedication to duty."

"The distinctive accomplishments of Sgt. Weatherly reflect great credit upon himself and the United States Air Force."

The Air Force further commended him for "converting an almost non-existent training program into a well organized and productive system; becoming an expert in the troubleshooting and repair of the Air Traffic Control Radar Beacon System, Video Mapper, Brite II and Radar Target Simulator."

"Attending special schools, demonstrations and lectures at Keesler AFB, Miss., and Memphis Naval Training Center, Memphis, Tenn., among others, and voluntary working side-by-side with new equipment installation teams, sometimes around the clock, to further understand the new equipment."

"Between October 1976 and April 1978, Sgt. Weatherly was personally involved with the qualification-proficiency training of 10 individuals on six separate items of highly complex electronic systems and seven people on upgrade training, representing 60 percent of the section's total work force at any given time."

"He also assisted in many emergency situations where his technical expertise and personal dedication were the major factors involved in mission success."

School computer employee leaves

The Granite City Board of Education has accepted the resignation of Monte Kessler, computer analyst for the school district. It has agreed to study whether his position should be filled by someone else or whether the needs of the district can better be served by contracting for the computer work to be done by a professional computer firm.

Kessler said he left the left the district, with regrets, to accept a job in private industry with a computer firm.

The board also voted to reduce the district's cafeteria staff by one position, due to a declining number of plate lunches being served. The reduction in staff will be in the cafeteria of Prather Junior High School, where one cook recently resigned.

A leave of absence was granted to Norma Schroeder, a teacher at Wilson School.

Permission was granted to Robert D. Todoroff, band director of Granite City High School North, to attend the "Concert of Champions" marching band contest at Middle Tennessee State University Oct. 13 and 14.

An agreement was approved between the district and Oliver C. Anderson Hospital expanding the health occupational program into that hospital.

Four nursing students may train there each semester, increasing the number of health occupation students who can train each year.

DAMAGE CHURCH BUS

Five windows and two headlights were broken on a church bus at the Bethel Chapel Pentecostal Church, 25th and Ohio streets, between Sunday afternoon and 4:35 p.m. Monday. The glass appeared to have been broken with BBs or pellets from a gun. Police found boys with a BB gun in the area but released them, when they discovered the gun was inoperable. Some church officials have objected, contending a witness saw the boys shoot at the bus.

Raymond Weeks dies at 53

Raymond F. Weeks, 53, of 122 Manor Ave., Longwood, Fla., formerly of Granite City, died Monday at the Florida South Hospital in Orlando. He had been a patient there for six days.

A native of Illinois, he was a local resident for many years and had resided in Florida for six years.

Mr. Weeks was employed as a motor vehicle inspector by the state of Florida.

Survivors include one son, Randy Weeks of Granite City; a sister, Mrs. Vera Yurgitis of Riverside, Calif.; and one grandchild.

Funeral services were held here today. Details are given in the obituary column.

David Mundy, 14, of 3801 Lake Drive, Pontoon Beach, told authorities that a man struck him and then stole his belt and identification card during an identification at Grigaby Junior High School on Gargill Road at 4:30 p.m. Monday.

Mundy and two friends left the Pontoon miniature gold course and game room on Pontoon Road and walked to

Boy hit, robbed

Grigaby. A car backed across the field at a high rate of speed and stopped by them. The driver then got out of the car and struck Mundy with his fist on the face.

The man then ordered Mundy to remove his belt and to show identification. He took both, got back into the car and drove from the scene.

EXPERT APPRAISING.
MORRIS REALTY CO.

Anna Steinman, 74, dies

Miss Anna Steinman, 74, of 1508 Seventh St., a lifelong resident of Madison, died at 7:15 p.m. Tuesday at St. Elizabeth Hospital.

She was a member of St. Mary's Roman Catholic Church in Madison.

Miss Steinman had been employed for 48 years at the Miles Laboratories prior to her retirement. She had been ill for six months and was hospitalized

for one day. Survivors include three sisters, Miss Sophie Steinman of Madison, Mrs. Lena Roseberry of Granite City and Mrs. Catherine Bennett of Tennessee.

She was preceded in death by three brothers, Edward, Frank and William Steinman.

Funeral arrangements are given in the obituary column.

UNDERCOATING—RALPH'S TEXACO 22nd & MADISON AVE.

Mrs. Hazel Piro, 50, dies

Mrs. Hazel J. Piro, 50, of 108 Cutter St., East Alton, a nurse at Prather Junior High School, died at 8:45 p.m. Monday at St. Anthony's Hospital, Alton. She had been ill since February.

A native of New Bloomfield, Mo., Mrs. Piro had resided in East Alton for 25 years. She had been employed as a school nurse with the Granite City School District for 10 years.

A member of St. Kevin Catholic Church in Alton, Mrs.

Piro also belonged to the Rotary Club of Alton. Survivors include her husband, Charles Piro, one daughter, Ms. Susan Jernigan of Granite City; two sons, Gerald Kemper of Bethalto and Darryl Kemper of East Alton; a stepdaughter, Peggy Ann Piro of Columbus, Ohio; and three brothers, Harold Craighead of Fulton, Mo., Kenneth Craighead of Jefferson City, Mo., and Owen Craighead of

DAMAGE AT TAVERN

A concrete block was thrown through a plate-glass window at the Home of the Blues Tavern, 1539 E. 20th St., between 2 a.m. and 6 a.m. Tuesday. The block broke the 5-foot-square window and landed on a counter inside.

Seattle, Wash. Funeral services were held at 9 a.m. today at St. Kevin Catholic Church, with the Rev. Frank O'Hara officiating. Burial was in Rose Lawn Memorial Gardens, Bethalto.

Smoke from fire covers highway, 7 cars collide, 9 persons injured

Nine persons were injured in a seven-car chain-reaction accident on Route Three south of North Street at 3:55 p.m. Monday.

Madison County sheriff's deputies blamed the accident on dense smoke from a field fire

nearby which prevented drivers from seeing other cars. Deputies said the northbound car of Norman Sanders, 29, of 1640 Maple St., encountered the heavy smoke and slowed because the driver could not see the roadway. It then was struck

from behind by the station wagon of Roxanne White, 25, of 2724 Harding Blvd. Other northbound vehicles which piled up behind them were driven by Harry Sharp, 50, of 2617 Hemlock Ave., Charles Fabst, 46, of Box 371, Franklin

Ave., Marvin Garin, 65, Hazelwood, Mo., Stanley Lynd, 61, of 2126 Hamilton Drive, and Dianne Ratliff, 33, of 507 Meador Ave., Venice, Mo. Granite City ambulances and fire trucks were called to the scene and several persons were taken to St. Elizabeth Hospital. Others later drove or were taken to the hospital, and all were released after treatment.

Granite City police also were called to assist and sent two cars to the scene. Additional assistance was requested by the city police at 5:10 p.m. as clean-up operations continued. Firemen extinguished the weed fire.

Sanders was treated at the hospital for lower back pain and a possible strain. Richard White, a passenger in Roxanne White's station wagon, suffered a cut to his forehead.

Roxanne White also was injured and was taken to the hospital.

Sharp suffered an abrasion to his chin and Fabst had a neck injury. Mary Rainey, 40, of 1730 Chestnut St., a passenger in Fabst's station wagon, also suffered a neck injury.

Garin had abrasions to his chin and left index finger and pain to his back. All were X-rayed and then released.

Listed as having injuries which did not require hospital treatment were Lynd and Dianne Ratliff.

Tax, tenant instruction

"Income Tax Preparation Made Easy" will meet Mondays, beginning Oct. 16, from 6:30 to 8:30 p.m. in Room 2408 of Peck Classroom Building at SIUE.

The five-week course will help the individual prepare his or her own tax return. David Davidson, visiting lecturer in the department of accounting and finance, will instruct the course. Fee is \$24.

"Parliamentary Procedure" will meet Mondays for three weeks, beginning Oct. 23 in Room 14 of Peck from 6:30 to 8:30 p.m. Fee is \$15.

The class will examine basic elements of organization and preparation for group meetings, procedures and tools useful in conducting meetings. Chuck McKinnon, staff assistant in the Office of the General Counsel, will instruct the course.

"Landlord-Tenant Relations" will deal with the creation of leases, subleases and assignments; security deposits; and housing code violations. The three-week course will meet Thursdays, beginning Oct. 19, from 7 to 8:30 p.m. in the Conference Room of the Tower Lake Commons Building. Fee is \$10.

Pre-registration for all courses is necessary. Registration is directed to the Office of Conferences and Institutes, Box 36, Southern Illinois University at Edwardsville, Ill. 62026.

BREAK INTO HOME Granite City police searched the home of Ann Colley, 2705 Dale Ave. at 5 p.m. Monday after the resident returned home and found a door open. There was no one inside, and nothing is known missing. A window was believed jimmied open to gain entry.

KIRKPATRICK BURGLARY About \$120 cash, \$50 worth of food stamps and some medicine were stolen during a burglary at the home of Ann Nabzajko, 1310 Kirkpatrick Homes. It was discovered at 4 p.m. Thursday. There were no signs of forced entry.

Consult

Tom Ross

about this question: "I am highly pleased with my Homeowner Policy. Is such a package policy now available to motel owners, covering practically every kind of property damage plus liability and theft coverage for guests?"

Miss Bergfield shower honoree

Miss Nancy Bergfield was complimented at a bridal shower, last week, given in the parish hall of Concordia Lutheran Church.

Hostesses included Lori and Linda Bergfield, Karen Schneider, and Vicki Pfeiffer. Pastel blue and darker blue motifs were used for the table decorations. After the honoree opened her gifts, games were played and prizes awarded to the winners.

The hostesses served refreshments to about 50 guests who attended.

Miss Bergfield will be married on Nov. 11, to Russell Presswood at Concordia Lutheran Church.

Brownie Sarah Frey named top salesman

Brownie Troop 441, sponsored by Emerson School PTA, attained a sales record this year by selling a total of 2,124 boxes of cookies, according to the announcement by the leaders.

Sarah Frey was named top salesman for selling 299 boxes this month. Delivery date will be Nov. 15, it was noted.

Serving as leaders are Linda Holtgrave, Carol Converse, Linda Ward, Denise Coats and Lynn Ross.

Troop members participating in the project were Terri Holtgrave, Tara Converse, Michelle Ward, Angel Creek, Nicole MacLaughlin, Patricia Fisher, Jerin Skouby, Tina Henderson, Stacie Hewlett, Sabrina Paul, Susan Murphy, Dawn Jones, Cindy Gerard, Missy Copeland, Kristine Stenberg, Tammie Wickham, Karie Hewlett, Cari MacCallister, Tracy Wilkins, Ida Manninger, April Conner, Kathy Rowan, Stephanie Stevenson, Carrie Ross, Cindy Stevenson, Jennifer Hagnauer, Melissa Holmes.

MARRIAGE LICENSE

A marriage license has been issued in St. Louis to E. A. Dowdy and C. L. Angle, both of Granite City.

BUSY HANDICRAFT WORKERS. Granite City Junior Service members creating handmade straw holiday wreaths decorated with pine cones and gaily red plaid ribbons in the home of Mrs. Jo Ella Harris, 2300 St. Bernard Ave. The wreaths and many other items will be for sale at the annual Card Party and Bazaar sponsored by the club, and set for 7 p.m. Thursday, Oct. 26, at the Knights of Columbus Hall, 21st Street and Edison Avenue. Chairman of the fund raising event are Mrs. Gail Mofsky and

Mrs. Brenda Weckman. Tickets costing \$1.50 may be purchased from any club member in advance or at the door and entitles the patron to admission to the card party, a table prize, and dessert and coffee. There is no admission charge for area residents to visit the bazaar displays, according to the chairman. From left is Donna Price, Joan Wachter, Mrs. Harris, Linda Gordon and Pam Reed.

Honor Business Women

In honor of America's working women, who comprise 41 percent of the employed population and contribute substantially to a sound economic structure, the week of Oct. 15 through Oct. 21 has been designated National Business Women's Week.

The Granite City Business and Professional Women's Club plans to observe the special

week with several activities, starting with breakfast Sunday morning at 9 o'clock at Burns Cafeteria, 1218 Nineteenth St. The members then will attend 10:30 a.m. worship services with Lois Wetton, BPW president, at First Assembly of God, 24th Street and Grand Avenue.

Other events scheduled to mark the occasion, include: Monday, Oct. 16 at 7:30 p.m. — A membership orientation meeting at Granite City Moose Lodge, 19th and Adams streets, under the direction of Ruth Walk, membership chairman.

Tuesday, Oct. 17 at 7:45 p.m. Attend the Granite City Council meeting at City Hall, with arrangements being made by Wilma Large.

Wednesday, Oct. 18 at 7 p.m. — Dinner and business meeting at Mr. Yac's Restaurant.

Flourissant, Mo., with Mildred Meehan, legislative chairman, in charge and Madison County Assistant State's Attorney Stephanie Robbins as guest speaker.

Thursday, Oct. 19 at 7 p.m. — Entertain residents of the Anchorage Homes at the Anchorage Recreation Center, with Gladys Newman, project chairman.

Friday, Oct. 20 — Members to attend BPW Legislative Conference at the Holiday Inn East, 3100 South Dirksen, Springfield.

Saturday, Oct. 21 at 8 a.m. — BPW members driving to state conference will form a motor caravan to State Capitol Building to meet Governor James Thompson, 10 a.m. — Legislative Conference call to order at Holiday Inn East, Springfield.

Spiderman party for Brian Grimes

Brian Grimes, a kindergarten pupil at Parkview School, was honored at a party this week given by his parents, Mr. and Mrs. Thomas Grimes, 3111 Maryville Road, at their home. Games were played and refreshments were served by the hostess, assisted by Vicki and Cindy Kingston, neighbors of the Grimes family.

Dinner and business meeting at Mr. Yac's Restaurant.

Prizes at games were won by Robbie Saggio, Larry Harvey Jr., Jeffery Rosenberg and Angela Stephens.

Other guests were Carrie and Sonny Higgins, Jeffery Stephens, Kathy Grimes, Sandy and David Stover, Becky White, Barbara Harvey, Tammy Jones, Carl Cox, Ryan Mueller and Michelle Cox.

REINHARDT—Realtor
Sells—BETTERLIVING

Service is topic of Pi Eta meeting

Mrs. Kathy Welch, 2113 Hamilton Ave., hosted a meeting of Pi Eta Chapter of Beta Sigma Phi Sorority, Monday night, and led a group discussion on "Service To Our Community" as the program for the evening.

President Mrs. Waneta Graham conducted the business session and reports were submitted by Donna Yehling, secretary, and Betty Beck, treasurer.

Plans are finalized for a chili supper for members, husbands and guests set for Nov. 4, in the home of Mrs. Judi Olesky in Collinsville.

Mrs. Janice Noland was selected as the chapter sweetheart and will represent Pi Eta at the sweetheart dinner dance sponsored by the Sorority City Council. The social affair will be held on Nov. 17, at Lewis and Clark Restaurant, it was noted.

The chapter's nursing home project, was reviewed and

discussed by Mrs. Noland. She said 13 patients will be remembered with gifts and other items and visited during the year by chapter members.

A visit to the Granite City Public Library to participate in a program on "Learning to Learn" will highlight the Oct. 23 meeting. Mrs. Noland will serve as hostess and after the meeting a social will be held, according to an announcement by the president.

Others attending were Kathy Welch and Judi Olesky.

PONTON MEETING SET

The Pontoon Beach City Board met briefly Tuesday night to conduct routine business, and then adjourned to 10 a.m. Saturday to study a consulting firm's report on the village which was not available in time for the regular meeting.

Senior citizens visit Ozarks

A group of local senior citizens returned Tuesday from a bus trip and tour of the Missouri Ozarks, arranged by Mrs. Dorothy Bridiek. George Blankenship was the driver for the excursion.

They stayed in Kalfrin Lodge in Osage Beach on Dragon Lake, which is 129 miles long and has a 1,376 mile shoreline. A bus tour was taken through the country side to view the fall color foliage and in Tusculum, Mo., they stopped for lunch at Big Mama's, a tourist attraction.

The vacationists continued to the Ozark caverns and were told they were the last group to tour the caverns before it becomes government property. Other activities included attending a performance of the Denny Hilton Country Shindig Show, a trip to Bagnell Dam where they boarded the Tom Sawyer cruise ship, and High Hill, Mo., for a tour of Kelsey Antique Car and Music Box attraction. The final visit was in Poverty Flats, Mo. to browse through the Ozark Candy Shoppe.

Those attending were Mrs. Bridiek, Irene Kadane, Julia Mainor, Helen Bergfield, Barbara Dudak, Marion Ropac, Evelyn Blattner, Mary Venorsky, Deloris Klesh, Frances Zabotka, Clara Schilling, Frances Baker, Ann Wallus.

Evelyn Smith, Alice Nomm, Evlyn Wedler, Juanita Veizer, Opal Clements, Helen Valcoff, Kate Smith, Kathryn Smithson, Mr. and Mrs. Joel Pierce, Mr. and Mrs. Art Bernacchi, Mr. and Mrs. Fred Aldridge, John Polson, George Gocheff.

Lucille Rhodes, Josephine Kneese, John Kruse, Alice Cruse, Ruth Owens, Clora Taylor, Marie Isenburg, Dorothy Ebrecht, Leona Herbert, Mary Hogan and Lucille Etheridge.

McCosky-Downs engagement

Mr. and Mrs. Utah Downs, 4307 Kirkpatrick Homes, are announcing the engagement of their daughter, Miss Minnie L. Downs and David T. McCosky.

The prospective groom is a son of Mrs. Esther McCosky, 2818 Victory Drive, and the late Robert P. McCosky.

Miss Downs is a 1975 graduate of Madison High School and is attending Belleville Area College where she is majoring in Law Enforcement.

Her fiancé was graduated in 1975 from Gillespie High School and is currently employed at Contemporary Homes in Pinckneyville, Ill.

The engaged couple and their families are completing plans for a June 1 wedding.

FORMER RESIDENTS

ANNOUNCEMENT 1ST CHILD. Announcement is being made by Mr. and Mrs. Richard Hoem, Decatur, Ill., of the birth of their first child, a boy, on Tuesday, Oct. 10, at the Decatur Memorial Hospital.

The new arrival has been named Kevin Richard and weighed eight pounds, seven ounces.

Mrs. Hoem is the former Susan Mertz, a daughter of Mr. and Mrs. Clyde Mertz of Granite City. The paternal grandmother, Mrs. Elona Hoem, resides in Westchester, Ill.

BETROTHED. Miss Minnie L. Downs and her fiancé, David T. McCosky. Her parents, Mr. and Mrs. Utah Downs, 4307 Kirkpatrick Homes are announcing their engagement and plans for a June 1 wedding.

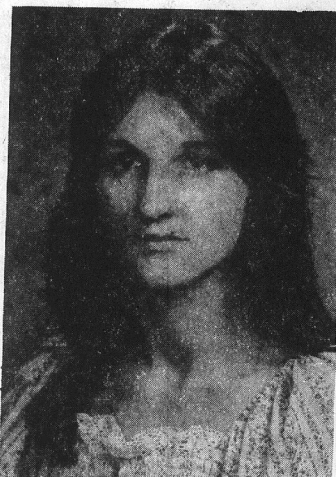

Club donates to soccer light fund

The Lincoln Place Mother's Club meeting at the Community Center was called to order with the recitation of the pledge of allegiance to the flag.

Mrs. Anna Veloff made her report to the membership on the success of the club project on aiding in the screening of children for lead poisoning.

A short business meeting was held, and the following new members were introduced: Marie Boyd, Maggie Buckingham and Bertha Kichler. The membership voted to contribute \$25 to the lighting fund of the soccer field at South High School. Mrs. Linda Garcia was appointed chairman of the club Christmas pot luck to be held at the December meeting.

Lennie Lore and Josephine Vangel were honored with a birthday gift. Games were played and prizes won by Marie Boyd, Linda Garcia, Anna Kuruz, Verna Michel, Lennie Lore, Dorothy Petrella and Anna Veloff. Special prizes were won by Verna Michael and Mary Andria.

MRS. JOSEPH W. HELTON, the former Miss Nannette Christine Robeff, who was married on Sept. 23 by the Rev. Austin Fisher, 1616 Ferguson Ave., in a lawn ceremony at his home. The bride is a daughter of Mr. and Mrs. Carl Robeff, 4027 Melrose Ave., and the groom is a son of Leo Martin, 839 Thorngate Drive.

MR. AND MRS. GEOFFREY LUX. They were united in marriage in an afternoon ceremony at St. Mary's Roman Catholic Church in Madison. The bride is the former Miss Alexis Frances Rozycke, a daughter of Mr. Alexander J. Rozycke of Madison, and the late Alexander J. Rozycke.

St. Mary's Church scene of Lux-Rozycke wedding

Brass urns holding arrangements of pink carnations and white mums on either side of the altar and bouquets of pink carnations, white Pom poms, and baby's breath with greenery, on the altar provided the setting at St. Mary's Roman Catholic Church in Madison, for the wedding on Sept. 9, of Miss Alexis Frances Rozycke and Geoffrey Mark Lux.

Father Conrad Motola performed the nuptial mass and double ring ceremony at 2 o'clock in the afternoon.

The bride is a daughter of Mrs. Alexander J. Rozycke of Madison, and the late Alexander J. Rozycke. Parents of the groom, Mr. and Mrs. Gerald Lux, reside at 2578 E. 27th St.

A program of organ music was played by Jim Havranek, who also accompanied the soloist, Mrs. June Branding. Selections included "If," "The Wedding Song," "Evergreen," "Ave Maria" and "You Light Up My Life."

The white carpeted aisle was illuminated with candles in hurricane lamps, festooned with white satin bows, pink carnations and greenery.

Given in marriage by her uncle, Victor Mance, the bride chose a white silk organza gown with a modified Empire English lace over the bodice and high neckline and the lace motifs were repeated on the slender sleeves.

Lace appliques accented her skirt and edged the chapel train. She wore a fingertip veil bordered with Alencon lace secured to a lace and jewel headpiece. She held an old-fashioned bouquet of fresh and silk flowers consisting of red and pink roses, pink fiji mums, pink and white carnations, gardenias, lily of the valley, orange blossoms, stephanotis, statice and baby's breath.

Maid of honor was Miss Chris Lawanas and the bridesmaids included Mrs. Carole Lux, a sister-in-law of the groom, Miss Lynn Jacksmeyster and Miss Mary Jo Lux, a cousin of the groom.

They wore off the shoulder full length pink chiffon gowns with tiny shoulder straps. A wide ruffle covered the bodice, and a fabric rose enhanced the left shoulder. The hemline of

their skirts were encircled with flounces. Each attendant carried a nosegay of pink carnations, red roses and baby's breath centered in a garland of white lace and pink ribbon streamers. They wore matching halos of silk flowers and baby's breath in the hair.

The groom chose his brother, Greg Lux, as best man. Groomsmen and ushers included Gerald and Tim Lux, the groom's brothers, James Koeck, and Ron Kelih, the bride's cousins, and Robert Hollenbeck, a cousin of the groom.

Attending the guest book was Barbara Jean Franck, and rice packets were distributed by Ashley and Allison Graham, cousins of the groom.

For her daughter's wedding, Mrs. Rozycke chose an apricot full length chiffon gown fashioned with a V-neckline and softly pleated bodice accented with seed pearls, bugle beads and iridescent jewels covered with a chiffon capelet.

Mrs. Lux, mother of the groom, selected a sleeveless mint green chiffon dress with a flowing skirt, Empire waistline, and a chiffon panel gathered on each shoulder that cascaded down the back of the floor length gown. They both wore wristlets of cymbidium orchids and roses.

The rehearsal dinner party was hosted by the groom's parents at the Round Table Restaurant, Collinsville, the evening before the wedding.

Guests greeted the bride and groom at an afternoon reception held at St. Mary's Parish Center from 3:30 to 7:30. Music was furnished by the Good Times Band. In the evening a buffet supper and dance was held for over 600 guests. Music was by the Remede Band.

After a two week wedding trip to Hilton Head Island, S.C. the couple are now residing in Madison.

The former Miss Rozycke is a 1975 graduate of Assumption High School in East St. Louis. She will continue her studies at SIU in Edwardsville, as a junior majoring in English.

Her husband, a Granite City South graduate is also a 1976 graduate of SIUE, where he received his degree in Business Administration and Marketing. He is employed as an Underwriter for Home Insurance Company, in Clayton, Mo.

MR. AND MRS. NADER SOLTANI. They were married in the Church of God, 1205 West Pontoon Road, in an evening ceremony. Formerly Nancy Ellen Kee, the bride is a daughter of Mrs. Jean Kee and Jesse Key, both of Granite City.

Nancy Ellen Kee and Nader Soltani are wed

Miss Nancy Ellen Kee became the bride of Nader Soltani in an evening ceremony, on Sept. 16, at the Church of God, 1205 West Pontoon Road. Officiating at the 7 o'clock double ring ceremony was the Rev. O. J. Cloninger.

The bride is a daughter of Mrs. Jean Kee, 4060 Kathy Drive, and Jesse Key, Rural Route Two, Granite City. Parents of the groom are Mr. and Mrs. Nasroolah Soltani of Tehran, Iran.

Nuptial selections included "Colour My World," "Sunrise, Sunset" and "The Lord's Prayer."

For her wedding, the bride selected a full length ivory silk gown fashioned with a high stand up collar and sheer yoke designed with a V style accented with Alencon lace. The softly shirred bodice was marked at the waistline with lace and reembodyered roses. Matching lace motifs enhanced the full bishop sleeves and the long skirt and cathedral length train.

Her double veil of ivory bridal illusion was held in place with a lace camelot headpiece, and she carried a colonial bouquet of white roses, blue forget-me-nots and pink baby's breath, tied with ivory satin streamers. The groom's sister, Mrs. Reza Naderesh Rihai, was matron of honor. Another sister, Miss Nadia Soltani and Miss Melodie Kee, the bride's sister, served as bridesmaids.

They were attired in old

fashioned style dresses created in a dusty rose background fabric and embellished with large cabbage roses in shades of pink and blue forget-me-nots.

The gowns were fashioned with fitted bodices, trimmed with matching ruffles, high collars, long sleeves and full skirts ending with gathered flounces.

Each attendant wore a wreath of silk flowers in her hair and they held a rose in matching hue, festooned with pink streamers.

Erica Rigel and Randy Odom served as flower girl and ringbearer. She was dressed in a wine silk frock featuring a ruffled neckline, long sleeves edged with a ruffle and ivory lace and full skirt encircled with a gathered flounce. She carried a nosegay of multi color pink silk flowers.

Attending the groom as best man was Reza Rihai, a brother-in-law. Groomsmen were Jeff Kee, a brother of the bride, and Bob Peachey.

Seating the guests were Shane Robins and Kamrsh Shallah. Immediately following the service a reception was held at the American Legion Hall in Granite City, and the rehearsal dinner was given at Sonnie and Chars Restaurant, in Collinsville.

The bride attended North High School and the groom is a student at Southern Illinois University at Edwardsville.

Twirling classes begin Wednesday

Youngsters interested in learning basic twirling may register for the fall/winter series of lessons between 9 a.m. and 4:30 p.m. weekdays at the Wilson Park office.

The lessons will take place each Wednesday, starting Oct. 18, at the Nameoki Recreation Center, Ames and Franklin avenues.

Class starting times will be assigned upon registering, a

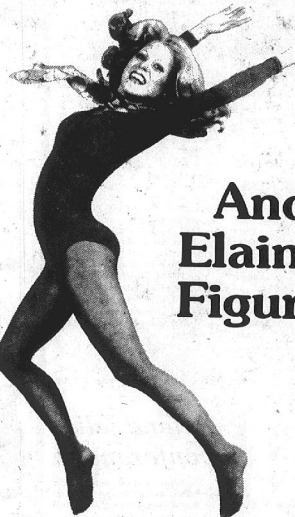

park district spokesman advised. The instruction series will continue through March 1979, when students will have an opportunity to perform in the annual "Winter Carnival" that climaxes all Granite City Park District fall and winter programs.

Girls may wear shorts or slacks to the classes, the spokesman said.

Dochwat-Burns nuptials at St. Joseph Church

MR. AND MRS. NICK P. DOCHWAT. They were united in marriage in an afternoon ceremony at St. Joseph's Roman Catholic Church. Formerly Miss Mary Kathleen Burns, the bride is a daughter of Mr. and Mrs. Donald E. Burns, 2330 Edison Ave.

PHYSICAL FITNESS award winners honored at the Cub Scout Pack 46 meeting held at Nameoki School. The boys earned the awards at competition in August and will advance to the Cub Scout Olympics this month. From left, Jeff Isenburg, Kenny Beljanski, Jonathan Goode and the cubmaster, Jack Dawson.

Cub Pack 46 enrolls 17

In keeping with the October theme of "Be Fire Safe" members of Cub Scout Pack 46 of Nameoki School finalized plans to visit the main fire station this month, at a meeting held in the school cafeteria.

Preceding the business session and awards presentation, a pot/luck dinner was hosted for the scouts and parents.

The Webelos Den was in charge of the presentation of the flag and leading the welcoming song.

Cubmaster Jack Dawson welcomed 17 new scouts and six new leaders and presented the new enrollees with Webelos, Bear and Wolf books.

He also presented advancement awards in an August physical fitness competition.

Honored were Kenny Beljanski in the 8-year-old division, Jeff Isenburg in the 9-year category and 10-year-old Jonathan Goode. The boys will represent the pack at the Cub Scout Olympics at SIUE, it was announced.

A skit was presented by Den Two under the direction of Mrs. Jane Isenburg, den leader, at the close of the meeting.

Register now for Tap-Ballet class

Top and Ballet classes for beginners will start Tuesday, Oct. 17, at Nameoki Recreation Center, Amos and Franklin avenues.

Sessions also will be offered children who have taken previous dance instruction.

The Granite City Park District program is open to youngsters from kindergarten age through the sixth grade level.

Parents may register pupils this week at the Wilson Park office when starting times for classes will be assigned.

The program is free to residents of the Granite City Park District. Non-residents are required to pay \$7.50 for the series of lessons.

CYNTHIA FREEMAN IS HOSPITALIZED
Miss Cynthia M. Freeman, 3419 Lydia Lane, is a patient at the Lutheran Medical Center, St. Louis, where she has undergone major surgery, according to a family spokesman.

Miss Mary Kathleen Burns, a daughter of Mr. and Mrs. Donald E. Burns, 2330 Edison Ave., became the bride of Nick P. Dochwat, a son of Mr. and Mrs. Pete Dochwat, 3013 Dale Ave., on Sept. 2, at St. Joseph's Roman Catholic Church.

Father Jim Wasser performed the double ring ceremony at 2 o'clock in the afternoon before an altar adorned with bouquets of blue and white flowers arranged with ferns and palms.

Satin bows and sprigs of greenery decorated the pews. Organist Jack Jenkins accompanied Mel Delarouette as he sang, "Evergreen," "Morning Has Broken," "Colour My World," "In Remembrance" and "Ave Maria."

Escorted down the white carpeted aisle by her father, the bride wore a formal length white organza gown fashioned with a lace Empire bodice with a high neckline. Chantilly lace motifs accented the sheer sleeves which terminated with flare cuffs.

Pearled appliques enhanced the front of the skirt and marked the acordion pleated flounce which encircled the hemline of the skirt and detachable train.

Her fingertip veil was bordered with scallop lace and was secured to a lace and pearl Juliet cap. She held a colonial bouquet of white roses, blue daisies and baby's breath enhanced with Chantilly lace and trailing satin streamers.

Matron of honor was Mrs. Lynn Canada, a sister of the bride, and the bridesmaids included Miss Melanie Rees and Miss Jeane Grimes.

They chose identical style dresses in French blue chiffon, designed in an A-line style with fitted bodices and tiny shoulder straps trimmed with embroidered ruffles that was repeated on the hemlines.

Each attendant wore a headpiece of daisies and baby's breath and they carried nosegays of daisies and baby's breath intermingled with variegated greenery and Chantilly lace.

Rob Canada, a nephew of the bride, served as ringbearer.

Randall Paschdag attended the groom as best man. Kenneth Toothill, John Burdge and Tim and Steve Burns, brothers of the bride, completed the corps of groomsmen and ushers.

For her daughter's wedding, Mrs. Burns chose a peach formal chiffon gown created with long sleeves and a pleated skirt and complimented with a sleeveless lace jacket.

Mrs. Dochwat was attired in a pale blue Qiana floor length dress fashioned with short sleeves and worn with a long

BPW to hear woman attorney

Stephanie Robbins, assistant state's attorney for Madison County, whose record of successful prosecution and conviction of rapists has been commended by state legislators, will be guest speaker Wednesday, Oct. 18, at the Granite City Business and Professional Women's dinner meeting.

The 6:30 p.m. dinner will take place at Mr. Yac's Restaurant, 427 Dunn Road, near Interstate 270 and S. Graham Road, Florissant, Mo.

The local BPW's annual

"Legislation Dinner" is part of National Business and Professional Women's Week activities. Reservations currently are being accepted by Mrs. Mildred Mehan, dinner chairman, at 452-7104, between 9 a.m. and 4:30 p.m.

All working women in the Quad-City area are invited to attend the dinner meeting, whether or not they are club members.

The program will reflect important topics of vital interest to all in the area of

legislation, Mrs. Lois Wetton, BPW president, said.

The guest speaker received her law degree from St. Louis University in 1976.

In the fall of 1976, she became the first woman assistant state's attorney in Madison County, working in the Criminal Felony Division.

Mrs. Robbins also holds a Ph.D. in Spanish from the University of Texas. She earned her doctoral degree in 1971.

The attorney was a seminar leader in the recent "Women Involved" workshop program,

sponsored at Granite City High School South by the local business and professional women's group.

APPOINTMENT CARDS
Appointment cards for SIUE winter quarter registration may be picked up at the enrollment office beginning Monday, Oct. 16, at 8 a.m. To obtain an appointment card, students must have in their possession their most recent fee receipt card (No. 3 card).

Slimettes to start

Slimette classes for women will begin next week at the Nameoki Recreation Center, Amos and Franklin avenues, with the first evening session scheduled Tuesday, Oct. 17, at 7:30.

A morning session is planned each Thursday, starting Oct. 19, from 9:30 a.m. until 11 a.m. The evening class will conclude at 9:30 p.m.

The "tone up and slim down" program through organized activities and exercise is proving more and more popular each year, Harold Brown, Granite City Park District superintendent, pointed out.

Only a limited number can be accommodated in each class, he said.

Registration for either the morning or evening series is taking place this week at the Wilson Park office on a first come, first serve basis.

Those taking part here required to be 18 years or over, Brown said.

He emphasized that a non-resident's fee of \$15 will be charged persons living outside the park district's boundaries.

UNDERCOATING—RALPH'S TEXACO, 22nd & MADISON AVE.

Cub scouts pick apples and picnic

Niedringhaus School Cub Scout Pack 12, went apple picking Sunday to Echer's Orchards in Grafton. After apple picking the cub scouts and their families went to Pere Marquette State Park and had a wieners roast and toasted marshmallows over an open fire. Games were played and the day was enjoyed by all.

New officers for Pack 12 are, Don Smith—cubmaster, Sam Stephenson, secretary, Don Hagen—treasurer, Vasil Vangel—committee chairman. Den leaders are Den One—Don Smith assisted by Jennifer Smith and Terry Rea; Den Two—Martha Bailey assisted

by Marcella Vangel and Becky Tutka; Den Three—Joyce Edwards assisted by Marilyn Bodman; Webelos leader Mike Jaycox—assisted by Bud Parks. At the regular committee meeting plans were made for the Halloween party to be held at Niedringhaus School on Oct. 26, at 7 p.m. All cub scouts and Webelos are to come in costume to attend. There will also be a ribbon awarded for the "apple bobbin" contest. This month Den Two will be in charge of refreshments.

Mitchell seniors plans bake sale

The newly organized Mitchell Senior Citizen Club will hold its first fund raising project Friday and Saturday, Oct. 12-14, with a bake sale at Tri-City Grocery Store in the Bellemore Shopping Center.

President Fred Segar announced the event will be from 9 a.m. to 5 p.m. both days.

Senior citizens residing in the Mitchell area are invited to attend the monthly meeting held on the last Thursday of each month at the Chouteau Township Hall, the president added.

Baker-Hindman betrothal told

Former Granite City residents, Mr. and Mrs. Henry E. Hindman, who now reside at Rural Route Six, Edwardsville, are announcing the engagement of their daughter, Miss Donna Sue Hindman to Robert William Baker Jr., of Eldorado.

The groom-elect is a son of the Rev. and Mrs. William Robert Baker Sr., of Chicago. Plans are being completed by the betrothed couple for a wedding on Nov. 25 to take place at the Church of God, 1205 West Centon Road, with the Rev. David Hindman and the Rev. Baker officiating.

Miss Hindman is a graduate of South High School and the West Coast Bible College in Fresno, Calif. She is presently employed at Southwestern Bell Telephone in St. Louis.

Her fiancé was graduated from Eldorado High School, and also from the West Coast Bible College. He is an employee of Southwestern Bell Telephone.

Circle 835 elects officers

Dorothy Hoebeck reviewed the events of the international convention of the Daughters of Isabella held in Cincinnati, Ohio, at the October meeting of Circle 835 at the K of C Hall. Dell Miller accompanied Miss Hoebeck to the convention, it was announced.

Mrs. Josephine Knezevich led the opening prayer and Mrs. Florence Portell presided.

Plans were made to attend the diocesan workshop in Mattoon, and those attending will be Vera Carey, Grace Range, Clara Schilling, Irma Manning, Dorothy Hoebeck and Florence Portell.

Communications from state headquarters were read by Regent Florence Portell concerning future workshops to be combined with other circles in Illinois.

Election of officers was held and the following were named to lead the circle in 1979: Regent, Dorothy Hoebeck; vice-regent, Vera Carey; past-regent, Marionne Lambert; financial secretary, Grace Range; treasurer, Irma Manning; recording secretary, Mary Horvat; scribe, Clara Schilling; monitor, Ann Pare; first guide, Martha Kozuszek; second guide, Wilma Mance; banner bearer, Ann Mokri; outer guard, Dell Miller; inner guard, Stephanie Ruzic; custodian, Frances Baker; chancellor, Josephine Knezevich; trustees, Celi Mance, Bernice Crummins, Birdell Goeller and organist Dorothy Bridick.

Celebrating birthdays for October were, Frances Baker, Dell Miller and Lee Reilly.

Refreshments were served by hostesses Marionne Lambert, chairman, Ann Kientzy, Clara Judd, Mary Kastelle, Delores Klesh, Mildred Kraus, Josephine Knezevich, Martha Kozuszek, Veronica Kula and Mary Lahey.

Games were played with prizes given as prizes.

Candidates speak at seniors meet

President Ruby Corbitt opened the Kirkpatrick Golden Age Circle Club meeting with the introduction of the following guests: Rev. and Mrs. Dale Edwards of the First Assembly of God Church, Emil Tofian, Everett Steele, Sam Wolf, Senator Sam M. Vadalabene, Nelson Hagnauer, Circuit Judge William Johnson, Neil Hamilton, who represented Joe Lucio, William Webb, David Morgan, Mrs. Judy Cohn, who spoke for her husband Gerald Cohn and Gentry Massey. Each candidate gave a brief talk about the offices for which they are seeking.

Rev. Edwards offered the invocation, followed by a dinner served to the club members. Tables were decorated with yellow, orange and brown floral arrangements.

Mrs. Corbitt announced the nominating committee, Mr. and Mrs. Arthur Lindner and Mrs. Grace Paddock will have a slate of new officers for the year at the next meeting. She also read a letter from Hagnauer, inviting all senior citizens to a Halloween party at the Township Hall on Monday, Oct. 30, from 7 to 11 p.m. There will be bus transportation for all who need it. Prizes will be awarded for costumes. Music for dancing will be furnished for the evening.

On Friday there are games and free movies, Mrs. Corbitt added. Hostesses for the day were Tom and Juanita Crawley, Caroline Lux, Gladys Filter, Edith Young, Alva Stearns, Edgar and Grace Paddock and Cleveland Cox.

Mrs. Ruth Purkey was honored on her birthday with a cake presented by her grandsons. Games were played and prizes awarded to Arthur Lindner, Della Hagen, Arthur Rankin, V. Lindner, Ethel Stark and Mrs. Purkey.

Mrs. Weir helped organize and is a charter member of the G.A.D. Credit Union, and served as its first secretary. In 1963, 1966, and 1969, she was the local nominee for the St. Louis area. She also was the depot's candidate in 1960 and 1968 for the annual federal women's award held in Washington, D.C., for outstanding achievement in women in the federal career service.

Mr. and Mrs. Weir attend

TO MARRY, Miss Donna Sue Hindman and Robert William Baker Jr. Their engagement is being announced by her parents, Mr. and Mrs. Henry E. Hindman of Edwardsville, formerly of Granite City. A Nov. 25 wedding is planned.

MR. AND MRS. BROOKS WEIR, 3276 Wabash Ave., who will celebrate their golden wedding anniversary at an open house reception Sunday, Oct. 15, at the Granite City Township Hall, 2060 Delmar Ave.

Mr. and Mrs. Brooks Weir to mark 50th anniversary

Calvary Baptist Church where she is a member and also teaches an adult women's Sunday School class. The honorees are members of the American Association of Retired Persons, Inc., and the National Association of Retired Federal Employees, Chapter 1067.

In addition, Mrs. Weir who has been active in civic and charitable organizations, is a member of the Granite City Business and Professional Women's Club. She is a past president of the club having served 2-year terms in 1971 and 1972. She is presently the club parliamentary.

Mrs. Weir is active in District XIV of BFW and has served as secretary, chairman of the bylaws committee and currently is parliamentary.

On the state level, she has served as historian, member of the finance committee, kit chairman for the 1976 state convention and is now on the board of directors of the State Headquarters Fund of the Illinois Federation of BFW Clubs.

She served on the Salvation Army Advisory Board from 1968 to 1977. During her tenure on the board she was elected secretary, member of the finance and public relations committee and chairman of the Senior Citizens committee. In 1970 she assumed the office of chairman of the "Tree of Lights" drive.

Mrs. Weir, as an active member of the Madison County Heart Association, served the organization as secretary and general chairman of the Information and Education symposium held in January 1971. She is presently taking an active part in the Eastern Seal Society of Southwestern Illinois and is block ward for the leukemia, muscular dystrophy and multiple sclerosis fund drives.

Mr. and Mrs. Weir attend

Calvary Baptist Church where she is a member and also teaches an adult women's Sunday School class.

The honorees are members of the American Association of Retired Persons, Inc., and the National Association of Retired Federal Employees, Chapter 1067.

In addition, Mrs. Weir who has been active in civic and charitable organizations, is a member of the Granite City Business and Professional Women's Club. She is a past president of the club having served 2-year terms in 1971 and 1972. She is presently the club parliamentary.

Mrs. Weir is active in District XIV of BFW and has served as secretary, chairman of the bylaws committee and currently is parliamentary.

On the state level, she has served as historian, member of the finance committee, kit chairman for the 1976 state convention and is now on the board of directors of the State Headquarters Fund of the Illinois Federation of BFW Clubs.

She served on the Salvation Army Advisory Board from 1968 to 1977. During her tenure on the board she was elected secretary, member of the finance and public relations committee and chairman of the Senior Citizens committee. In 1970 she assumed the office of chairman of the "Tree of Lights" drive.

Mrs. Weir, as an active member of the Madison County Heart Association, served the organization as secretary and general chairman of the Information and Education symposium held in January 1971. She is presently taking an active part in the Eastern Seal Society of Southwestern Illinois and is block ward for the leukemia, muscular dystrophy and multiple sclerosis fund drives.

Street resurfacing is behind schedule; discourage parking

Weather conditions since Tuesday have forced the Granite City Street Department to set the schedule back for oiling and chipping of streets throughout the city.

Residents are being urged to avoid parking cars on oiled and chipped streets on the days they are to be resurfaced.

On Monday, the street department spread 16,000 gallons of oil and tons of rock chips in the East Granite City area and north of the Granite City Steel Blast Furnace Division. Rain halted the program Tuesday, Wednesday and today.

Tomorrow, it is planned to

start in the area of The Anchorage homes and resurface all oiled and chipped streets in the area bounded by Nameoki Road on the west, the Nameoki Drainage Ditch on the east and Pontoon Road on the north, weather permitting.

If that area is completed on schedule, work will resume Monday, with the Glenview area scheduled for resurfacing. The area is bounded by Terminal Avenue on the south, Pontoon Road on the north, the Nameoki Drainage Ditch on the east and the city limits on the west.

Next Tuesday, all of the city north of Pontoon Road and the

Briarcliff area west of the West Pontoon Road left crossing are scheduled for new street surfaces.

On Wednesday, if the schedule is maintained, all of West Granite City and North Granite City will be oiled and chipped.

Street Supt. Lionel Portell noted that cars left parked on streets being resurfaced may be splattered with oil, as it will be necessary to "go around them."

Work will be done only on oiled and chipped streets. Residents of concrete or blacktop streets need not move parked vehicles.

Portell warned that oiling and

Marvin Douglas, 38, dies today

Marvin Douglas, 38, of Rural Route One, Granite City, died at 9:10 a.m. today at St. Elizabeth Hospital, where he had been a patient for a week and a half. He was employed as a truck driver for Hooten Brothers, Inc., Belleville, and was a member of Teamsters Local 325.

Survivors include his wife, Mrs. Irene Douglas; two sons, Dennis L. Douglas and Ty Lynn

chipping may fall behind schedule. If some streets are not resurfaced on the scheduled day, homeowners should avoid parking vehicles on the street the following day or until the street is resurfaced.

choking. Cheri Thornton, Cottage Hills, told Granite City police that a man had choked her in the 1400 block of 20th Street at noon Wednesday. She escaped and fled into the Grand Cafe to call police.

WOMAN IS CHOKED

The derailment occurred in the switching yards by Paog

Boys questioned in Mitchell derailment

Two boys, ages 14 and 15, are being questioned about a train derailment in Mitchell at 7:30 p.m. Tuesday in which a train car hit a switch thrown the wrong way and jumped the tracks, breaking a rail.

A witness reported seeing two boys climbing on rail cars and trying to open boxcar doors about 4:30 p.m. Tuesday, and contended the boys had pulled switch levers where the car later derailed.

The derailment occurred in the switching yards by Paog

Road, west of Ashland Avenue. The car which derailed carried auto parts and there was no danger, officials said.

A Norfolk & Western railroad detective identified one of the boys involved and asked Madison County sheriff's deputies to assist in questioning the boy in front of his parents.

They talked to the boy and alleged he named another boy as having been involved. The other boy also was talked to, but denied any involvement.

Deputies are continuing their investigation.

Officials have not yet determined the cause of a derailment at 6:20 p.m. Friday near Ashland Avenue west of Route 111 in which two tank cars of liquefied petroleum gas and a boxcar containing sodium and phosphate-based chemicals

were among the cars which left the tracks.

The tank cars contained a total of 61,940 gallons of liquefied petroleum gas, but there were no leaks and the cars were righted by Hulcher Emergency Services while still full of the liquids.

Emergency personnel at the scene reported there were no leaks and said closing of Route 111 or evacuation of nearby homes was not necessary.

The tank cars were enroute to Phillips Petroleum Co. in East St. Louis, and the chemicals were to be taken to the Kraft Co. in Springfield, Mo.

Ted Todaro, Madison County civil defense coordinator remained at the scene during the incident to help guard against any emergency condition.

GC Rotary, federal units share concerns

The goals of Rotary and those of the St. Louis Federal Executive Board (FEB) are quite similar, in that there is a bringing together of persons with different jobs, but common problems and goals, according to Robert Stephens.

Director of the Postal Data Center in St. Louis and chairman of the Community Services Committee of the Federal Executive Board, he spoke at Tuesday's luncheon of the Granite City Rotary Club, held at the YMCA.

According to Stephens, the FEB is made up of the heads of the major federal agencies in the St. Louis metropolitan area. Many of them reside at the Granite City Army Installation.

One aim of the FEB is to bring together the federal community to coordinate effective action in this region. The group also runs a combined federal campaign funds which are then distributed to the United Way and certain united service and health organizations.

The federal drive goal in the greater St. Louis area is \$1 million. The speaker noted there are 38,000 federal employees in the region.

Stephens gave a brief review of the various U.S. agencies. He said the Postal Data Center in St. Louis is the accounting branch for all postal money orders in the continental United States.

Stephens noted that the Air Resource Command stationed at Scott Air Force Base has a worldwide mission, as does the Defense Mapping Agency located in St. Louis.

Community concern is a major emphasis of the FEB, the club was told. Many of the federal agencies become involved in community activities, such as Boy Scouts and Girl Scouts, Stephens said.

Students to obtain data on colleges

With no "college night" planned this year by the South and North high schools, emphasis is being placed on parents' and students' attendance at the St. Louis National College Fair.

Held at the Cervantes Convention and Exhibition Center, 801 Delmar Boulevard, St. Louis, the college fair will be held from 9 a.m. to 5 p.m. and from 6:30 p.m. to 9 p.m. tomorrow, followed by a 9 a.m.-2 p.m. session Saturday.

About 200 universities and technical schools are participating—giving information on programs, facilities, requirements and costs.

Some early student dismissals are being arranged to permit attendance at the fair Friday. Brochures on the event are available in high school guidance offices.

Car hits parked tractor-trailer

Keith Easley, 19, of 2812 National Ave., suffered head injuries when his eastbound auto went out of control, left Route 162 and struck a parked tractor-trailer at the Wagon Wheel Truck Stop at 1:50 a.m. today.

Easley's auto then overturned and rolled into the middle of Route 162. The car was destroyed and there was extensive damage to the tractor-trailer, belonging to Samuel Lutes, West Alton, Mo.

Easley was taken by Granite City ambulance to St. Elizabeth Hospital, where he was admitted with cuts to his forehead and left cheek and possible head injuries. Police charged him with reckless driving.

1550 CB RADIO STOLEN - A citizen band radio and power microphone, valued at \$150, were stolen from the truck of Marshall Hare, 2538 Edwards St., while the vehicle was parked outside Doris' Restaurant, 1820 State St., at 11:30 p.m. Friday.

Steelers down Jacksonville, 3-0

By DOUG IRVIN
of the Press-Record
GRANITE CITY — "We played slightly better here, Monday," commented the Granite City North Steeler soccer head coach Bob Kehoe, "but we're still a long way from normal."

Coach Kehoe and his squad downed Jacksonville by a score of 3-0. It was a very slow game as only a total of ten shots on goal were taken. Eight were by North.

Four regular starters for the Steelers were unable to play in Monday's game due to injuries. They were forward Jeff DeMott, halfback Ken Myracle,

and backs Randy Schrenk and Tom Verdu.

HALFWAY through the first period, Bob "Nose" Batey, a junior at North, took a long pass from Glenn Wedwards and broke away. Batey took the goal when he was one-on-one and shot past him, making the score 1-0.

No one threatened to add to the score in the second period. But, early into the third quarter, Calvin Turner of Jacksonville had an opportunity to score in the game. Turner pulled North's goalie Tony Pierce out of the goal, however, Turner's shot went wide and the score remained unchanged. Batey made the score 2-0 with

his second goal of the day. He capitalized on a long kick by keeper Pierce and went in on the Jacksonville keeper. Batey's shot went to the right side of the goal and into the net. "The South game must have been more out of these kids than I had realized."

"IN A WAY, it might have done us more harm to win the game — we haven't been near the same since then," said coach Kehoe.

WITH THE WIN, Granite North looks on to meet Hazelwood Central on Thursday at the Missouri school. This Saturday, the Steelers travel to Quincy for a rematch with the Raiders of Quincy Notre Dame. North dropped a 3-0 decision to Notre Dame this past

Saturday in a home game for the Steelers. "I realize that we must be up on our game or we could drop both games," confessed coach Kehoe. "The South game must have taken more out of these kids than I had realized."

"IN A WAY, it might have done us more harm to win the game — we haven't been near the same since then," said coach Kehoe.

According to a Cardinal spokesman, Maxvill will work as first base coach and will be responsible for working with infielders, while Schoendienst will be hitting coach and help Cardinal manager Ken Boyer in the dugout.

A special feature on the rehiring of Maxvill is found on Page 26 of today's Press-Record Sports.

Special Feature Page 26 . . .

Maxvill is new Cardinal coach

ST. LOUIS — Granite City native Dal Maxvill has been hired as a coach for the 1979 baseball season by the St. Louis Cardinals. It was announced here Monday.

Maxvill, 39, was an outstanding infielder in the Cardinal organization from 1960 until 1972 and played all or part of 14 seasons in the major leagues, mostly with the Cardinals and briefly with Oakland and Pittsburgh. He participated

in four World Series — 1964, 1967 and 1968 with the Cardinals, and 1974 with Oakland. He was out of baseball following the 1974 season until this past season when he coached for the New York Mets.

A graduate of Granite City High School, Maxvill played in the Illinois Inter City League for several seasons before joining the Cardinals. His parents, Mr. and Mrs. Harold Maxvill, still live in Granite City as do his in-

laws, Mr. and Mrs. Robert Sinclair.

Maxvill is married to the former Diane Sinclair. They have four children.

Also hired as a coach for next season was former Cardinal manager "Red" Schoendienst. He managed the Cardinals for 12 years (1965-1978) and led them to two National League Pennants and one World Series Championship (1967). He has been a coach at Oakland for the past two seasons.

Schoendienst, 55, is a native of nearby Germantown, Ill.

According to a Cardinal spokesman, Maxvill will work as first base coach and will be responsible for working with infielders, while Schoendienst will be hitting coach and help Cardinal manager Ken Boyer in the dugout.

A special feature on the rehiring of Maxvill is found on Page 26 of today's Press-Record Sports.

Soccer Cougars prepare for Akron Zips

By AL BARNES
of the Press-Record
EDWARDSVILLE — The Cougar soccer team and its coach, Bob Guelker, had very little time to enjoy their winning

Hasty to attend SIUE

EDWARDSVILLE — Darrell Hasty, an outstanding wrestler at a high school which has probably produced more mat champions than any other in Illinois, has announced that at Southern Illinois University at Edwardsville, Cougar Coach Larry Kristoff said today.

Hasty, 18, ranked 37th in his graduating class of 530 last June at Granite City South with a grade point average of 4.46. "Hasty will be able to fill the void we had the final half of last season at the 150-pound class," Coach Kristoff said. "We lost three matches because of that shortcoming. Hasty very definitely will help us," Kristoff predicted.

Hasty's credentials are impressive indeed. In his senior year just completed, Hasty posted a 31-3 record. He was the Granite City Holiday Tournament champion, district champion and the sectional champ. In addition, in the Illinois High School meet, he captured third place.

the Seventh annual Illinois Governor's Cup Tournament over the past weekend.

Spoiling whatever feelings of pleasing euphoria they may have enjoyed was the name of

their next opponent this weekend (Saturday) at Cougar Field, the University of Akron Zips. Kickoff time is 1:30 p.m. The Cougars won the Governor's Cup title Saturday with a hard-nosed, bitterly fought 1-0 decision over SIUE's narrow, nail-biting 13 on 10 goals and three assists by booting in the winner at 92:40 into the game on an assist from Tim Guelker.

Whatever feeling of confidence the Cougar's nationally fifth-ranked position or their 7-1 record might give them was chilled more than somewhat by the fact that Akron, just last week, battled the nation's top-ranked team, Indiana University, to a standstill before bowing, 2-1. Just this past Sunday, the Hoosiers defeated St. Louis U., 2-0, at Bloomington.

DARRELL HASTY

Percentage-wise his best record enroute to college was his perfect 22-0 record at 118 pounds in the eighth grade when he won the Illinois junior high school state championship. This past summer, Hasty placed fourth in the Illinois state freestyle event.

Whatever feeling of confidence the Cougar's nationally fifth-ranked position or their 7-1 record might give them was chilled more than somewhat by the fact that Akron, just last week, battled the nation's top-ranked team, Indiana University, to a standstill before bowing, 2-1. Just this past Sunday, the Hoosiers defeated St. Louis U., 2-0, at Bloomington.

The Cougars' airtight defensive unit, anchored by veteran goalie Bob Robson and directed by senior Mike Kelley, deserved much of the credit for SIUE's narrow, nail-biting triumph over Eastern.

Working in perfect union with Robson and Kelley were Tim Clark, Terry Truesdell and Dave Hundert. Helping, too, on the defense were the Cougars' midfielders, Brian Higgins, Dave Hummert, Tim Guelker and Bob Bozada.

Particularly brilliant in the eastern game was the play of Higgins, who is the nearest thing to a human perpetual machine known to man. He was all over the field, both on defense and offense. Of great value, overall, to the SIUE team effort is his work of distributing the ball to his forwards. He is, too, a constant scoring threat himself.

The outstanding play of Higgins at midfield, however, led a gaping hole at one of the wings. But, the steady, brilliant play of Matt Malloy has more than solved whatever doubts Guelker may have had before he called the shift. Malloy, too, like his other partner on the wing, Jeff Cacciatore, is a constant scoring threat.

The victory over the Panthers, always a bitter foe, enabled the Cougars to run their winning streak to five straight. The whitewashing job also Robson's fourth straight shutout. The Cougars have scored 18 goals while keeping their foes off the boards in the SIUE debut. Hasty is still suffering slightly from a pulled muscle in his back.

Fernandez injured . . .

Rosary comeback downs South, 3-2

By PETE HAYES

Sports Editor
of the Press-Record
ST. LOUIS — To Gene Baker, yesterday's 3-2 loss to powerful Rosary High of St. Louis wasn't the main thing that concerned him afterwards. It was a late-game injury incurred by his star midfielder, David Fernandez.

Fernandez, attempting to control the ball and pass off with his team behind by a goal and about three minutes remaining in the game, was met head-on by Rosary's Keith Short. Fernandez went down in a heap.

"I TOLD ME he heard something snap," said Baker. "Right now, we're not exactly sure what happened. It's around his right ankle."

"We've got ice on it, and will know more later." As far as the game was concerned, fans who saw it got their money's worth. Rosary took a 1-0 lead in the first half on a goal by Bill Stallings. He let loose with a 20-foot shot from just inside the penalty area that went into the net just under the crossbar and to the left of South goalie Alex Paz.

"Their first goal was a real beauty," said Baker. "Alex didn't have a chance on it."

ROSARY, concentrating on the ball instead of the players, seemed to have South untracked in the first half. "We just don't talk out there enough," said Baker. "There have been a few times when our communication definitely breaks down."

But in the second half, South's offense got itself in gear. Playing most of the first 15 minutes in the Rosary end of the field, South had several chances to score.

How they scored

South 0 2-2
Rosary 1 2-3
R — Bill Stallings (unassisted), 13:00
S — David Fernandez (unassisted), 48:03
S — Fred Schuler (from Burnett), 53:45
R — Stallings (from Short), 59:00
R — Keith Short (unassisted), 68:01

About 3:30 into the half, South's Jeff Tinsley, about five feet from the Rosary goal, shot the ball directly head-on into the Rosary goalie's legs.

Then about two minutes later, Warrior Fred Schuler, coming out of a congested area in front of the Rosary goal, slammed the ball into the upper left portion of the uprights. It bounced harmlessly away.

FINALLY, at the 48:00 minute mark, Fernandez tied the game. But the goal didn't come easily.

About 10 feet from the goal, inside the penalty area, Schuler fired a shot directly at the Rosary goalie. Then Phil Beljanski shot the rebound into the goal.

Then it was David Mendoza's turn. He fired a shot that was stopped by the Rosary defense. But Fernandez was there to slam home the rebound and make the score 1-1.

Just six minutes later, South pulled ahead. David Long controlled the ball to the right of the Rosary goal and let go with a centering pass to Schuler. But Schuler fanned on the shot and retreated.

TAKING A PASS from teammate Jack Burnett, Schuler again fired at the goal. This time, the goalie again tipped it, but not enough. The ball sailed over his head and into the goal.

With South again in an attacking position in Rosary's end of the field, a Stallings player stole a South pass, raced downfield, shuffled the ball between his legs and was all alone on Paz, who came out of goal to cut down the angle.

But Stallings beat Paz and scored his second goal of the game at the 59:00 mark.

WHY DID BAKER start Paz in goal instead of Andy Costello, who has started most of South's games and who played last week against Granite City North? "We feel both of them are good goalies," said Baker.

"We wanted a chance to give Alex some work and see what he can do, in preparation for the state tournament."

"I don't feel we lose anything at all by having one in there instead of the other," added Baker.

Just seconds after the Rosary equalizer, South's Jeff Tinsley headed a centering pass at point-blank range on the Rosary goal. But the goalie leaped as high as he could and tipped the ball just over the crossbar, preserving the tie.

THEN CAME the game-winning goal. Out of a pile-up in front of the South goal, at the 68:00 minute mark, Rosary's Short took a shot at Paz, who made the save, to the right of the goal.

But Rosary players kept chipping away at the ball with Paz on the ground. Finally Short fired it into the net.

South's best chance at a tie game came with about eight minutes remaining. Schuler spotted Tinsley streaking down the right side of the field and passed it ahead to him. But Tinsley couldn't catch up with the ball (he was all alone) and

the threat went by the boards. "THEY'RE a very good team," said Baker. "They're playing for the CYC Championship in St. Louis, so that says something for them."

Rosary's a traditional power over here that has been able to win games with good, strong physical soccer. Not dirty soccer, just physical."

The next game for South is tomorrow (Friday) against Hazelwood East.

In junior varsity action, South defeated Rosary 1-0, on a goal by Tim Powderly.

Yardstick

	South	Rosary

Fouls	16	32

Net Cougars fall to 'Pack'

EDWARDSVILLE — It was so close that the championship wasn't decided until the final. No. 3 Granite City Cougars' Sunday at the Clemson University Tennis Tournament in Clemson, S.C.

Playing for the championship in the eight-team field were Coach Kent DeMar's Southern Cougars and North Carolina State University's Wolfpack.

North Carolina State won it, 4-4, in the dual meet tournament. The finals had all the thrills of a tennis match, with the Cougars' Cliff Hasting, who had been in a split-set duel, 6-1, 3-6, 4-6, all nerves began to get a little taut.

SIUE's newcomer freshman from Finland, Raimo O'Jala, appeared to give the Cougars a little cushion when he whipped the Pack's Matt McDonald three-and-two. But, North Carolina State's Scott Dilloh pulled it closer for his team when he defeated the Cougar's Ray Kuzava, 7-5, 6-6.

In the No. 1 doubles, the Cougars' old reliables, Farwell and Fernandez beat State's Andrews and Scott Dillon duo, but not without a nail-biting three-setter, 6-3, 2-6 and 6-3. The Pack's No. 2 doubles duo, Bumgardner and McDonald, did it up at 4-4 as they defeated SIUE's Ruskick and O'Jala, 7-5, 6-3.

That left it up to SIUE's No. 3 doubles team of Whaley and Kuzava. But the Pack's Mark Dillon and Joyce took the three-set thriller, 4-6, 6-3, 6-2.

GOING FOR A STEAL in Tuesday's North field hockey loss to Mascoutah is Steelerette Dawn Ford. North lost 3-1.

'Y' offering scuba

The Tri-City Area YMCA will offer a National Youth Center Certified course in scuba diving. In order to qualify one has to demonstrate comfort in the water and have basic swimming ability.

The instructor will be Phil Denning. Starting time will be 5 to 9 p.m. on Oct. 15. The course will be approximately eight weeks long, meeting on Sundays.

Eligible are adults as well as youngsters 15-15 years old who may obtain their junior diver certificate. Certifications are the Y, PADI, AIA and the NAUI upon successful completion of the course.

Cost is \$50 to members, \$65 to non-members and all equipment is furnished. In order to conduct the class, a minimum amount of people is necessary.

Cage meeting set

The organizational meeting of the Granite City Park District's Basketball program will be held at the Lincoln Place Community Center Tuesday, Oct. 17 at 7 p.m.

Last year a total of 37 teams were entered in the program. The Men's League had 25 teams, the Women's League had six and the Church League had six. There will be a limit again of 37 teams.

All games will be played at Coolidge, Prather and Grigsby Junior High Schools. Entry fees is \$60 per team and will be due Friday, Nov. 3. The roster deadline with waivers and all insurance fees paid will be on Thursday, Nov. 5.

The basketball program for boys in grades 3 through 6 will begin on Saturday, Nov. 25.

North Boosters meet tonight

GRANITE CITY — The Granite City High School North Boosters Club will hold a regular business meeting tonight, Oct. 12 in the North High School Cafeteria at 7:30.

All interested parents of North students and teachers are being invited to attend.

DAL MAXVILL AS A CARDINAL ROOKIE IN 1963

Maxie's back!

BY PETE HAYES
Sports Editor
of the Press-Record

ST. LOUIS — When Charles Dalan Maxvill graduated from Granite City High School in January of 1957, little did he know that in the next 20 years, he would rise to great heights as a major league baseball player, play in five World Series, and coach for a major league club.

But now he has returned home. Maxvill, former Cardinal shortstop, and Albert "Red" Schoendienst, former St. Louis Cardinal manager, were hired here Monday as coaches for the Cards during the 1979 season. And Maxie couldn't be happier.

"I'm just elated," he told the Press-Record in a telephone interview. "I feel as if I've come home."

Maxvill's parents, Mr. and Mrs. Harold Maxvill, still reside in Granite City, as do his in-laws, Mr. and Mrs. Robert Sinclair. Maxvill is married to the former Diana Sinclair of Granite City.

Dal and Diana are the parents of four children, Kathy 17, Danny 14, Jeff 13 and Tim 10. It's because of his family that Dal accepted the St. Louis job.

"This was almost a 100 percent family consideration," said Maxvill, 39. "I was tired of spending all that time away from my family. It was my prime consideration in the matter."

So, after the end of the past regular season, Maxvill sat down and called an old teammate of his with the Cardinals, present Red Bird manager Ken Boyer. "I called Ken and told him I was interested in anything he might have," said Maxvill. "He called me back a couple days later, and one thing led to another."

So, the happenings surrounding his hiring by the Cardinals have come about in the past two weeks.

Biggest Thrill

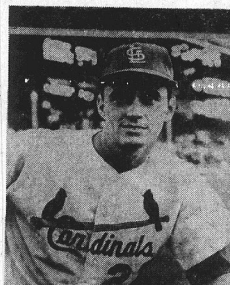

While playing with the Cardinals, Maxvill participated in three World Series, 1964, 1967 and 1968. But it was the first one that Maxvill considers his biggest thrill as an athlete.

"I guess I'd have to say the first time I stepped to the plate in the '64 World Series (against the Yankees) was my biggest thrill," said Maxvill. "Getting to play in any Series is a thrill, don't misunderstand me, but that first one was the biggest. The whole stretch drive for the pennant in '64 was thrilling," added Maxvill. "We were never supposed to be in the series, much less win it."

The Cardinals did win the World Series in 1964 from the Bronx Bombers. They also won it in 1967 against Boston. In 1968, the Red Birds were beaten in seven games by the Detroit Tigers.

Simmons led him

When Maxvill first was called up from the minor leagues by St. Louis, he went

MAXVILL IN 1970

through the same razzing and kidding that all rookies must endure.

But there was one member of the Cardinal pitching staff who took the young Maxvill by the hand and showed him the ropes of the major league way of life. Curt Simmons.

"He sort of showed me how to get along," said Maxvill. "It was just sort of nice having someone let me know that if I stuck it out, I could make it."

Not overnight success

Maxvill's rise to the major leagues was not an overnight one. He got started in baseball in the Granite City Police League around 1950.

"It was a Salvation Army team, and it was managed by my mother," laughed Maxvill. "My dad was a drillman at General Steel at the time, and he didn't have the time to manage the team."

"We were called the 'Atomic Kids,'" he recalled, "and boy, did we ever have fun."

Maxvill went on to play two years of varsity baseball at GCHS under the guidance of Coach Al Lewis Sr. "He was a big influence on me," said Maxvill. "If there was one person who could teach a kid how to play good, fundamental baseball, it was Coach Lewis."

"When any kid went out for the high school baseball team, Coach Lewis was to it that he learned the basic fundamentals of the game, if nothing else."

When he didn't receive any professional offers upon graduation from high school, Maxvill went on to Washington U. where he played for four years. While attending Washington U., he played on the old Sacred Heart entry in the Illinois Inter City League. The Cardinals signed him in

1960 and he tailed for Winnipeg, Charlotte and Tulsa before the parent club called him up for the entire 1963 season.

Stretch-drive here During that amazing pennant-winning year of 1964, Maxvill became an on-the-spot hero with some last day of the season heroics.

The Red Birds had come from behind (14 games back) to overtake Philadelphia for first place in the National League on the next-to-the last day.

On the final day of the season, Philadelphia defeated challenging Cincinnati 10-6. The Cards and thousands of fans across the country knew a win over the Amaxin' New York Mets was all that was needed for the first pennant in St. Louis since 1946.

Maxvill, a utility infielder with a "good-field, no-hit" label, was called upon in the eleventh hour to start at second base in place of injured regular Julian Javier.

There was little enthusiasm when the 222-hitter stepped to the plate at old Busch Stadium in the fourth inning with the score tied, two runners on base and two outs. But Maxvill drove a Galen Cisco fastball into centerfield and Dick Groat scored to give the Cards the lead. They went on to win 11-5.

\$300 for mustache

After the 1972 season, Maxvill and Cardinal Matty Alou were traded to Oakland. How was Maxie treated by Oakland owner Charlie Finley? "Just great," said Maxvill. "In fact, when I got there, he gave me \$300 just to grow a mustache like the rest of the guys."

Maxvill played in two World Series with the A's. In between, he played part of one season with Pittsburgh. He was out of baseball from 1974 until the beginning of last season, when he was hired by the New York Mets as a coach.

Work with Templeton

Maxvill's two main chores with the Cardinals will be to coach first base and work with the infielders, especially shortstop Garry Templeton. The lanky 25-year old Templeton tore up the league his first year up (1977), but his fielding fell off this past season.

"Most of Garry's errors this year were throwing errors," said Maxvill. "That's a relief, because that means they can be corrected."

"If he was making fielding errors, it'd be harder to correct. He (Templeton) seems to be over-throwing the ball... many young infielders tend to do that."

Coming back to GC

Maxvill, who lives in St. Louis, will be returning to Granite City the night of Nov. 30 for the annual Granite City Park District annual Banquet. "I always try and make it for Harold Brown's banquet," said Maxvill. "I think the park program in Granite is as good as I've seen anywhere." Dal Maxvill is proof of that.

North vs. (gulp!) DeSmet

BY PETE HAYES

Sports Editor
of the Press-Record

ST. LOUIS — When you're the head coach of a football team going into a game against a team you beat 42-6 a year ago, which hasn't won a game this year AND you've got just about everyone back from your team of a year ago, you've got to be a little cocky about it all, right?

Wrong if you're Bob Christian of DeSmet High School in St. Louis. His squad will travel to Granite City tomorrow (Friday) night at 7:30 to take on the winless (0-6) Steelers of GCHS North.

"I HAVE all the respect in the world for North," said Christian. "I know Tom (Wyrtke) will have his team hungry and ready to play. Aside from last year, some of our most exciting games ever have been against North."

The Spartans of DeSmet stand at 4-2, having defeated Sumner (St. Louis),

Belleville West (28-140), Parkway Central and St. Mary of St. Louis. They lost to St. Louis University High (21-20 last week) and to Lindbergh High.

DeSMET's backfield is made up entirely of seniors. Quarterback Ken Clump leads the way in the Spartans wishbone-attack offense. Clump ranks as one of the best QB's in St. Louis and will be a highly sought-after college prospect. "He's a very good passer," said Christian. "But he can also run well, so with our wishbone formation, we have several variations we can use."

Besides Clump, DeSmet has four running backs who all have about the same number of yards rushing on the season. Tom Gaud, Jerry Steuber, Ted Tussing and Mike Haake each have about 275 yards on the ground this season.

In passing, Clump is 17 of 48 for four touchdowns and 300 yards. He (Clump) has scored five touchdowns himself, to

lead the team in that department. He stands 6'3" and weighs 185 pounds.

ON DEFENSE, the Spartans use a 4-4 alignment, with a lot of stunting. "It looks good when you see it, the opposition," said Christian. "But when it goes the other way and you get burned, it makes you look awfully bad."

In preparing for North, Christian says he isn't preparing for an easy contest with any stretch of the imagination. "I saw North against Roxana and I sent a scout to Mount Vernon to watch them," he said. "They have a couple of people who can really hurt a team in Buchanan (Kevin running back) and Greco (Tom-injured running back)."

Christian said his team has had a problem with inconsistency. "We played our best game of the year against Belleville West," he said. "But teams have been able to throw against us, and it's hurt us in a couple of games."

South hopes to rebound

COLLINSVILLE — Collinsville coach Lloyd Dunn is in just about the same boat as Granite City South mentor Stan Wojcik. Both teams have won one game. Both have been in most of their games until the fourth quarter and both have also suffered one staggering defeat.

Dunn's football Kahoks defeated Granite City North for their only victory of the season on the second weekend of the current campaign after forfeiting their first game to St. Frances De Sales of Chicago because of a teacher's strike in Collinsville.

Then came defeats to East St. Louis, Belleville West and Alton. The defeat at the hands of the West Maroons was an overwhelming one... 61-14. "We just made so many mental mistakes," lamented Dunn. "We lined up in the wrong formation... missed blocking assignments... made fundamental errors. I don't know how it affects a team, either. It's so hard to say with high school kids."

Last week's loss to Alton was a heart-breaking one for Collinsville. Trailing 30-14 going into the fourth quarter, the Kahoks

made a run at the Red Birds and barely lost... falling 30-27.

"Our defense is awfully inexperienced," said Dunn. "But they're coming around... they played well the entire second half last week against Alton."

Dunn's team is facing a South squad which is also 1-5 and has been in most of its games until the fourth quarter. Take last week's 26-7 loss to Edwardsville for instance.

South's Warriors trailed by only six points, 13-7, going into the fourth quarter. But the defense, finally tired from being on the field most of the game, let Edwardsville come up with 13 additional points to walk away with the victory.

But South coach Stan Wojcik doesn't blame his defense. Not at all. "We can't expect to run an offense without blocking," he said. "And our blocking just broke down."

"You can do everything else right, but if one little part of the whole plan breaks down... in this case, the blocking... you can forget it. It just won't work."

The staggering defeat the Warriors

incurred came on the first weekend of the season when defending Missouri state champion, Jefferson City handed them a 6-0 setback.

Collinsville is quarterbacked by John Lacopo, a 5'8", 155-pound junior. He is flanked in the backfield by fullback Tom Harvengt (5'7", 150) and fullback Don Lacopo (5-8, 155). John and Don are brothers.

Dunn said there isn't one single person on the South squad who scares him. "We don't like to single out any one player to key on," he said. "Heck, if we did that, we'd have been out of our games worse than we have been."

But Dunn isn't blessed with a very big offensive line with which to block for that passing attack to work. The biggest man on the offensive line is 6'3", 190 pound right tackle Jim Holde. The average size of the line is 5'9" and 175 pounds.

Speaking of that game last week, the Pioneers came from behind to edge Brees 27-24.

The Trojans of Madison will be facing one of the top defensive units in the area in Assumption. In fact, going into last week's game with Brees Central, the Pioneers had given up an average of less than 100 yards a game.

Speaking of that game last week, the Pioneers came from behind to edge Brees 27-24.

And low, The Madison players have been dropping like flies. "Carlyn Jackson,

quarterback. Broken finger in passing hand and cracked bone in foot." "Clinton Senzbaugh, safety. Dislocated shoulder." The list goes on and on.

Combined with the pre-season injury to all-weather running back James Heard, and you've got yourself one banged-up football team. But Monken isn't taking them lightly... so he says.

"I know they've got to be down right now and that we'll probably be favored," said Monken. "But that's just the time to

(Continued on Page 27)

ED MERCER

GRANITE CITY — According to this week's Guest Guessers, Granite City South will win its second game up with a VERY narrow win," said Mercer.

"In fact, I think made-or-bought extra points will tell the difference. In fact, I think the game could all hinge on how each team does in the fourth quarter," he added. "South has been in most of its games until the fourth quarter."

That's when the defense gets tired of being on the field so much and seems to give up most of the points. But Collinsville's defense has been having troubles, too."

Feeney doesn't think South will be up to the task. "I think South will lose this game," he said. "I don't think the Warriors can beat Collinsville."

Collinsville almost pulled one out of the fire last week against Alton (losing 30-27), and I think they'll probably be hungry."

"South can't seem to muster much of an offense."

I don't think Illinois can come back after that big defeat at

past four years. The two have helped in managing football, soccer, baseball and have helped out with Tri-City Post 113 baseball.

"I think South's going to come up with a VERY narrow win," said Mercer.

"In fact, I think made-or-bought extra points will tell the difference. In fact, I think the game could all hinge on how each team does in the fourth quarter," he added. "South has been in most of its games until the fourth quarter."

That's when the defense gets tired of being on the field so much and seems to give up most of the points. But Collinsville's defense has been having troubles, too."

Feeney doesn't think South will be up to the task. "I think South will lose this game," he said. "I don't think the Warriors can beat Collinsville."

Collinsville almost pulled one out of the fire last week against Alton (losing 30-27), and I think they'll probably be hungry."

"South can't seem to muster much of an offense."

I don't think Illinois can come back after that big defeat at

night, both agree that the Steelers should be in for their sixth loss of the season. "I just don't see any way North can beat DeSmet," said Feeney. "In fact, I'd like to see a miracle and even that might not work."

In the Madison-East St. Louis Assumption game Saturday, both also favor Assumption. "They've built up some momentum with their win (20-18) over Brees Central," said Mercer.

"That, combined with the fact that Madison has more people on the sidelines with injuries than they do suited up, should spell defeat for the Trojans."

On the college scene, our guessers disagree on one game... the Illinois-Wisconsin game in Champaign. Mercer favors the Illini, while Feeney is going with Wisconsin.

"Whoever wins, it won't be by much," said Mercer. "But I'm going to go with the upset win. Illinois will win because they're playing at home."

But Feeney disagrees. "I don't think Illinois can come back after that big defeat at

BRENT FEENEY

Missouri (48-3) last week," he said. "Besides, with Tom Schooley quitting the team, and so much dissent, I think Illinois will be lucky to win any games at all the rest of the season."

Both guessers pick SIU over Arkansas State. "SIU has built up some momentum now," said Mercer. "They've won four in a row, but they'd better watch out for Arkansas State."

Missouri should also win Iowa State, according to our prognosticators.

On the professional level, both guessers see Dallas defeating the St. Louis Cardinals on Sunday in Busch Stadium. "Dallas has way too much to lose this time," said Mercer.

"They've already lost two games. They really can't afford to lose many more if they want to make the playoffs."

"Their defense (Dallas) is just awesome... especially when you compare it to the St. Louis offense."

JEFF TINSLEY (left) of South fires a shot at the Rosary goal last night as a Rebel defender tries to get out of the way of the on-coming ball. South fell to Rosary 3-2 after leading 2-1 at one point. The next

action for South will be tomorrow at home against Hazelwood East beginning at 4 p.m.

Madison kickers come close; fall to Bethalto

BETHALTO — Madison High's soccer team went down to defeat here Tuesday, but not before putting up a fight. The Trojans fell to the Eagles 5-3, with Bethalto getting two goals in the final quarter compared to Madison's one. The first period ended in a 1-1 tie. Percy Joiner scored Madison's goal. Jeff Napier scored for Bethalto in the first quarter.

In the second quarter, Bethalto took the lead when Joe Schmidt fired a shot past Madison Goalie Avery

Crawford. The score at halftime was 2-1, Bethalto.

Bethalto increased its lead to 3-1 when Schmidt got his second goal on an assist from Wayne Conley.

Madison's Corey Silas pulled the Trojans to within one goal when he scored in the third quarter.

Scott Napier gave the Eagles a two-goal lead again when he fired a shot past Crawford to open the fourth quarter scoring.

But Madison standout Eddie Forister pulled the Trojans back to within one when he fired

an unassisted goal past Bethalto goalie Bill Holcomb midway through the final period.

Bethalto's Rusty Czechin gave the Eagles an insurance goal in the past few minutes of play.

Madison was out-shot by Bethalto 16-8. Crawford made 15 saves in goal for the Trojans, while Holcomb made seven stops. Bethalto led in corner kicks 11 to 3, as well as in fouls, 19 to 15.

In the junior varsity contest, Bethalto shutout Madison 1-0.

Madison

(Continued from Page 26)

Central 29-19. Two weeks ago, Central defeated Breese Mater Dei. Last week, Mater Dei beat Madison 23-8. So by comparing scores, it looks like a rough afternoon for the Trojans. But Monken said in high school football, scores can't be compared.

"High school kids are so funny," he said. "One week you can be up and the next week down... and there's no explanations."

Assumption's linebacking corps are the heart of the defense and utilize both size and speed. The LB's are O. C. Hughes (6'

3", 200), Edgar Alice (6', 190) and Charles Williams (5'10", 190).

But the Pioneers aren't exactly chopped liver on offense, either. "We've been averaging between 250 and 300 yards a game rushing," said Monken. "To be honest, we've been able to eat some people up on the ground."

"To be a good passing attack, you need both a good passer and good receiver," said Monken. "But in high schools our size, it's hard to find both at the same time. Therefore, we emphasize the ground attack."

Madison offering programs

MADISON — Registrations are now being taken for several programs by the Madison Recreation Department, according to director Sam Dymas. Registration for a gymnastics class will be taken up to Oct. 18.

Central 29-19. Two weeks ago, Central defeated Breese Mater Dei. Last week, Mater Dei beat Madison 23-8. So by comparing scores, it looks like a rough afternoon for the Trojans. But Monken said in high school football, scores can't be compared.

"High school kids are so funny," he said. "One week you can be up and the next week down... and there's no explanations."

Assumption's linebacking corps are the heart of the defense and utilize both size and speed. The LB's are O. C. Hughes (6'

at the Recreation Center in Madison. The class is for girls ages 8 through 12. The charge for the class is 50 cents per session and will be conducted on Wednesday evenings.

A "Fun Walk" will be held by the department on Saturday, Oct. 2, over a three-mile course through Madison. The entry fee is 50 cents and trophies will be awarded in four age groups. It will begin at 1 p.m.

A youth self-defense class will

be conducted by the Recreation Department. It will be held Wednesday evenings and the charge will be \$1 per session.

An adult self-defense class will also be held Thursday's from 7 until 9 p.m. The deadline for registrations is Nov. 2 for persons 18 years of age or older. The charge for the eight-week course is \$15.

For information on any of these classes or events, contact Dymas at the Madison Recreation Center, 878-6418.

Cougars lose

By KATHY SMALL

For the Press-Record

After a busy weekend in Chicago, the women's field hockey team at Southern Illinois University Tuesday, as the Cougars lost, 3-1.

In Chicago, at the Lake Forest Invitational Tournament, the Cougars lost to Western Illinois University, 2-0; Northwestern University, 1-0; and defeated Lake Forest, 3-0.

The Cougars showed a lack of aggressive play throughout the game with St. Louis U. failing to move to the ball quickly enough, and the Billikens took an early advantage. Nancy Callahan scored for the Bills in the first few minutes of the game.

St. Louis U. scored again in the first half, on a one-on-one goal by Nancy Ruscica. Ruscica slipped by Cougar defenders

and chipped in the ball, barely getting past SUE goaltender Janice Baumbarger of Granite City, who has seven shutouts to her credit.

Billiken goalie Lynn Dohelman made two good saves in the last seconds of the first half, as the Cougars tried their best to get on the scoreboard.

SUE's Kathy Gong added her fourth goal of the season as she took control of the ball in the first seconds of the second half and flicked one in.

Though the Cougars appeared to charge the ball a little more in the second half, their offense couldn't put anything else together. St. Louis U.'s Lisa Johnson made the score 3-1 with her goal with about six minutes left in the game.

St. Louis University had 12 shots on goal to SUE's 3 and 11 penalty corners to the Cougars. Baumbarger had 11 saves to Dohelman's 3. SUE is now 5-3.

Get-acquainted dinner set

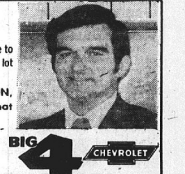

The Granite City High School South Boosters Club will hold a get-acquainted dinner for parents of South students and the coaches at the school, Monday, Oct. 22.

The pot-luck affair will begin at 6:30 p.m. in the South High School Cafeteria. All parents of South students are urged to attend and bring a covered dish. Reservations should be made by Friday, Oct. 20, by calling JoAnn Dix at 878-6837.

Woman Professional Bowler

LOA BOXBERGER
Women's Bowling Champion Will Appear in Person

WEDNESDAY, OCT. 18
9:30 A.M.

BRUNSWICK TRI-MOR BOWL

Loa Boxberger for the past 10 years has been one of the leading money-winning champions in women's professional bowling.

In 1974 she won the \$85,000 Brunswick Red Crown Classic, the richest tournament in the history of women's bowling.

She set a women's bowling record in 1973 with a six game block of 1478 in a tournament at Rockford, Ill. Her last three games in that block totaled 791.

A bedspread next to a furnace caught fire at 6:55 p.m. Friday at the home of Bonnie Wickham, 2250 Washington Ave., causing minor damage. Granite City firefighters were called, but the fire was extinguished before they arrived. Damage was minor.

\$150 HUBCAPS STOLEN

Four wire hubcaps, valued at \$150, were stolen from the 1978 auto of Jacquelyn Tapp, 23 Iris Ave., while the vehicle was parked outside Trinity Hall, 13th Street and Grand Avenue, during the weekend.

Mrs. Opal Lux, 71, dies

Mrs. Opal L. (Fisher) Lux, 71, of 124 Central Ave., Mitchell, died at 7 p.m. Tuesday at St. Elizabeth Hospital, where she had been a patient for three weeks.

She was born in Dover, Tenn., and had resided in the Quad-City area for 70 years.

Mrs. Lux was a member of the First Assembly of God Church, and a Granite City senior citizen club.

Prior to her retirement in 1969, she had worked as a machine operator for the Speilberg Fur Co. St. Louis, for 20 years.

Her husband, Emil Lux and two sons, preceded her in death. James Lux died in 1976, and Alvin Lux died in infancy.

Survivors include three

daughters, Mrs. Robert (Zelma) Owens of Collinsville, Mrs. John (Dorothy) Arrington and Mrs. James (Norma) Thomas, both of Florissant, Mo.; four sisters, Mrs. Henry (Clatus) Moore, Pontiac, Mich., Mrs. Otto (Lula) Wofford and Mrs. Carl (Mattie) Ebling, both of Granite City and Mrs. Walter (Ida) Nabb, Springfield, Ill.; nine grandchildren and three great-grandchildren.

Funeral arrangements are given in the obituary column.

Scout leaders and units to be honored at dinner

Adult scout leaders and Boy Scout, Cub and Explorer units will be honored at the Uniwah District (Quad-City area) of the Cakokia Mound Boy Scout Council holds its annual recognition dinner on Saturday, Oct. 21.

The major scouting event will begin at 6:30 p.m. with a buffet dinner at Niedringhaus United Methodist Church, 20th Street and Delmar Avenue.

In addition to numerous awards being presented, district officers for 1978-79 will be elected.

Tickets are being sold for \$4 each on a first come, first served basis. Scout leaders, friends of scouting, parents, and interested persons are being urged to purchase their tickets early to avoid disappointment.

Tickets must be purchased by 5 p.m. Wednesday, Oct. 18, and

may be obtained at the Scout Service Center, 2016 Delmar Ave., or from any of the following persons: Ben Miller, Pat Foote, G. Rollin Henn, Ron Luebben, "Mick" Strange, James Graham, Jack Vizer, Floyd Jordan, Pauline Perkins, Bob Moske, Mary Tarpoff, Brice Food, Erwin Stengel, Charles Shanks, Richard Spillars and Jack Lee.

Six scouts will be presented with the District Award of Merit, commonly referred to as the "scouting Oscar." This is the highest award a volunteer may receive in the district.

Among the other awards to be presented include: School Night for Scouting, Summerline Pack Awards, National Camping Awards, Training Awards, Family Enrollment Awards, the "Scout Scouting On" award and an Explorer award.

A special showing of a new film on Exploring is planned. Members of the Scouters' Reserve are decorating the church hall for the event and officers of the Uniwah Chapter, Order of the Arrow, will assist

in greeting the volunteers. William F. Winter is the dinner chairman. Ben Miller is district chairman and Ned Freeman is district scout executive.

THIEF FROM APARTMENT About 22 stereo tape recordings worth a total of \$35 were stolen from the apartment of Monroe Morris, 2005 Missouri Ave., it was discovered at 3:30 p.m. Thursday. Someone who checked his apartment for him may have accidentally left a door unlocked.

Chouteau road debt eliminated

After several years of operating "in the red," the Chouteau Township Highway Department became "paid in full" Monday night with the payment of final bills.

Chouteau Township Highway Commissioner Wilfred "Bud" Eberhardt presented his bills to the Town Board of Trustees Monday night, noting several were from the previous administration.

With approval of the bills, his department has paid all outstanding debts and has some money left in the bank, he commented. Among the bills was \$8,000 for equipment purchased by the former commissioner.

The auditors approved payment of the bills and Eberhardt said he plans to use the remaining funds to purchase a used dump truck, if he can find one at an acceptable price.

He was granted permission to check prices on used trucks. Eberhardt noted that many of the department's current trucks are old, and described only one as being in good condition.

He said a used truck should be purchased immediately for winter snow removal.

The board also discussed a recent meeting between a representative of the Illinois Commerce Commission and local officials on the condition of railroad tracks in this area, and plans for actions to encourage railroads to make needed improvements.

Concert to aid women's crisis center

Singer Kristin Lems will present a concert at 8 p.m. Saturday at Alton Little Theater. Proceeds from the performance will benefit the OASIS Women's Center, a new emergency housing center for women in crisis.

Miss Lems, one of the originators of the National Women's Music Festival, writes much of her own music and plays several different instruments. She will be accompanied by Tim Vear.

Many of her songs are in French and Spanish, as well as unusual melodies in Hindi, Armenian and Persian.

In addition to TV appearances throughout the Midwest, she has appeared in Iran, Belgium, Israel, New York and California, and recently appeared at SIUE. Her first album will be released soon.

Tickets are \$3, with student tickets priced at \$2. They are available at the OASIS office and from board members, and will be sold at the door, 2450 N. Henry, Alton, on the evening of the concert.

The Special Projects Committee, headed by Sandy Crawford, will serve refreshments before and after the concert, and during intermission. Unusual coffees and teas will be featured.

Accident at Crossroads

Three members of an Edwardsville family were injured when their car left the Crossroads Plaza Shopping Center onto Nameoki Road and collided with the southbound auto of Francis Boone, Hartford, at 5:40 p.m. Monday.

Taken by Granite City ambulance to St. Elizabeth Hospital were the driver, Larry C. Nelson, 31, Edwardsville, and passengers, Katherine Nelson, 29, and Jami Nelson, seven months.

The father bumped his head and left arm and injured his back. Mrs. Nelson bumped her jaw and the child bumped her forehead. X-rays were taken and the three were released.

Dr. Shields interim pastor at Calvary Baptist Church

Dr. O. R. Shields who retired as pastor of the Mehlville Baptist Church, St. Louis, on March 26 of this year, is serving as interim pastor of Calvary Baptist Church, 3009 Washington Ave. Prior to his retirement, Dr. Shields, had been actively engaged in church work as a pastor and as a denominational worker for 38 years.

Prior to becoming the pastor of the Mehlville Baptist Church, he served as the executive director of the Christian Civic Foundation of Missouri, a position which he held for more than 15 years. As director of this work he was working with some 21 different denominations. The Christian Civic Foundation of Missouri is charged with the responsibility of designing and promoting a ministry to do effective work in the Alcohol and Drug area of social concern.

For 18 years Dr. Shields was the pastor of the Lafayette Park Baptist Church in St. Louis. He was heard every Sunday on radio station KSTL for 15 years and was also a regular visitor on various television shows and for a few months had his own television service on a local station.

Dr. Shields was second vice-president of the Southern Baptist Convention and served on the executive committee of the convention for seven years. He and his wife visited the Mission Stations of Southern Baptist in 1955 and during that time he visited more than 25 different nations.

Dr. Shields was also very active in the Missouri Baptist Convention and at the time of his retirement was the chairman of the Christian Life Commission of the Missouri Baptist Convention.

He is the only son of Rev. and Mrs. O. W. Shields, Rev. O. W. Shields was well known in Illinois and Missouri and for many years both men were pastors in St. Louis. Rev. O. W. Shields was the pastor of two churches in St. Louis, Calvary and Lindenwood.

Dr. Shields was involved in the public schools of Illinois and attended Southern Illinois University, Baylor University in Waco, Tex. and Washington University in St. Louis. He was honored with a Doctor of Divinity Degree by Shurtleff College of Alton. He was on the first Board of Trustees of the Midwestern Baptist Seminary in Kansas City, Mo., and was

DR. O. R. SHIELDS

given special citations for service by Southern Seminary in Louisville, Ky. He was on the Board of Trustees of Southwest Baptist College and for 13 years was a chapel speaker for a week on the campus of Southwest Baptist College. On two different occasions he held the college revival at Southwest and has had a very active part in the development of that school.

The interim pastor and his wife, Grace Evelyn Wood Shields, celebrated their 40th wedding anniversary on June 12. They have two daughters, Mrs. Charles T. Rose of Washington, Ind., and Mrs. Jim Miller of St. Louis County. They also have three grandchildren. Dr. Shields on two different occasions was chairman of arrangements for the Southern Baptist Convention as it met in St. Louis. He also served as president of the Greater St. Louis Billy Graham Crusade who brought Dr. Graham to St. Louis the first time. Dr. Shields has been the evangelist at the Calvary Baptist Church where he is now serving as interim pastor.

Dr. Shields was listed in Who's Important in Religion and received national and world wide recognition for the 2 m. service on Thursday mornings during World War II. He is also listed in Who's Who in America in the Midwest and is a 32 degree Mason and a Shriner. The public is invited to hear Dr. Shields each Sunday at 10:45 a.m. and 7:30 p.m. Also Wednesday evening at 7 p.m., according to Earl Phelps, chairman of deacons.

Nameoki PTA to hear Dr. Stark

Dr. Pat Stark from the International Stress Institute, Collinsville Stress Center, will be the guest speaker at the Oct. 17 PTA meeting at Nameoki School, according to Mrs. Linda Fussell, unit president.

The president added the meeting is open to the public and after the talk by Dr. Stark she will answer questions relating to family stress situations. Included on the program agenda is an informative presentation on the metric system to be given by Joan Harris, second grade teacher. A skate party for students at the school will be tonight from 6 to 8 p.m. at the Stardust Rink in Pontoon Beach, it was noted. The monthly skate sessions are always held on the second Tuesday of the month with admission set at 75 cents and skate rental at 50 cents, Mrs. Fussell reports.

Mrs. Fran Kingston, ways and means chairman, has a school party for students at a cost of \$3. Orders are being taken by Mrs. Kingston by calling 677-0025, the president added.

Venice Women's Club plans yule party

The Venice Women's Club discussed hosting a Christmas party for members on Dec. 1 at the Venice Recreation Center, during a weekend business meeting.

Mrs. Elmore Weber, president, conducted the session and reports were given by Mrs. Lisa Bauer and Mrs. Bertha Pace.

The hostess committee, Mesdames Hazel P. Miller, McCoid, Aliene Marcus and Mrs. Bauer, provided games and prizes for the evening and later served cake and coffee.

Other members attending were Mesdames Rhea Bunte, Dorothy Koelker, Lula Kowalski, Madolina Grasholtz, Sybil Robbs, Grace Grimes, Hazel Pozniak, Alice Mitchell, Rose Scaturro, Elsie Caver, Mamie Ponce and Ruth Cayner.

Alpha Omega aids St. Jude Hospital

Members of Alpha Omega Society, Troy Chapter 4651 of Epitaph Sigma Alpha International, agreed to send the proceeds of the "play cards for leukemia" party which amounted to \$700, to St. Jude Research Hospital in honor of Julie Lynch.

Members of the chapter met last week in the home of Fran Zehring in Belleville. Guest for the evening was Delores Thayer of Collinsville.

A discussion was held on members attending the state convention in Mount Vernon, Ill., on Oct. 20, 21 and 22. The Nov. 14 awards dinner is to be held at Scott Air Force Base Officers Club, it was announced and the Nov. 4 business session will be at Thelma Kueker in Troy.

Attending were Katie Randol and Thelma Kueker of Troy, Marie Crouch of Granite City, Vi Oltmer, O'Fallon and Fran Harris of Belleville.

Area session on river resource management

First of a series of public workshops conducted by the Great River Resource Management Study group (GREAT III) will be held at the Stratford Hotel in Alton on Thursday, Nov. 2, starting at 7 p.m.

The study team is presently identifying issues and problems for total river resources management in a reach of the Mississippi River from Saverton, Mo., to Cairo, Ill. The workshop welcomes individuals and representatives of groups or organizations with a concern or interest in future river planning.

The Army Corps of Engineers has overall responsibility for the study, which is to be a cooperative effort with the states of Missouri and Illinois and the following federal agencies: U.S. Fish and Wildlife Service, U.S. Coast Guard, U.S. Environmental Protection Agency, U.S. Department of Commerce, U.S. Department of Housing and Urban Development, U.S. Soil Conservation Service (U.S. Department of the Interior).

Formal authorization and assignment of responsibility

were initiated by Section 117 of the Water Resources Development Act of 1976 (PL 94-587, passed on Oct. 8, 1976). This section states:

"The secretary of the Army, acting through the chief of Engineers, is authorized to investigate and study, in cooperation with interested states and federal agencies, through the Upper Mississippi River Basin Commission, the development of a river system management plan in the format of the 'Great River Study' for the Mississippi River."

"From the mouth of the Ohio River to the head of navigation at Minneapolis, incorporating total river resource requirements including, but not limited to, navigation, the effects of increased barge traffic, fish and wildlife, recreation, watershed management, and water quality—at an estimated cost of \$9,100,000."

The Alton workshop is the first of five to be held along the river to encourage citizen participation in this first phase, and continuing public participation throughout the estimated three-year study period.

GRANT FUND PLEA to help finance a \$7 million overpass from the downtown area to West Granite City attracts crowd at the city hall here last month as Cong. Melvin Price of the 23rd district appeared to accept petitions seeking his help in raising \$3 million of the cost. The

petitions, bearing more than 7,000 signatures, were presented to Cong. Price by Mayor Paul Schuler in a brief ceremony on the city hall steps. From left in the center foreground are William Ebersold, mayor of Venice; State Sen. Sam Vadalabene and Cong. Price.

(Press-Record Photo)

'Stretching food dollar' pamphlets

Asserting that the cost of food is "taking an ever-increasing percentage of the paychecks of area residents," Rep. Melvin Price (D, 23rd Ill.) has announced that a limited number of informational pamphlets on "stretching food dollars" are available from his Washington office.

"Soaring food prices create a problem which affects all of us, especially families and those on fixed incomes," Cong. Price said.

"Many consumers are surprised to find that, by following a few simple suggestions, they can save money on their food budget."

"These pamphlets outline a number of tips which are easy to put into practice no matter what your shopping habits are." The pamphlets may be requested by writing to Congressman Melvin Price at 2349 Rayburn Building, Washington, D.C. 20515.

Also available upon request from Cong. Price is the new high school debate topic, compiled by the Congressional Research Service.

The 1978-79 topic is "What Should Be the Energy Policy of the United States?" Complimentary copies may be obtained by writing to Rep. Price in Washington.

Open beer cited

Police halted a 1963 auto on Madison Avenue at 25th Street during the weekend after seeing the driver allegedly go through a red traffic light at 23rd Street.

Three occupants of the car were arrested when the officers allegedly saw three open cans of beer and an open bottle of malt liquor on the front floor, with the contents spilling out.

Michael A. Newborn, 19, Brooklyn, Ill., was charged with illegal transportation of alcohol and a traffic light violation. Darrell McKire, 19, and Ricky Abraham, 18, both of Brooklyn, were charged with illegal possession of alcohol. Hearings are set for Nov. 6.

Driver charged

Franklin Lee, 58, of 2317 Delmar Ave., was charged with driving while intoxicated after his auto allegedly struck the parked car of James Joyce, 1212 Twenty-third St., on 23rd Street west of Delmar Avenue at 10:10 p.m. Thursday.

A witness told police of the accident and said a car involved had driven into the alley between the 2300 blocks of Delmar Avenue and Cleveland Boulevard.

An auto was located in the alley and Lee was arrested nearby.

UNDERCOATING — RALPH'S TEXACO 22nd & MADISON AVE.

State wins more U.S. school funds

Final Congressional approval of a bill giving Illinois \$32 million in disputed federal social services funding — and ending efforts by Washington to force the state to pay back \$188 million — was hailed by Governor James R. Thompson Thursday.

"Passage of this bill has ended the threat of a fiscal catastrophe for Illinois and given us \$32 million which at one time we feared we would never see," Thompson said. "This bill is also important because its passage closes a sorry chapter in our relations with the federal government on social services funding issues. It helps clear the way for im-

proved state-federal relations in the future.

"The \$32 million will go directly to local schools through the per-pupil state aid formula increase I signed into law in June when it became clear that we would receive these funds," Thompson said.

The funds, contained in a Treasury Department appropriation conference bill passed by both the House and Senate Wednesday, represent Illinois' share of a \$543 million out-of-court settlement won by Illinois and 27 other states against the federal Department of Health, Education and Welfare.

At issue in the six-year-old dispute were funds totaling \$1.56 billion claimed by the states but not paid by HEW for state-operated social services programs under Titles IV and VI of the Social Security Act prior to Oct. 1, 1975, effective date of a new Title XX social services funding program.

Also at issue was \$830 million already paid to the states but which HEW had been attempting to retrieve on grounds the money was improperly claimed.

Programs involved in the dispute included day care, senior citizens services, child protective services and other programs aimed at low-income families which states operate with federal reimbursement for 75 percent of their costs.

Under terms of the settlement formula, Illinois' \$32,053,349 share represents 37 percent of unpaid claims totaling \$87.3 million dating back to 1973, a higher percentage than any other major state will receive under the settlement.

The \$188.4 million that Illinois will retain under the formula represents more than 22 percent of the national total that HEW will stop trying to recoup. Illinois had received the disputed funds from 1972 through 1975.

Thompson said Department of Public Aid Director Arthur P. Quern, the DPA legal staff and the Illinois Washington office played leadership roles in negotiating the settlement with HEW and in lobbying for the appropriation. The negotiations were coordinated

on behalf of the 26 states by the National Council of State Public Welfare Administrators, on which Quern serves.

Thompson noted that under the new Title XX program, which replaced the programs at issue in the settlement, Illinois is now claiming its full allotment of more than \$140 million under a federal statutory ceiling.

He said the state's failure to install necessary accounting and eligibility systems in the past allowed tens of millions of dollars to lapse, forcing Illinois to fund some of the services with state funds alone.

Arrests at new police building

A 19-year-old man and two 16-year-old youths allegedly were found inside the new police station being constructed in the 2300 block of Madison Avenue at 10:10 p.m. Saturday.

Police reported finding two youths inside the partially-completed building and a third one climbing over the wall when they arrived.

Bob G. Smith, 19, of 2130 Delmar Ave., was charged with criminal trespass to property, along with the juveniles. Smith was released on payment of \$35 cash bond a short time later.

CALL FOR INVESTIGATION Sharon Sharp, Republican candidate for Illinois secretary of state, held a series of news conferences Monday to demand that her opponent, "due to recent incidents and a study of records of contributors," begin an investigation immediately to determine if his employees solicit campaign contributions in return for special license plates.

MR. AND MRS. ROBERT D. WAGONER of Edwardsville, formerly of Granite City, who will be honored at a reception Saturday afternoon, at the Pleasant Ridge Baptist Church in Collinsville. They will observe their golden wedding anniversary at the event to be hosted by their children.

Mr., Mrs. Robert Wagoner observe 50th anniversary

An afternoon reception will be given from 3 to 5 p.m. Saturday at the Pleasant Ridge Baptist Church in Collinsville, for Mr. and Mrs. Robert D. Wagoner, Rural Route Seven, Edwardsville, formerly of Granite City, in observance of their 50th wedding anniversary.

Mr. Wagoner and his wife, the former Mary Wilson, were married on Oct. 6, 1928, in McLeansboro, Ill.

Hosting the social event are their children, Mrs. Mary E. Hearne of East Peoria, Ill., Robert F. Wagoner and Ruby A. Wagoner, both of Edwardsville. The honorees also have six grandchildren and one great-grandchild.

Mr. and Mrs. Wagoner are members of the Pleasant Ridge Baptist Church. Mr. Wagoner is also a member of Masonic Lodge 833, and served as vice-president of the Operating Engineers, Local 149, for many years.

He was employed at the Supersweet Feeds Co., East St. Louis, for 24 years before retiring in 1969.

MR. MRS. ROY LOGAN NAME SON STEPHEN Mr. and Mrs. Roy Logan, 2121 Richmond Ave., are announcing the birth of their second child on Oct. 5, at Christian Northwest Hospital, St. Louis.

The infant, a boy, has been named Stephen Michael and weighed nine pounds, five ounces. He has a 3-year-old sister, Ann Marie.

Grandparents are Mr. and Mrs. Roy Logan Sr., and Mr. and Mrs. Charles Lybarger, all of Granite City.

Mrs. King hosts Sunshine Class

The Sunshine Class of Second Baptist Church met at the home of Betty King, 575 North St., for a brunch and share October meeting.

After the brunch the meeting was opened with the class theme song "Heavenly Sunshine" sung by the group.

The opening prayer was offered by Naomi Burnett, a guest.

The devotional on "The Church Needs You" was given by Betty Lewis, followed with prayer.

Glady's Hudgens, president, presided over the business session, with Alma Burnett secretary reading the minutes to the last meeting, and a treasurer's report by Norma Rains. Members agreed to send cards to several who are ill.

Closing prayer was given by Evelyn Smith.

After the meeting the hostess gave plants and plant cuttings to the members.

Present were Margaret Newberry, Gloria Burnett, Margaret Culpepper, Evelyn Smith, Esther Davis, Hillary Daily, Beulah Miller, Jo Ann Stephens, and Alice Dineff.

J. GARY EVANGELISTIC TEAM who will open an 8-day spiritual renewal crusade beginning Sunday, Oct. 15, at Calvary Baptist Church, 3000 Washington Ave. Services will be held each evening at 7:30 and a nursery will be available for small children, according to Dr. O. R. Shields, interim pastor.

Amy Hester marks 10th birthday

Amy LeAnn Hester celebrated her 10th birthday Friday evening with a slumber party at the home of her parents, Mr. and Mrs. Lynn Hester, 64 Karen Dr.

A jaunty green frog had invited several of her friends to "Hop on Over to My Pad" for the party. These included Lisa Jackson, Shelly Bertsch, Kim Jackson, Gwynne Johnson, Sherri Ousley and Laura Withers.

The birthday ice cream-cake, decorated with that same frog on pink lily pads, wished the honoree a "Hoppy 10th Birthday" and was served with soft drink to the guests. The paperwork being in the same motif.

After the honoree opened her gifts, the evening was spent dancing, telling ghost stories, eating pizza and playing games. Game prizes were awarded to Shelly Bertsch, Lisa Jackson, Sherri Ousley and Kim Jackson.

Breakfast was served following a "slumber-less" night, by Mrs. Hester.

Troop 330 holds investiture

Girl Scout Troop 330, sponsored by Niedringhaus School, opened its first meeting of the year by inviting mothers of the year to an investiture and Rededication Candlelight Ceremony.

The meeting began with a flag ceremony in which the following girls participated: Kathy Cook and Kathy Daniels, flag bearers; Lynda Baker and Lori McInry, scout-in-charge; Lynda Baker and Christine Stacy were then invested as new members and received Girl Scout and World Association pins.

During the Rededication Ceremony, each current member held a candle while forming a traditional horseshoe around a table which held three lighted candles. Each girl in turn lit her candle from the center taper and stated one of the Girl Scout laws. At the end of the ceremony, the candles, as well as the girls, were in the shape of the Girl Scout horseshoe.

A short discussion of the activities planned for the next two months followed, including a trip to McDonald's and a camp-out. The troop will also participate in a flag ceremony for Niedringhaus School next week with Jennifer Griffith and Elizabeth Bodnam, flag bearers, Robin Roddy and Michelle McAmish, color guards, and Anne Puhse, scout-in-charge. Refreshments of punch and cookies were served to the mothers by the girls.

In attendance were Troop 330 Girl Scouts Elizabeth Bodnam, Kathy Cook, Kathy Daniels, Jennifer Griffith, Cynthia Kraus, Michelle McAmish, Lori McInry, Kristi Miller, Melissa Pennell, Anne Puhse, Robin Roddy, Christine Stacy, Sandra Stoppette, and new members Lynda Baker and Michelle Kraus. Mothers attending were Judy Daniels, Willie Gallas, Freda Kraus, Pat McAmish, Margaret Pennell, Marquita Roddy, leaders Marilyn Bodnam and Marilyn Griffith, and guests Mary Griffith, Nancy Griffith and Bobbie Jo Kraus.

Theta Theta plans socials

"Learning To Earn" was the program title given by Mrs. Linda Givens and Mrs. Joyce Tracy for members of Theta Theta Chapter, Beta Sigma Phi Sorority, last week.

Mrs. Mary Morgan, 3205 Wilshire Drive, entertained the group assisted by Mrs. Tracy as co-hostess.

During the business session a discussion was held on selecting a band for the Sorority City Council sweetheart dance and rules for scrapbook judging adopted by the city council.

Social events planned include a trans-art party in October and a roller skating party with members and their husbands set for November.

Mrs. Phyllis Talley will host the Oct. 19 meeting it was announced.

Others attending were Mrs. Martha Gianakos, president, and Mesdames Sharon Taylor, Phyllis Talley, Barbara Mihalic, Sandy DeMoulin, Pam Doctor, Cindy Hollingshead, Jane Jackstadt, Ellen Voyles.

EXECUTIVE PANEL are guest speakers at a meeting of the Tri-Cities Chapter of the National Secretaries Association held at Charlie's Restaurant. Seated from left are Bob Crain, General Steel Industries, St. Louis office, Tom Thebeau, a representative of State Farm Insurance, and Larry Sidener of Sidener Supply Co. Standing are Joyce Saver, chapter president, and Lana Randolph, vice-president.

Secretaries hear executives

The Tri-Cities Chapter of the National Secretaries Association held a monthly dinner meeting last week at Charlie's Restaurant. Twenty members were present, with two guests, Mrs. Mary Sedekum and Mrs. Janice Westhaus, daughter of member Arlene Warchol.

The program this month consisted of an executive panel, including Bob Crain of General Steel Industries, Larry Sidener of Sidener Supply Co. and Tom Thebeau of State Farm Insurance. The guest speaker were asked three discussion questions regarding what is valued most in a secretary, what secretaries can do to improve their professional image, should secretaries refuse to engage in activities she feels are dishonest or unethical, and is a boss justified in asking his secretary to lie to cover up for him.

They all agreed that the most important values in a secretary are loyalty, initiative, dependability, good judgment, cheerfulness, pleasantness, good humor and efficiency. In answer to the second question, the men felt that the secretary should strive to be the best secretary in the office, pass the Certified Professional Secretary (CPS) exam, act the part of a professional at work and away from work, assume responsibilities, find out what you can do for the company.

President Joyce Savich called the meeting to order, the treasurer's report was read and filed for audit and the correspondence was read.

Nancy Bezan, chairman of the executive night committee reported that the event will be held on Wednesday, Oct. 18, at the Breckenridge Pavilion Hotel. The committee members will provide the entertainment.

The 1978-1979 "Boss of the Year" was voted on, but will not be announced until Executive Night. L. E. Lindsay of L. E. Lindsay Construction Co. is the retiring "Boss of the Year."

The Future Secretaries' Association from Granite City High Schools, North and South, will hold their initiation and installation of newly elected officers on Sunday, Oct. 15, at 2 p.m. at Central Christian Church. The Madison FSA Chapter will hold their initiation and installation on Wednesday, Oct. 25, in the cafeteria at Madison High School.

Next month's meeting will be held Thursday, Nov. 2, at Rustin's Restaurant at 6:30 p.m.

Club honors birthday members

Members of the YMCA Senior Citizen Club were honored on their birthday with the entire group singing "Happy Birthday" at a weekend meeting held at the Y.

Those honored were Helen Newland, Ida Cassel, Mildred Moss, Elmore Patterson, Myra Grote, Naomi Burnett, Bessie Milton, Della Hagen and Lorene Witsell.

President Lucille Pierce opened the meeting and Lester Theil led the prayer and pledge to the flag.

Mrs. Pierce announced a business meeting will be held on Friday, Oct. 13, and on Friday, Oct. 20, the group is to take a bus trip to the Ozarks. Those planning on taking the trip are to be at the Y at 9 a.m., she added.

All area senior citizens are invited to participate in game session held every Wednesday at the Y from 1 to 3 p.m., the president said.

Circle hears Mrs. Huber

The life of Mary of Bethany was the subject of a devotional lesson presented by Mrs. Clara Huber at a meeting last week of Love Circle of Niedringhaus United Methodist Church.

Mrs. Jan Kohl, circle leader, was in charge of the meeting held in the church parlor. Twelve members attended and recited their favorite verse from the book of Psalm in answer to roll call.

Progress relating to the annual fall bazaar was given by Mrs. Golda Boyle. She added workshops are held every Monday morning to continue sewing items which will be featured for sale at the bazaar and dinner.

The need for baby sitters for the morning circle members was discussed as well as the general meeting of the United Methodist Women set for tonight at the church. The featured speaker will be Mrs. Dottie Miller and she will give a resume of her trip to China.

Refreshments were served after the meeting by Mrs. Jane Karandjeff and Mrs. Lynn North to Esther Traylor, Ida Cariss, Mary Miller, Gladys Pottilo, Sharon Schaeffer, Dolores Allen and a guest Shirley Baker.

Golden wedding day for Clarence Bakers

Mr. and Mrs. Clarence Baker of Bend, Ill., former longtime residents of the Granite City area, celebrated their golden wedding day in late September. The couple has resided in Bend since 1965.

Mr. Baker retired in July 1965 from the St. Louis yards of the Terminal Railroad, where he was employed 38 years. He now is an avid gardener.

Mrs. Baker is the former Myrtle Staats.

Both husband and wife are enjoying fairly good health, a family spokesman reported.

They are the parents of two children, Mrs. Ruth Matzen of Caseyville and Earl Baker of Granite City. They have four grandchildren.

As part of their 50th anniversary celebration, the Bakers were guests of Mrs. Mildred Ward of Granite City for a trip through the Amish country, near Arcola, Ill.

Mrs. Ward was maid of honor to Mrs. Baker on her wedding day. The late Fred Vankirk of Granite City was the best man.

Guests at the Baker home during the anniversary were Mrs. Baker's nephew and wife, Mr. and Mrs. Robert Garland of Cadiz, Ky.

Brownie Troop 530 visits art museum

Brownie Troop 530 of Maryville School were taken on a field trip to the St. Louis Art Museum on Monday and specifically viewed exhibits of early America and how the people cooked, dressed and lived during that era.

They returned to Wilson Park for a picnic and were treated to an ice cream dessert at Baskin-Robbins. The remainder of the afternoon was spent at Worthen Park where the girls played on the outdoor equipment.

Those attending were Jamie Adams, Elizabeth Dann, Misty Parker and Rose Furtak and Mrs. Leona Sharleville, leader. Assisting were Mrs. Ruby Furtak, assistant leader and Miss Cindy Furtak.

Issue recommendations on 7 zoning requests

The Madison County Zoning Board of Appeals is recommending that the Madison County Board next Wednesday, Oct. 18, approve requests for rezoning or permits for a storage building, two mobile homes and expansion of a lumber yard, but reject requests which would permit a confectionery and liquor store, a beauty shop and another mobile home placement.

The zoning board, which held public on-site hearings on each request, is recommending that the county board deny a special use permit to Glenn Yates, who would like to operate a combination confectionery and package liquor store in an existing building at 5429 Maryville Road, Mitchell.

The property is in Chouteau Township and is zoned R-3 for single-family residential use. It also is recommended that the county board deny a special use permit to Larry R. King, 2235 Bern Ave., to operate a beauty shop in his home, which is in an R-3 section of Nameoki Township.

The request of Donna and Bert Chapman Jr. for a special use permit to continue the placement of a mobile home at 6801 Fairway State Park Place, also is recommended for denial.

The property in Nameoki Township is zoned R-4 for single-family residential units. Recommended for approval is the request of Duffin Brothers Lumber Company for rezoning of a tract of land on East Chain of Rocks Road in Chouteau Township from B-2 general business district to B-4 wholesale business district to expand the lumber facility.

A request by Robert L. Franko for a special use permit and variance to erect a pole building for storage along Old Alton Road, two miles north of Interstate 270, in an R-3 district of Chouteau Township is recommended for approval.

The zoning board also recommends that the county board approve requests for the placement of two mobile homes, one for William and Katie Barks at 1123 Meridian, in an R-4 district of Nameoki Township, and the other for James L. Savage on Allen Street in an R-4 district of Venice Township.

Both mobile home permits specify they are for the sole occupancy of the families who applied and are for a period of up to five years.

The Barks family also requested a variation in setback requirements, which is recommended for approval.

YOUNG METER MAID. Beth Wyatt, 2424 Sheridan Ave., Granite City, writes a ticket for a vehicle parked at an expired meter in a parking lot at Southern

Illinois University at Edwardsville. She is a student worker in the vehicle registration office. Classes resumed Sept. 25.

Gymnastics class, tumbling will start

Starting Monday, Oct. 16, the Granite City Park District will begin its tumbling and gymnastics classes for youngsters in Grades 1 through 12.

Registration will take place at the Nameoki Recreation Center, Amos and Franklin avenues, on the first day a class is scheduled.

The schedule each Monday and Thursday will include:

Beginners—5 p.m. to 6 p.m.
Advanced beginners—6 p.m. to 7 p.m.
Intermediates—7 p.m. to 8 p.m.
Advanced intermediates—8 p.m. to 9 p.m.

The advance class will meet Wednesdays from 7 p.m. to 9 p.m.

All sessions will be held at the Nameoki Recreation Center.

Bakalis calls for 'sense of purpose'

Americans today expect more than ever before. In fact, many think they're "entitled" to certain things out of life, says Michael J. Bakalis, Democratic candidate for governor of Illinois, educator, author and historian.

He terms the phenomenon the "revolution of rising entitlements" and considers it the source of much discontent in the U.S. today.

"Americans are concerned about the increasing affect of government on their lives, yet often their own desires have precipitated the situation," he says.

But Bakalis isn't placing all of the blame on the people and in his new book, "A Sense of Purpose," (Nelson-Hall Publishers; Oct. 3, 1978; \$1.95 paperback), he makes that clear.

"Traditionally, the essential ingredient for American happiness has been a high material standard of living. Indeed, America was born amidst a natural abundance.

"Yet, just as our country has approached the limits of a variety of its natural resources, so have we found happiness beyond our grasp."

Government becomes the scapegoat, according to Bakalis. "It is not unusual to hear people today proclaim that our government, our complex set of ideas we call 'the system,' is responsible for the shortcomings of our society," he says.

"We no longer seem to embrace a commonly accepted sense of purpose or set of ethical ideals. We feel helpless as individuals."

"Alongside the 'revolution of rising entitlements' — and its attendant unwieldy government bureaucracy — rises the power of special interest lobbies."

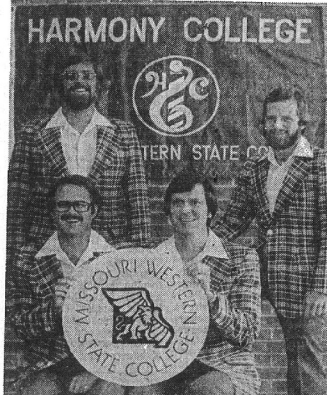

Americans have the capacity to change things, though, Bakalis firmly believes.

"A Sense of Purpose" traces the basic steps he considers necessary to confront the complex social and economic problems facing the country today — taxes, welfare, education, health care and government waste.

Bakalis believes that this regeneration would be another revolution: "To rely upon our own resources and upon non-governmental institutions for strength and guidance amounts to nothing less than a revolution in our thinking."

"In formulating our agenda, we must raise questions for which there are no obvious and ready answers. But who could argue that there is not a greater role to be played by our religious institutions, our community-based organizations, our volunteer groups, our courts, and our families?"

"Our government over the past 50 years has gradually assumed more and more of the functions these viable institutions once performed. Such a trend is only irreversible if we passively accept it."

MALE DELIVERY QUARTET was among 700 men, from the U.S., Canada and England attending the seventh annual Harmony College on the campus of Missouri Western State College in St. Joseph, Mo., conducted by the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America. Seated are Lyle Wilson, lead, from the Waterloo chapter, at left, and Bob Cernal, bass, of the Belleville Chapter. Standing from left are Al Mueller, tenor, of the Collinsville chapter, and Richard Pilch of Granite City, baritone, of the Collinsville chapter.

Long Lake open house, GC visits

The Long Lake Fire Department will hold an open house in its new building, 4113 Pantoon Road, Pantoon Beach, on Saturday and Sunday from 9 a.m. until 6 p.m.

This week is Fire Prevention Week in the United States.

According to George Smolich, assistant fire chief in Granite City, the general public is welcome to visit any of the Granite City fire houses between 9 a.m. and 6 p.m. through Saturday.

Firemen on duty will explain various equipment used in fire fighting.

All fire departments in the Quad-Cities are visiting schools, emphasizing fire prevention techniques to the children.

Farrell honored as 'boss'

The eighth annual "bosses' night" sponsored by the Madison County Legal Secretaries Association at Lockhaven Country Club, Alton, last week honored a former Granite Cityan selected as the 1978-1979 boss of the year; John A. Farrell.

Election of the boss of the year was made by the members at their September meeting.

Farrell resides with his wife, Loretta, and four children, Lori, Dan, Mike and Jennifer, in Fostertown.

He obtained his law degree from St. Louis University and also holds a bachelor degree in accounting from the University of Illinois.

Before entering the law field, Farrell was an Internal Revenue agent, examining estate tax returns.

He specializes in estate, tax and corporate work and has taught various courses for the Illinois Institute for Continuing Education. He belongs to the Twelfth Street Presbyterian Church, Alton.

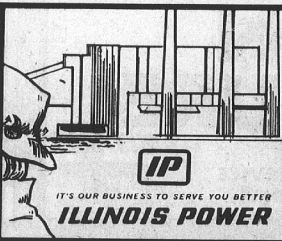

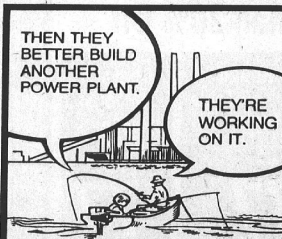

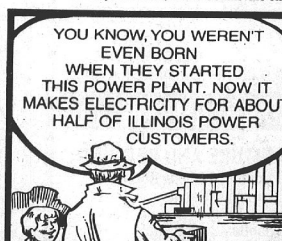

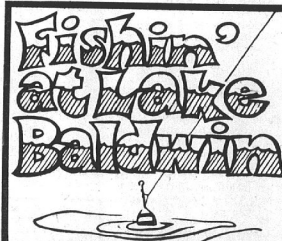

Selected as the 1978-1979 secretary of the year was Judy Acup. She has been a member of the Madison County, Illinois and National Associations of Legal Secretaries and has been employed by J. Lawrence Keshner for the past five years.

She lives in Roxana with her husband, Lloyd, and two children, ages 15 and 12, and is a member of the First Baptist Church of Roxana.

PROBATION GRANTED
John E. Bargiel, 21, of 2207b Grand Ave., has been sentenced by Circuit Judge Harold R. Clark in Madison County Circuit Court to serve one year of probation and participate in a drug rehabilitation program after he pleaded guilty to possessing a controlled substance Feb. 22. The charge was reduced from delivery of a controlled substance.

Annual meet of health planners

The chairman of the National Council on Health Planning and Resource Development, Sally Berger, will give the keynote address Tuesday, Oct. 24, at the annual meeting of the General Assembly of the Greater St. Louis Health Systems Association (HSA).

The meeting will begin at 6:30 p.m. at the Rodeway Inn, 2600 Market St. (at Jefferson) in St. Louis. Ted Eiertman, St. Elizabeth Hospital executive vice-president, is the HSA first vice-president.

The meeting will also feature an election by the General Assembly members of 16 persons to the board of directors and three persons to the nominating committee of the HSA.

Six of the sixteen board slots are contested. The League of Women Voters will assist with the balloting registration for the meeting starting at 5:30 p.m. Mrs. Berger was appointed in August 1977 by Joseph Califano, secretary of the Department of Health, Education and Welfare (HEW), as the first chairman of the National Council on Health Planning and Resource Development.

The National Council makes recommendations to the HEW secretary on national health planning policy to augment and facilitate state and regional health planning efforts. The council was authorized by the same federal law that created health systems agencies.

Mrs. Berger also chaired the Chicago Commission for Health Planning and Resources Development (the HSA for the City of Chicago).

She is the first woman to head a commission of that import in Chicago. She is also a member of the Illinois Statewide Health Coordinating Council.

It has been said that Mrs. Berger is one of the few individuals active in health planning simultaneously at the local, state and national levels.

The following is the slate of candidates for the board of directors that General Assembly members will vote on that evening, including those endorsed by the nominating committee and those nominated by petition.

CLINTON COUNTY CONSUMER: B. Carson Hemphens (endorsement and petition).

CLINTON COUNTY CONSUMER BUSINESS AND PROFESSIONS: Joseph J. Heilmann (endorsement and petition).

MADISON COUNTY PROVIDER-HEALTH PROFESSIONAL: Homer L. Ruedin, R.Ph. (endorsement), Aline J. Pfeiffer, M.S.W. (petition), and Gloria D. Simms, R.N. (petition).

MADISON COUNTY PROVIDER-HEALTH PROFESSIONAL SCHOOL: Patricia Forni, R.N., Ph.D. (endorsement) and Louis J. Reibling, Ph.D. (petition).

MADISON COUNTY CONSUMER MAJOR PURCHASER: Eugene D. Hudson (endorsement).

MONROE COUNTY CONSUMER: Diane Daley Kwan (endorsement and petition).

ST. CLAIR COUNTY CONSUMER-LABOR: Ulysses Green (endorsement).

ST. CLAIR COUNTY CONSUMER (two): Dortha Lewis (endorsement and petition), Marjorie Olive (endorsement), and John R. Dosier (petition).

JEFFERSON COUNTY PROVIDER-HEALTH PROFESSIONAL:

Margaret A. Jonemann, R.N. (endorsement and petition), and Alice Johnson, R.N. (petition).

JEFFERSON COUNTY CONSUMER-BUSINESS AND PROFESSIONS: M. Reginald Sims (endorsement).

ST. LOUIS CITY CONSUMER-LABOR: Mary C. Jones (endorsement).

ST. LOUIS CITY CONSUMER: Brenda J. Duckworth (endorsement and petition), and Phyllis Landorf (petition).

ST. LOUIS COUNTY CONSUMER: Clair Rodriguez (endorsement and petition), Patricia Barrett (petition) and Harriet Crittendon (petition).

ST. LOUIS COUNTY PROVIDER-HEALTH PROFESSIONAL: George Wohlschlaeger, D.O. (endorsement and petition).

ST. CHARLES COUNTY CONSUMER: Peggy Coppage (endorsement).

Three General Assembly members will be elected to the nominating committee. Nominated for these positions are J. Lawrence Keshner, Joanne F. Lampe and Bette Jayne Powell.

For further information, Quad-Cityans may contact Mary E. Lee, director of Community Development and Health Education, extension 611, at (314) 241-5801.

Driver faces four charges

Paul A. Sheridan, 27, of 2823 Grand Ave., was charged with driving while under the influence of alcohol, resisting arrest, reckless driving and a stop sign violation after his auto allegedly struck three parked cars in the 2400 and 2500 blocks of Edison Avenue on Monday.

Witnesses alleged an auto was northbound at a high rate of speed and struck the parked car of Randall R. Hill, 2447 Edison Ave., in front of Hill's home and then continued through the stop sign.

It allegedly struck the parked auto of Tim Schwendeman, 2205 Edison Ave., on the left side of the street, and then the parked car of Richard Wickman, 2518 Edison Ave., on the right side of the street, before coming to a stop.

Officers alleged the driver was staggering and was taken into custody and placed in the rear seat of a squad car. While he was being questioned, a woman approached and opened the rear door of the squad car, allowing the man to get out, it was related.

The computer also told them, "You have saved \$900 to spend for the trip, and you've just paid \$200 for a wagon. You will need to spend the rest of your money on food, clothing, ammunition, clothing and miscellaneous supplies."

"You can spend all your money before you start your trip, or you can save some of your cash to spend at forts along the way when you start your trip."

"You can also go hunting to gather more food. Whenever you have to use your trusty rifle, you will be told to type in a word that sounds like a gunshot. The faster you type in that word and hit the return key, the better luck you'll have with your gun. Good luck."

As the student progresses along his or her journey, many troubles arise. The computer is quick to issue warnings, such as, "Your wagon gets swamped fording the river. You lose food and clothes."

Each time the student is too slow on the draw, he or she is admonished, "You missed, and your dinner got away." This phrase becomes repetitious during the playing of the game. Conditions deteriorate to a point that it looks like a no-win situation.

Losses occur all over the place. Hostile riders appear. Because of heavy rains, time is lost along with supplies.

The computer rolls on, "You missed and your dinner got away."

Computer-aided learning explores outer dimensions of the imagination

While computers won't be replacing school teachers any time soon, their terminals are already a familiar sight to students at all levels of education from kindergarten through the college years.

Students from elementary and high schools are visiting through the college years. Southern Illinois University at Edwardsville this fall will work with programs that were written by their instructors enrolled in a computer class last summer.

Social studies students were on the university campus last week, learning about the hardships of settlers traveling westward during the middle part of the last century. Their classroom was the School of Education computer laboratory.

In providing background material on the trip gleaned from diaries and logbooks of people actually making the journey, a computer advised the students:

"This program simulates a trip over the Oregon Trail from Independence, Mo., to Oregon City, Ore. in 1847. Your family of five will cover the 2,040 miles in five or six months — if you make it alive."

The computer also told them, "You have saved \$900 to spend for the trip, and you've just paid \$200 for a wagon. You will need to spend the rest of your money on food, clothing, ammunition, clothing and miscellaneous supplies."

"You can spend all your money before you start your trip, or you can save some of your cash to spend at forts along the way when you start your trip."

"You can also go hunting to gather more food. Whenever you have to use your trusty rifle, you will be told to type in a word that sounds like a gunshot. The faster you type in that word and hit the return key, the better luck you'll have with your gun. Good luck."

As the student progresses along his or her journey, many troubles arise. The computer is quick to issue warnings, such as, "Your wagon gets swamped fording the river. You lose food and clothes."

Each time the student is too slow on the draw, he or she is admonished, "You missed, and your dinner got away." This phrase becomes repetitious during the playing of the game. Conditions deteriorate to a point that it looks like a no-win situation.

Losses occur all over the place. Hostile riders appear. Because of heavy rains, time is lost along with supplies.

The computer rolls on, "You missed and your dinner got away."

that "today's young vibrant teachers will be quite innovative when it comes to integrating creative thinking with computer programming."

"Most of the school teachers who return to SIUE for additional training are searching for the latest developments in teaching techniques. They are not afraid to try something new and different."

The School of Education's computer lab already has a wide range of topics at varied levels of difficulty to choose from. Programs are available in chemistry, physics, earth science, sociology, history, foreign language, language arts, geography, music, mathematics, driver education and business.

While the programs are intended to teach the students, they also are useful in teachers' determining where their students are in a particular subject.

"Through the examination of printouts, they can readily see where the students are having

difficulty," Schnabel said. "The programs also are useful where remedial work or reinforcement is needed."

Two types of programming are available — supportive and non-supportive. Supportive programs are more personalized, picking up the student's name and talking to him or her at intervals during the interaction.

The School of Education isn't the only unit on campus providing computer assistance. There are satellite labs in several locations, including the School of Business, School of Science and Technology and School of Social Sciences.

All of them tie into the university's Data Processing and Computer Center, located in the Communications Building.

The center is the headquarters for the Mid-Illinois Computer Cooperative (MICO), a group of 10 universities and other agencies sharing computer facilities throughout the state.

These make up a growing resource for teachers and their students, utilizing the computer as an educational tool," Schnabel concluded.

GRANITE CITY PRESS-RECORD

Thurs., Oct. 12, 1978 Page 33

Hearing on EPA suit is next week

A public hearing on Illinois Environmental Protection Agency charges against the Granite City municipal secondary sewage treatment plant will be held at 1 p.m. Thursday, Oct. 19, in the Granite City Hall.

The EPA has asked for a \$10,000 penalty for alleged violations of sewage effluent standards and an additional \$10,000 for each day the city is in violation.

A complaint filed by the EPA alleges discharges into the Mississippi River have contained excessive amounts of biological oxygen demand and iron.

The city contends others are responsible, since the city has never officially accepted the plant from the contractor due to some of the equipment.

FACES TWO CHARGES

Rollin R. Bickell Jr., 18, of 2415 Grand Ave., stopped by police at 5:20 a.m. Saturday on Madison Avenue at 27th Street for allegedly operating a vehicle with only one taillight, also was charged with transportation of bottles of beer.

Quiche—It's easy as pie to prepare

By MARJORIE RICE
It never fails. Take a simple recipe, give it a French name, and cooks who should know better will despair of ever trying it, opting instead for something that sounds easy.

Today, we'll take the mystique out of the quiche. (Say KEESH.) It can be nothing more than some eggs and cream, beaten together and poured into a pie shell.

Actually, quiche is like an omelet. You can put practically anything in one that strikes your fancy. Chopped spinach, broccoli or asparagus are nice for vegetable quiche. Or put in some cooked cubed or shredded beef, pork, poultry or seafood.

You can use heavy cream for a richer taste, or half and half to cut calories. Grated cheese—Swiss, gruyere, cheddar or other flavorful varieties—is an excellent addition.

Quiche is good for you, unless you're counting calories or cholesterol. It's high in protein, and the vegetable versions make a nicely balanced dish.

It can be economical, too. Use leftover bits of roast beef or chicken (keep quiche in mind after Thanksgiving). Little chunks of cheese that are in danger of drying out in the refrigerator, or bits of leftover cooked vegetables.

It's a simple technique. If you can make a pie crust, and beat eggs you can make quiche. It all goes together in less than 30 minutes (even less if you use frozen deep-dish pie shells).

The crust can be the frozen, deep-dish variety, if you're in a hurry. But if you simply cannot bring yourself to try homemade crust.

MUSHROOM QUICHE
1 9-inch pie shell
4 eggs, beaten
1/4 lb. fresh mushrooms, sliced
1/4 cup sliced green onions
1 tsp. butter
1 cup (4 oz.) shredded Swiss cheese
1/4 cup half and half, light cream or milk
1/4 cup grated Parmesan cheese
1/4 tsp. salt
1/4 tsp. pepper

Brush the inside of the pie shell with a small amount of the beaten eggs. Prick bottom and sides with fork. If using a pie plate, bake shell in preheated 450-degree oven five minutes or until light golden brown. If using a metal pie pan, bake shell at 425 degrees.

Set pie shell aside. Reduce oven temperature to 375 degrees for pie plate, 350 degrees for metal pie pan. In large skillet over medium heat saute mushrooms and onion in butter until mushrooms are lightly browned and onion is tender, about six to eight minutes. Stir together mushrooms and Swiss cheese. Put into pie shell. To the beaten eggs, add all remaining ingredients. Beat until well blended.

Pour over mushroom mixture. Bake in preheated oven 35 to 40 minutes or until knife inserted near center comes out clean. Let stand five minutes before serving. Serves six.

NOTE: You may use a thawed frozen deep-dish pie shell. Pre-bake shell in preheated 425-degree oven. Bake quiche at 350 degrees for 40 to 45 minutes.

QUICHE INTERNATIONAL
1 9-inch pie shell
6 eggs, beaten
1/4 cup chopped cooked chicken or turkey
1/4 cup grated Parmesan cheese
1 can (10 1/2 oz.) condensed cream of celery soup, undiluted
1/4 cup half and half, light cream or milk
1 tsp. salt

Brush the inside of the pie shell with a small amount of the beaten eggs. Prick bottom and sides with fork. If using a pie plate, bake shell in preheated 450-degree oven

five minutes or until light golden brown. If using a metal pie pan, bake shell at 425 degrees. Set pie shell aside.

Reduce oven temperature to 375 degrees for pie plate, 350 degrees for metal pie pan. Stir together chicken and cheese. Put into pie shell. To the beaten eggs, add all remaining ingredients. Beat until well blended. Pour over chicken and cheese.

Bake in preheated oven 30 to 35 minutes or until knife inserted near center comes out clean. Let stand five minutes before serving. Serves six.

QUICHE LORRAINE
1 9-inch pie shell
6 eggs, beaten
8 slices bacon, crisped, cooked, drained and crumbled
1 cup (4 oz.) shredded Swiss cheese
1/4 cups half and half, light cream or milk
1/4 tsp. salt
1/4 tsp. nutmeg
1/4 tsp. pepper

Brush the inside of the pie shell with a small amount of the beaten eggs. Prick bottom and sides with fork. If using a pie plate, bake shell in preheated 450-degree oven five minutes or until light golden brown. If using a metal pie pan, bake shell at 425 degrees. Set pie shell aside.

Reduce oven temperature to 375 degrees for pie plate, 350 degrees for metal pie pan. Stir together bacon and cheese. Put into pie shell. To the beaten eggs, add remaining ingredients. Beat until well blended.

Pour over bacon-cheese mixture. Bake in preheated oven 35 to 40 minutes or until knife inserted near center comes out clean. Let stand five to 10 minutes before serving. Serves six.

BASIC QUICHE
1 9-inch pie shell
6 eggs, beaten
1 cup (4 oz.) shredded Swiss cheese
1/4 cup chopped, cooked, and drained meat, seafood, poultry or vegetable
1/4 cups half and half, light cream or milk
1/4 tsp. thyme
1/4 tsp. salt

Brush the inside of the pie shell with a small amount of the beaten eggs. Prick bottom and sides with fork. If using a pie plate, bake shell in preheated 450-degree oven five minutes or until light golden brown. If using a metal pie pan, bake shell at 425 degrees. Set pie shell aside.

Reduce oven temperature to 375 degrees for pie plate, 350 degrees for metal pie pan. Put cheese and meat (or vegetable) in pie shell. To the beaten eggs, add all remaining ingredients. Beat until well blended.

Pour over cheese-meat mixture. Bake in preheated oven 30 to 35 minutes or until knife inserted near center comes out clean. Let stand five minutes before serving. Serves six.

Thousands in run to Arch

The Tri-City Area YMCA in Granite City was well represented in Saturday's "run to the Arch."

Seven members of the "Y" and two employees participated in the noncompetitive running event, held to demonstrate the value of regular exercise. All of the "Y" runners braved the seven-mile course to the Gateway Arch, starting from the southwest corner of Forest Park.

About 4,500 to 5,000 runners took part in the event, with the largest number of them starting at the Forest Park location. Those participating from the "Y" were Rod Baustian, Rich Essington, Frank Halvachs, Mark Koelker, John Morton, Don Wargin, George Wolfe, Don Rains, and Ed Mercer, physical director.

Other Granite Cityans also made the run.

CROSSWORDS

Sugary version of 'Heartache'

DAVE & SUGAR — Tear Time (RCA) — This is one of the happier combinations of the 1970s. Just the right mix of voices and you get a new and fresh sound. You'll like Dave & Sugar's version of "It's a Heartache."

JESSE WINCHESTER — A Touch on the Rainy Side (Warner Bros.) — Folk singer-composer spins some interesting tales on this Nashville-made LP. Like the ballad, "A Little Glass of Wine." It's Jesse's salute to his days of wine and roses — when he was a heavy drinker.

SLAVE — The Concept (Cotillion) — These ten young men from Dayton, Ohio, have put together an eye-opening stage show that relies for effects on 3-D animation, photography and other audio-visual spectacles. The LP is hard-hitting funk from a group that won't record World's new album last year as the top new rhythm and blues band.

Richer than Onassis

LAS VEGAS — While the world-wide Elvis Presley convention was anything but a huge success, it's a fact that Presley was the number one top drawing attraction at the Las Vegas Hilton. And it's another fact that Presley's worth more dead than alive.

In the past year, his records grossed \$46 million and memorabilia sold \$500 million. Daughter Lisa will be richer than Onassis. Col. Parker and Elvis' dad, Vernon, are doing okay too.

Counting fish by pounds

The following information, developed by biologist Kenneth Carlander, gives an idea of the carrying capacity by species of fish in lakes.

It shows that the pondage of fish per acre is limited, although the number of fish may not be. In other words, a one-acre lake might support 60 one-pound black bass, or it might support one 60-pound black bass (with 60,000 fisherman chasing it), but it probably will not support more than 60 pounds of black bass.

The figure in parentheses after each species is the maximum number of pounds of that fish that a one-acre lake could support.

Pike (22); walleye (30); largemouth bass (60); channel catfish (60); crappie (70); bluegill (150); gizzard shad (450); and carp (500).

It also shows that the least desirable fish, carp and shad, can be supported in far greater numbers than the most popular sport fishes.

This difference in carrying capacity occurs because game fish are the top predators while most of the others serve as forage fish.

How not to get seasick

Q. Could you tell me the real name of the ship they use in "The Love Boat"? Also, how long are they out to sea filming the series? — E.B. Kinsman, Ohio.

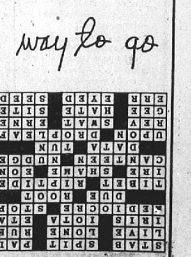

A. I think you're in for a big disappointment. The series does not use a real pleasure boat, except in very rare instances. Most of the filming of "The Love Boat" takes place aboard an exact replica of a cruise ship built on a large studio sound stage.

Some stock footage is used to give the appearance the boat is sailing along the blue Pacific Ocean.

Q. Is Dennis Dugan, who plays the lead role in "Bicycle Breakman, Private Detective," related to actor Andrew Dugan? — J.P. Chesapeake, Penn.

A. They are not related.

way to go

Better save than sorry.

Everybody knows it's better to save for the things you want than to be sorry when you find yourself short of cash. And the best way to save is to set aside a part of every paycheck.

But don't just set your savings aside. Use your savings dollars to open a passbook savings account with us — and you'll earn 5 1/4% interest. That's the highest rate we are allowed to pay on passbook savings according to federal regulations. And when you set your savings aside with us, you'll earn top interest daily... from the day you put it in until the day you decide to take it out.

Get into the savings habit. When you save with us, you won't be sorry.

Local labor will assemble foreign component parts at Trade Zone

(Madison County Overall Economic Development Committee)

The Madison County Overall Economic Development Committee is vitally interested in the economic welfare of Madison County and views the development potential at Tri-City Regional Port District as a major element in the improvement of economic conditions.

In past years, our committee has assisted the district in its development program and has recently designated the port as a first priority for development within the county.

Therefore, the Madison County Overall Economic Development Committee supports and endorses the Foreign Trade Zone development project of the Tri-City Regional Port District.

A critical step toward accomplishing the port's potential economic impact was the designation of a Foreign Trade Zone (FTZ) within the Tri-City Regional Port District — St. Louis Metropolitan Foreign Trade Zone 31.

The Foreign Trade Zone is important because it has unique, cost-saving advantages for manufacturers and wholesalers involved with importing and exporting foreign commodities.

These types of activities located in the FTZ, they will in turn attract related industries which will multiply the ultimate

effect of any investment that would occur in the FTZ.

The principal problem encountered by the Port District in its development of the FTZ has been a lack of funds for initial site improvements necessary to insure that the FTZ complies with U.S. Customs regulations (Sections 400.002 and 400.003) governing the assembly and segregation of the FTZ from other port operations.

This investment must be assumed by the port in order to attract private developers, because the costs of making these improvements adversely affect the economics of the FTZ by a private developer.

Therefore, a source of funding must be sought for the FTZ security and site improvements if the economic potential of the Port District is to be realized.

UDAG (Urban Development Action Grant) provides an excellent opportunity to capitalize on this development potential, because a private developer is ready to invest over \$1 million in the FTZ if the previously mentioned improvements can be made.

The Madison County Overall Economic Development Program (OEDP) Committee has identified development within the Tri-City Regional Port District as its number one priority.

The Foreign Trade Zone comprises a 47-acre tract of land within the Tri-City Port. The Port has an Industrial Center — a 127-acre industrial park — on the western limits of the FTZ, adjacent to the Chain of Rocks canal.

Development of a foreign trade zone at this site was a logical extension of present activities at Tri-City Port which include intermodal transportation operation of commodities in the import-export trade.

In promoting the development of the port and, consequently, FTZ 31, the OEDP committee hopes to take advantage of a number of unique characteristics of the zone.

Primary among these characteristics is the ability of the FTZ to use American labor in the assembly of foreign manufactured component parts.

Considering the current availability of a substantial unemployed labor force within Madison County, the OEDP committee feels that residents will be able to take advantage of the development of ap-

proximately 1,700 jobs over the next several years.

As indicated, however, the principal problem encountered in the development of the FTZ since its designation in September 1977 has been a lack of available funds for initial site improvements necessary to insure the marketability of the site and to insure that the FTZ complies with U.S. customs regulations.

In order to eliminate this obstacle and proceed with the development of the Trade Zone, Madison County proposes to use an Urban Development Action Grant to provide the required security facilities and other site improvements necessary to secure approximately \$15 million in private investment to make the FTZ fully operational.

Since the anticipated 1,700 plus employment opportunities created through the proposed UDAG project will primarily benefit low and moderate-income families and unemployed individuals residing in the vicinity of the port, additional action must also be undertaken to provide an immediate and viable solution to the housing needs of low and moderate income workers attracted by increased employment opportunities.

The project area is, however, adjacent to three communities that have sufficient housing to meet these needs if appropriate rehabilitation efforts are undertaken.

A portion of the UDAG funds, therefore, will be used to institute rehabilitation programs in Granite City, Madison and Venice to help meet housing demands resulting from the anticipated expanded employment opportunities.

In summary, the UDAG Foreign Trade Zone development project has multiple objectives.

On the one hand, it provides an opportunity for Madison County to satisfy major employment and industrial development needs — thereby improving the economic viability of the county and its residents.

Secondly, it can improve housing opportunities for this same group of low and moderate-income persons who are expected to secure employment opportunities from the project.

The Madison County Foreign Trade Zone development program is a significant component of the county's comprehensive community and economic development strategy.

Weather impact on garden crops

By CHRIS DOLL, Area Gardening Adviser

Each growing season is different in Southwest Illinois because weather conditions vary from year to year. 1978 weather was somewhat different than other years, and its effects are now visible in several crops.

The apple crop here was reduced in size by adverse conditions last spring. However, the hot weather in July, August and early September is responsible for the poor coloring and uneven maturity of the fall varieties. Cool temperatures arrived too late to greatly improve fruit color. Thus, mature apples should be picked and stored as soon as possible to preserve the quality.

Rough, odd-shaped sweet potatoes and white potatoes are most likely due to hard soil. Dry soils become hard enough to affect root and tuber shape. During periods of low rainfall, internal quality isn't affected by this condition, and they will

store quite well under proper conditions.

Poor stands of fall-seeded lettuce have been reported by several gardeners. Lettuce requires cool temperatures and adequate soil moisture for germination. These conditions were generally lacking in August.

Some lettuce that did grow under hot and dry conditions because of the above-normal temperatures. These conditions were due to high temperatures and poor growing conditions. This led to the lettuce being picked with normal October weather. Popcorn ears may also show effects from the growing season. Unfilled ends of the ear usually mean a shortage of moisture during pollination time.

If the ears are smaller than normal and somewhat chaffy, it means that both soil moisture and nutrients were deficient during the growing season. Regardless of the quality, it should now be harvested and stored for popping in 1979.

Many other crops are influenced by the growing season in their size, shape and quality. But gardeners who have wisely used water, fertilizers and good cultural practices should have overcome the natural problems of the 1978 season.

3 injured at 26th-Madison

Three people were injured at 11:45 a.m. Saturday when two vehicles collided on Madison Avenue at 26th Street and knocked down a fence at Eagles Aerie 1126, located on the southeast corner of the intersection.

Mrs. Olivia S. Lehman, 2612 State St., was traveling eastbound on 26th and Robert P. LaRoche, 2317 Namekiki Road, was driving south on Madison Avenue when the accident occurred.

Mrs. Lehman suffered pains in the chest area from hitting the steering wheel and also from swelling of the left hand and left leg. She had X-rays and tests taken at St. Elizabeth Hospital and was treated before being released.

The impact knocked LaRoche to the passenger side of his car, bumping his head and left knee. X-rays were taken and he was released.

Mrs. Ella S. McKittick, 2324 Washington Ave., a passenger in Mrs. Lehman's car, had pains in the leg and head. She also had X-rays made and was released after treatment.

All three had been taken by ambulance to the hospital.

LAWN MOWER STOLEN A yellow lawnmower valued at \$185 was stolen from the rear yard at the home of Joseph Summers, 2825 Dale Ave., between Oct. 2 and 10:50 a.m. Sunday when the theft was discovered.

Multiple charges after disturbance

Shelby Wallace, 40, of 3601 Kirkpatrick Homes, faces four charges after a disturbance in Kirkpatrick Homes at 4:45 p.m. Thursday.

He was charged with aggravated assault, reckless conduct, criminal damage to property and reckless driving after he allegedly struck another car with his and then drew a knife.

John Hand, 3801 Lake Drive, Pontiac, was also arrested. A Lincoln Continental had been following his car around Kirkpatrick Homes until Hand parked his car and went inside 3605 Kirkpatrick.

He said he heard a crash and ran outside, discovering that the Lincoln had struck his parked car. He alleged the Lincoln backed up and struck the auto one or two more times, pushing it sideways into a utility pole.

Hand then alleged the Lincoln nearly ran over him. Hand ran inside and said the vehicle left the scene. Later, Hand said he saw a similar auto in the 400 block of Kirkpatrick and the driver called Hand over to the car.

The complainant refused and alleged the driver reached under the dashboard and got out, displaying a knife. As the driver approached him, Hand picked up a shovel and hit the driver on the arm with it, he related.

The man with the knife allegedly threw it at Hand, missing him but nearly hitting a 14-year-old Kirkpatrick Homes girl.

Police then arrived and stopped the fighting. Hand signed a complaint alleging aggravated assault, and the girl signed a complaint alleging reckless conduct.

Wallace was arrested and taken to St. Elizabeth Hospital, where he was treated for minor injuries and was returned to police custody. He was released at 7:55 p.m. Thursday after posting \$500 cash bond.

Teen clinics

Teen clinics in knitting and personal care will be offered through the Office of Conferences and Institutes (2660) at SIUE beginning Saturday, Oct. 21.

Five sessions in beginning knitting will be offered from 9:30 to 11:30 a.m. in Room 2415 of Peck Classroom Building. Participants will find the Christmas stocking while learning basic techniques. Judy Paulmeyer is the instructor and there is a \$15 registration fee.

"Self Images '78," a course designed for girls, will concentrate on areas of clothing coordination, skin care and makeup, modeling secrets and teenage etiquette. It will meet in Room 2414 of Peck from 9:30 to 11:30 a.m. Course instructors are Elaine Smith and Diane Burian and cost of the course is \$20.

Preregistration is necessary because of class sizes are limited.

In the House of Representatives, Crane is a Member of the Committee on Ways and Means. He serves on the Health Subcommittee and is ranking Republican member of the Subcommittee on Oversight.

He is also a founding member and vice-chairman of the Republican Study Committee. Crane also serves on the Republican Policy Committee.

Crane speaker at Eisenhower dinner

Congressman Philip M. Crane (R-IL) will be the principal speaker at the 10th annual Eisenhower dinner of the Republican party in the 23rd Congressional District, it was announced Tuesday by State Central Committee Chairman William D. Stiehl.

Cong. Crane, who has represented the Illinois 12th District since 1969, is the first announced 1980 candidate for U.S. president. He is considered one of the most articulate advocates of the conservative cause.

The \$25 per person dinner will be held at Fischer's Restaurant, Belleville, on Tuesday, Oct. 31. Tickets are obtainable from Republican headquarters, 277 1978, and the offices of William D. Stiehl, 234-2424, Harry Stiehl, 297-9493, and Hugh Enyart, 632-7010.

Crane, a Republican from Mount Prospect, was first elected to the U.S. House of Representatives in a special election in November 1969. He was re-elected in 1970, 1972, 1974 and again in 1976.

The congressman was born in Chicago on Nov. 3, 1930, and attended Chicago public schools. He attended De Paul University in Greencastle, Ind., and received his bachelor degree at Hillsdale College in Michigan.

He did post-graduate work at the University of Michigan and the University of Vienna and received his master and Ph.D. degrees from Indiana University. He is one of only 13 members of the House of Representatives with a doctorate degree.

Crane served in the Army in Europe from 1954 to 1956. He taught history at Indiana University for three years before joining the faculty of Bradley University, Peoria, where he was assistant professor of history from 1963 to 1967. In 1967-68, he was director of schools at Westminster Academy in Norbrook, Ill.

He is the author of three books, "The Democrat's Dilemma" (1964), "The Sum of Good Government" (1967) and "Surrender in Panama: The Case Against the Treaty (1978)" as well as having contributed chapters to "Can You Afford This House?" (1978), "The Case Against the Reckless Congress (1976)", "Continuity in Crisis: The University at Bay (1974)" and "Crisis in Confidence: The Impact of Watergate (1974)".

He is currently a trustee of Hillsdale College, a director of the Intercollegiate Studies Institute, a member of the advisory board for Young Americans for Freedom and chairman of the American Conservative Union (ACU).

His professional affiliations include the American Historical Association, the Organization of American Historians, the American Political Science Academy, the American Society of Composers, Authors and Publishers, the International Platform Association and the United States Capitol Historical Society.

He is also a founding member and vice-chairman of the Republican Study Committee. Crane also serves on the Republican Policy Committee.

Arrested on warrant Darrin D. Obermeier, 1827 Third St., Madison, was arrested during the weekend by Madison police on a warrant issued by the Madison County state's attorney's office, which is petitioning the court for revocation of probationary status. He was transferred to Madison County Jail at Edwardsville by sheriff's deputies this week.

Starts pre-flight helicopter school

Army Private Mark R. Parizon has started pre-flight helicopter training at Fort Eustis, Va., near Williamsburg. He is the son of Mr. and Mrs. Richard W. Parizon, 1716 Spruce St.

The serviceman graduated from basic training courses at Fort Jackson, S.C., Oct. 2, the same day he celebrated his 18th birthday.

His parents attended the graduation ceremonies. A June 1978 graduate of Granite City High School South, Pvt. Parizon is a former part-time employee of Michel Jewelers and Gift Shop, 1842 State St., where he had worked after school and during the summer months.

Upon completion of a 90-day course at Fort Eustis, he will transfer to either Fort Campbell, Ky., or Fort Rucker, Ala., for advance helicopter training.

PVT. MARK PARIZON

NEWMAN PROMOTED TO AIRMAN IN GERMANY Sombach, Germany — William E. Newman, son of retired Air Force Senior Master Sergeant and Mrs. William E. Newman, Glen Carbon, has received his first promotion in the U.S. Air Force. Promoted to airman, he has completed training at Lackland AFB, Tex., and is now assigned at Sombach Air Base. He serves as a security specialist with a unit of the U.S. Air Force in Europe. The airman is a 1974 graduate of Edwardsville High School and attended the Collinsville vocational school. His wife, Ren, is the daughter of Mr. and Mrs. Roy W. Bulander, 1349 Rock Road, Granite City.

Bar reaffirms Cohn only one being recommended for judge

An evaluation of all candidates for judicial vacancies and for retention in judicial offices outside Cook County was completed Tuesday by the Illinois State Bar Association.

Candidates were rated "recommended" or "not recommended" based on a poll of lawyers conducted by the State Bar Association in cooperation with local bar associations.

In the Third Circuit, Gerald B. Cohn (R) is recommended and William E. Johnson (D) is not recommended.

Polls were conducted last February on candidates who appeared on the primary ballot in March.

Those results were re-released along with a new poll on seven additional candidates for vacancies and 68 judges seeking retention in office in the Nov. 7 election.

Candidates were evaluated by lawyers who practice in the district or circuit of candidacy. David Peskind of Aurora, chairman of the ISBA Judicial Advisory Polls Committee, explained that the purpose of the poll is "to assist voters in

the difficult task of evaluating judicial candidates."

He added, "It is essential for the maintenance of an effective judiciary that the highest-quality candidates are elected and retained in judicial office."

A "not recommended" rating does not reflect on a candidate's ability as a lawyer. It is an indication that the candidate's colleagues, for various reasons, do not wish to recommend him or her for judicial office.

The candidates were rated on lawyers' responses to six questions which could be answered "yes," "no" or "no opinion." The questions are as follows:

1. Has the candidate adequate legal ability? (20 points)
2. Has the candidate adequate legal experience? (10 points)
3. Is the candidate courteous and considerate? (10 points)
4. Would the candidate be deliberate and fair-minded in reaching conclusions? (15 points)
5. Would the candidate be industrious and prompt in the performance of judicial duties? (10 points)

Have you confidence in the

candidate's integrity? (35 points)

He added, "It is essential for the maintenance of an effective judiciary that the highest-quality candidates are elected and retained in judicial office."

Savings cited by Thompson

Governor James R. Thompson reported during the week that continued efforts by his administration to reduce the cost of government operations — and to provide added revenue through increased management efficiency — will result in an estimated \$8.5 million in financial benefits for the state.

In a status report on implementation of recommendations from the Governor's Cost Control Task Force, Thompson said 21 more recommendations, representing \$8.5 million in financial benefits which include savings, one-time income and projected new revenue, have been put into effect.

"On Aug. 9, 1978, I directed my Cabinet to begin immediate implementation of cost control recommendations to save taxpayers' dollars."

"In less than two months, we have implemented 75 recommendations and identified \$72 million in financial benefits," Thompson said.

The governor indicated that \$7.1 million of the \$8.5 million represents a projected annual increase in tax collections that will be achieved as the result of a crackdown on corporate tax compliance activities in the Department of Revenue.

"Corporate tax compliance irregularities uncovered in the Chicago Sun Times Mirage tavern investigation revealed an urgent need to expand the state's ability to catch tax cheaters," Thompson said.

"The Governor's Task Force recommended that 24 auditors be added to the Revenue Department's current staff. Instead, we have chosen to go to 70 auditors in the next fiscal year."

Thompson said money for the new auditors will come from \$2 million earmarked in the 1978-79 budget for tax compliance activities. Forty auditors have been hired to begin Nov. 1 and an additional 30 are to be hired in the spring.

The governor said the full financial impact of the staff increase will not be realized until 1980-81, since the new auditors will have to be trained. In addition, there is a lag between the time tax liability is determined and actual tax dollars received.

Another recommendation which has been implemented involves enforcing a Department of Children and Family Services policy on filing for public aid monies for DCF's wards.

"Prior failure on the part of caseworkers to file Aid to Families with Dependent Children benefits — for those wards that the department believes could qualify — has cost the state hundreds of thousands of dollars annually in Federal Title 4A monies," Thompson said.

"One of my major priorities has been to increase the return of federal dollars to Illinois. Strict enforcement of this DCF's policy for the remainder of 1978-79 will result in an estimated \$74,000 in new federal monies," he said.

In his status report, Thompson also noted several proposals that have been implemented in the Department of Corrections for a total of nearly \$400,000 in cost avoidance and one-time income.

This includes disposing of surplus equipment and unnecessary inventory in the sheet metal shop at Stateville, and selling abandoned rail lines and other scrap metal at both the Stateville and Menard Correctional Centers.

Other recommendations which have taken effect include reducing agency mail runs in Springfield at a saving of \$49,000 annually and transferring the print shop operation in the Department of Children and Family Services to the Department of Administrative Services for an annual saving of \$67,000.

TAKE CHECK, CARD

While shopping at 4:35 p.m. Friday at National Food store, Christina Curtis, 305 Wilson Park Lane, reported a signed blank check and a card were stolen from her purse.

Welcome national champions on return from national pistol meet

Members of the Granite City Police Department revolver teams have been welcomed back from the National Police Revolver Championships held at Jackson, Miss., and attended by 900 law enforcement officers from throughout the United States and Canada.

During the shooting competition, local officers captured the marksmanship four-man team national championship.

The team members scored a total of 2,209 points and 63x (bullseyes) from a possible 2,400 points. Firing on the four-man team, and their scores, were Detective Sgt. Don Knight, 571-18x; Sgt. Dennis Joyce, 534-10x; Patrolman David Polivick, 574-21x, and "Officer Friendly" Fred Hoffman, 530-11x.

Firing on the four-man expert team and their scores, were Detective Kerry "Kip" Pomeroy, 584-24x; Sgt. Jim Lengyel, 584-25x; Sgt. Glenn Wright, 552-21x, and Detective Roy Koberna, 548-21x, for a total score of 2,268-21x, for a possible 2,400 points. They were edged out by the Dallas-Fort Worth airport police, who scored 2,315-97x.

In the individual matches of the master class, Detective Pomeroy scored 228-10x of a possible 240 points to win a trophy in the "standing without support" match at the 25 yard line.

Recently, he fired 474-33x of a possible 480 points to be named on the "Governor's 20" in the state of Illinois. The Top 20 Shooters competition in the state of Illinois is conducted by the Illinois Police Combat Association.

Patrolman Polivick, competing in the marksmanship class, scored 1,412-46x of a possible 1,500 points to capture third place in the grand aggregate national championship. He was edged out of second place by Tony Driver of White Settlement, Tex., who scored 1,416-39x out of a possible 1,500 points.

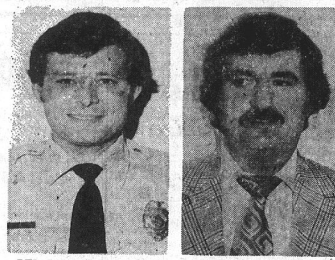

Other awards were won by Polivick in match one, firing 227-15x of a possible 240, match two with 172-6x of a possible 180, match four with 223-4x of a possible 240, and in match five he fired 572-21x of a possible 600 points.

Sgt. Knight competing in the sharpshooter class and captured a trophy in match four "standing without support at 25 yards," firing 227-6x of a possible 240 points.

The total scores of the five individual matches, of a possible 1,500 points were: Pomeroy, 1,457-62x; Lengyel, 1,446-63x; Polivick, 1,412-46x; Knight, 1,298-43x; Wright, 1,383-46x; Koberna, 1,340-25x; Joyce, 1,342-22x, and Hoffman, 1,212-13x.

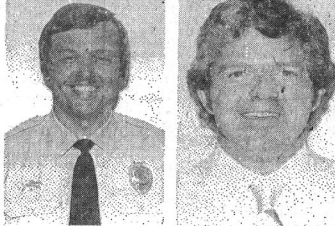

Accompanying the two teams was Lt. Col. George C. Teller, who fired an aggregate score of 1,046-16x.

The matches are sponsored by the National Rifle

First termination of CETA sponsor

Secretary of Labor Ray Marshall has terminated a prime sponsor's program under the Comprehensive Employment and Training Act (CETA) for the first time since the CETA program was created in 1973.

Marshall accepted with minor modifications the decision of an administrative law judge and terminated the City of East St. Louis as an exceptional circumstance prime sponsor.

St. Clair County became eligible to apply to serve the area previously covered by the city.

On Feb. 8, Secretary Marshall informed William E. Mason, mayor of East St. Louis, by letter that it was his intentions governing Titles I, II and VI of the program.

At the request of East St. Louis, this decision was delayed until administrative hearings could be held.

The hearings, conducted April 3, 7, 10 and 11, provided both sides with an opportunity to question and cross examine witnesses. After reviewing the record of that hearing and post-hearing exceptions and briefs, Sec. Marshall reached his decision.

"This decision is another indication of our determination to operate the CETA program as effectively and as fairly as possible," Marshall said. "This program is too important to allow dollars to be wasted through ineffective management or other abuse."

Marshall added, "In making alternate arrangements, our first concern is to make sure that the people eligible for employment and training opportunities in East St. Louis are in no way penalized. We have no intention of letting individuals suffer because of a badly managed local program."

Mrs. Anice Jones succumbs

Mrs. Anice (Taylor) Jones, 80, of 1713 Mitchell Ave., died at 4:50 a.m. Tuesday at St. Elizabeth Hospital, where she had been a patient for two days.

She was born in Selvin, Ind., and had resided in Madison for many years prior to moving to Granite City three years ago. Mrs. Jones was a member of the First Baptist Church in Madison, and the Happy Bunch Club, YMCA Senior Citizens and

American Association of Retired Persons.

Her husband, James Herman Jones, died in 1973.

Survivors include one daughter, Mrs. Leonard (Marlene) Lyarger of Granite City; four grandchildren and six great-grandchildren.

Funeral services were held here today. Details are given in the obituary column.

NEWLY-ELECTED OFFICERS are installed. School Board Member Steve Salitch (left) congratulates the new officers of the Granite City Community Unit School Advisory Council for 1978-79. Chairman Donald D. Patrick of the Pontoon Beach Lions Club and Secretary Mrs. Patricia Gonwa of the American Federation of Teachers, at a meeting held at the school board office. Not in the photograph is Vice-Chairman C. A. Bud MacMillan of the Co-ordinated Youth Services.

Accepts car ride, molested

A 17-year-old Probes Avenue girl told police Monday night she had been raped by a young man in his late teens who had offered her an auto ride at Kirkpatrick Homes.

The victim said she left her home with a girlfriend about 6 p.m. Monday and they walked to Kirkpatrick Homes, hoping to find a ride to the girlfriend's father's home in Kirkwood, Mo. Two men in their late teens or early 20s offered them a ride in a powder blue Plymouth Volare. The young women accepted and were driven to Hazelwood, where the victim's girlfriend got some items from her father's home and they started back toward Granite City.

The young men drove the girls along Interstate 270 to Route Three and south of the West Chain of Rocks Road to Schaeffer Road, about one-fourth mile west of Route Three. The driver, called Eddie, stopped the car and demanded sexual favors from the victim. He forced his way with her while the other couple was in the back seat, the victim related. The young man then left the two at the victim's home and drove away.

The victim's girlfriend said the man named Ron in the back seat did not molest her.

The victim reported the incident to Granite City police and was referred to Madison County sheriff's deputies. She then underwent examination at St. Elizabeth Hospital and was released.

The driver, called Eddie, was described as about 5 feet, 9 inches tall, weighing about 180 pounds and having shoulder-length brown hair and a mustache.

The passenger, Ron, was 6-1 tall, weighed 200 pounds and had shoulder-length brown hair, a mustache and a beard.

Matthew 7:21 ... "Not everyone that says unto me, Lord, Lord, shall enter into the Kingdom of Heaven: but he that doeth the will of my Father which is in Heaven."

What a sobering thought! Not everyone is going to Heaven. These are the Words of Jesus Christ, the Son of God. I think He is the one person in the entire universe who would know if that is so. Personally, I would accept what Christ says above one thousand instructors who make statements to the contrary.

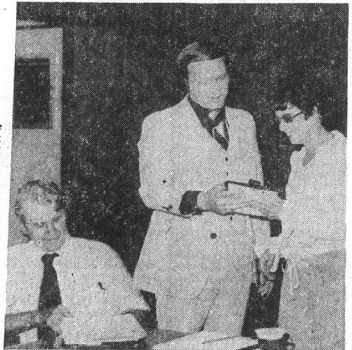

Multitudes call Christ Lord, Lord, when He really is not Lord of their life. They love the association with Christ, but still do not do the will of the Father.

This is the essential thing: Do the will of your Heavenly Father and guarantee your entrance into the Kingdom of Heaven.

Why not do it? Today.

Henry Clippen, Pastor

PAST CHAIRMAN PLAQUE is presented. Mrs. Julia Gates of the Area PTA Council (right) is presented a past chairman plaque by school board member Steve Salitch in behalf of Granite City Community Unit School District No. 9 for serving as chairman of the School District Citizens Advisory Council for the school year of 1977-78. The presentation took place at the group's first meeting of 1978-79. In the foreground is Edwin Reiske of the Tri-City Trades and Labor Council, a member of the CAC.

School citizens begin 5th year

Newly-elected officers of the Citizens Advisory Council to Granite City Community Unit School District No. 9 were installed at the organization's first meeting for the 1978-79 school year, held last week at the school board office.

New officers installed were: Chairman Donald D. Patrick of the Lions Club of Pontoon Beach, Vice-Chairman C. A. "Bud" MacMillan of Co-ordinated Youth Services and Secretary Patricia Gonwa of the American Federation of Teachers.

Patrick announced at the first meeting that the Citizens Advisory Council plans an active and productive year, with greater emphasis on membership expansion, special programs and public relations.

The council was formed in 1974 as the result of a state mandate that citizens be more involved in determining needs of the school district, in goal setting, and in the developing of a local district plan.

The first local district plan was developed and approved by the Board of Education in March 1975 in accordance with this state requirement.

"The plan has served as an effective tool in both community involvement and in long-range planning. Periodically, the Board of Education has also asked the Citizens Advisory Council to discuss, investigate and make recommendations on special problems," Patrick noted.

Recently, the Citizens Advisory Council revised the local district plan, in order to reflect current changes and to be responsive to present community needs, although the plan is no longer required by the state.

Members of the various

community organizations represented on the council discuss problems and seek information on questions about school district operations.

Members and organizations represented on the Citizens Advisory Council are: Barbara Haddock for the Area Council of PTA; Nancy Graf for the Granite City Education Association; Art Menendez for Elementary Principals.

Gilbert Walmsley for Secondary Principals, Stephen Salitch, liaison officer from the Board of Education, Mary Earney for the Granite City High School South Student Council, Chris Rojenski for the Granite City High North Student Council.

Jeanette Scannell for the Tri-Cities Area Chamber of Commerce, Pearl Kennerly for the Business and Professional Women, Edwin Reiske for the Trades and Labor Council, Ray Gisham of Granite City Breakfast Kiwanis.

Victor Anderson of Granite City Optimists, Pat Gonwa of the American Federation of Teachers, Donald Patrick of the Lions of Pontoon Beach.

William Bright of the Granite City Scholarship Foundation, the Rev. Dennis Rutledge of the Ministerial Alliance, Owen Humphrey, curriculum coordinator for School Administration, MacMillan for Co-ordinated Youth Services, Donald Shaffner for Granite City Rotary, and Martha Rochester, recorder.

A spokesman said, "If your organization seeks representation on the Citizens Advisory Council, or if you wish further information, contact Owen Humphrey, curriculum coordinator, at 876-6000 or Donald Patrick, chairman of the council, at 931-2700.

Bakalis, Thompson vary on small business issues

Illinois Republican incumbent Governor James Thompson and his Democratic opponent, State Comptroller Michael Bakalis, differ on the subject of providing lower minimum wages for teenage employees, while agreeing on other issues concerning small business, according to a report by the National Federation of Independent Business.

NFIB is a non-profit, non-partisan organization representing the interests of small and independent business in the U.S. With more than 54,000 members, it is the nation's largest small business organization, including 16,200 members in Illinois.

In a series of written responses to questions posed by NFIB, the two major gubernatorial candidates stated their positions.

Thompson believes that the state should continue allowing a lower minimum wage for teenagers because they "have great difficulty obtaining jobs and need a competitive edge."

Bakalis, on the other hand, emphasized utilizing on-the-job training programs and CETA funds. "However, I am concerned about providing lower minimum wage rates for teenage employees," he says. Both candidates favor the small business (four or fewer employees) exemption from minimum wage presently in effect.

The cost of unemployment and workers' compensation is called one of the greatest state government-related problems for small business, Thompson says he has already taken steps to "reduce costs by correcting abuses and delays in processing."

According to the governor, the changes saved the state over \$5 million in overpayments in 1977, an increase of over \$350,000 since 1976. He estimates that the expanded eligibility review program will save \$16 million annually. However, he maintains that the two programs still pose unresolved problems.

On the issue of unemployment compensation, Bakalis expressed the need to administer the program efficiently and to enforce eligibility standards more strictly. He also mentioned the need for job training programs.

He concludes, "Unemployment insurance is the right of working men and women who have an investment in the economy of this country. He makes the following

suggestions to reform the workers' compensation program: eliminate excessive attorney's fees that "increase the cost and difficulty to the injured worker"; increase the "availability of information on injuries, claims and awards"; and improve "safety standards" and "regulation of insurance rates."

Both candidates support "sunset" legislation, which would automatically terminate state agencies or laws after a specified time period unless continued by a specific act of the legislature.

Elimination of excessive paperwork generated from government regulation seemed to be high priority for both Thompson and Bakalis.

Thompson's Employment and Economic Development Subcommittee is presently developing a "one-stop" business permit plan to help eliminate duplication of necessary information.

Bakalis believes the state should begin by reviewing government regulations, simplifying forms, and

eliminating unnecessary reporting and record keeping. Both emphasized the role of the Department of Business and Economic Development in assisting Illinois small business. Bakalis believes the Department needs restructuring to reduce emphasis on big industry. According to Thompson, the department is planning several changes. It proposes to institute a "hot line" for businesses to call, if in need of help from any agency. The department also intends to work with businesses having difficulties staying alive or expanding in Illinois.

BEATING ALLEGED Royce A. McWilliams, 40, of 2424 Delmar Ave., was charged with aggravated battery in a complaint signed by his wife, Mrs. Sharon McWilliams, following a disturbance in their home at 6:15 p.m. Monday. She alleged he struck her, knocked her to the floor, kicked her face and pulled her hair.

"PLAIN TALK" FROM YOUR "TRI-CITY" GROCER!

The high cost of living, especially as it applies to food prices, has always been a major concern of us all at Tri-City (Since 1914). That is why we are continually striving to offer the finest quality in merchandise (not un-heard-of brands) at the lowest possible prices. Not just on a limited amount canned foods and dry groceries, but on meat, bread, canned foods, fresh fruits and vegetables, frozen foods and dairy products... those items you buy for your family day-in and day-out.

We will continue to do our best to give you the lowest possible prices on food. This is what we have always done and we will continue.

"DO-IT-YOURSELF" SHOW BOASTS OVER 350 INTERESTING EXHIBITS!

ST. LOUISANS WILL ONCE MORE BE ABLE TO RECEIVE A TOP FLIGHT EDUCATION ON HOW TO DO JUST ABOUT EVERYTHING AT THE FOURTH ANNUAL CENTRAL HARDWARE LEARN TO TINKER "DO-IT-YOURSELF SHOW." IT WILL BE HELD AT THE NEW ST. LOUIS CONVENTION CENTER FRIDAY, OCTOBER 13 THROUGH SUNDAY, OCTOBER 15.

THIS YEAR'S PROGRAM FEATURES MORE THAN 350 OF THE HARDWARE INDUSTRY'S TOP SUPPLIERS, MANUFACTURERS AND SALES REPRESENTATIVES. THEY WILL BE ON HAND TO EXPLAIN TO PATRONS OF THE SHOW HOW TO PROPERLY USE THEIR PRODUCTS. CENTRAL HARDWARE'S SLOGAN, "EVERYTHING FROM SCOOP TO NUTS" IS CERTAINLY APPROPRIATE FOR WHAT MAY BE FOUND AT THE "DO-IT-YOURSELF SHOW," AS THE CATEGORIES RANGE FROM PLUMBING AND FURNITURE ANTIQUING TO INDOOR GARDENING AND HOW TO LAY FLOOR AND INSTALL PANELING.

MAINLY BECAUSE OF PAST YEARS PUBLIC ACCEPTANCE AND THE NATIONAL ATTENTION THE SHOWS HAVE RECEIVED, THIS YEAR'S PRODUCTION IS ONCE MORE PACKED WITH FACTORY REPRESENTATIVES FROM MOST OF THE HARDWARE INDUSTRY'S TOP NAMES, INCLUDING AMF, ROCKWELL INTERNATIONAL, BLACK & DECKER, SKIL, WESTINGHOUSE, WHIRLPOOL, JUST TO MENTION A FEW.

AS "HARDWARE RETAILING" A NATIONAL INDUSTRY PRODUCTION, SAID, "ONE OF THE STRENGTHS OF THE SHOWS IS THE EXCITEMENT CREATED THROUGH SOUND AND MOTION. A CHAIN SAW MANUFACTURER FIRES UP AND AMIDST A DEAFENING ROAR, SCULPTS A TOTEM POLE FROM A ROUGH LOG ... FACTORY REPRESENTATIVES ERECT A WALL OF DECORATOR BIRCH ON THE SPOT."

THE EXHIBIT ENCOMPASSES MORE THAN 70,000 SQUARE FEET OF DECORATED SPACE AND WILL BE OPEN FREE TO THE PUBLIC FROM 10 AM TO 10 PM FRIDAY, 10 AM TO 10 PM SATURDAY, AND 10 AM TO 4 PM SUNDAY.

FOURTH ANNUAL SHOW NOW BIGGER AND BETTER THAN EVER!

THOUSANDS FLOCKED TO THE EXHIBITS LAST YEAR AND THIS YEAR'S SHOW PROMISES TO BE BIGGER AND BETTER WITH MORE COMPANIES EXHIBITING.

MR. TINKER WILL SPEAK TO GROUPS

CENTRAL HARDWARE'S MR. TINKER WITH HIS WEALTH OF HOW-TO-DO-IT EXPERTISE AND TIPS IS AVAILABLE TO GROUPS IN THE ST. LOUIS AREA AS A SPEAKER, FREE OF CHARGE FOR PERSONAL APPEARANCES. MR. TINKER REQUESTS GROUPS OF 25 OR MORE PERSONS. YOUR HOW-TO-DO-IT QUESTIONS WILL BE ANSWERED BY MR. TINKER, AS HE HAS DONE DURING THE LAST THREE YEARS ON NUMEROUS PANEL AND AT-YOUR-SERVICE TYPE OF APPEARANCES. IF YOU HAVE A QUESTION, ADDRESS IT TO MR. TINKER ON A "CUSTOMER WANT" CARD AT ANY CENTRAL HARDWARE STORE, OR BY WRITING DIRECTLY TO: MR. TINKER, CENTRAL HARDWARE, 111 BOULDER INDUSTRIAL DRIVE, BRIDGETON, MISSOURI, 63044.

A POPULAR EXHIBIT RETURNS!

ONE OF THE MOST OUTSTANDING AND POPULAR FEATURES OF LAST YEAR'S SHOW WILL BE REPEATED THIS YEAR - CENTRAL HARDWARE'S DO-IT-YOURSELF LIBRARY. IT IS AN ON-THE-SPOT REFERENCE CENTER WHERE PATRONS OF THE SHOW CAN OBTAIN

INSTANT INFORMATION AND SOLUTIONS TO THEIR PROBLEMS. IN ADDITION, AN ABUNDANCE OF FREE DO-IT-YOURSELF PAMPHLETS WILL BE AVAILABLE FOR PATRONS OF THE SHOW TO TAKE HOME.

SHOW'S PLUMBING CLINICS CAN HELP REDUCE COSTS AND SAVE YOU ENERGY

SPECIAL PLUMBING PROBLEM CLINICS WITH TOILET, FAUCET, AND SHOWER REPAIR DEMONSTRATIONS WILL BE GOING ON THROUGHOUT CENTRAL HARDWARE'S DO-IT-YOURSELF SHOW. BY AVAILING THEMSELVES OF THESE DEMONSTRATIONS, SHOW PATRONS CAN LEARN TO REPAIR THEIR FAUCETS AND TOILETS, AND INSTALL THE LATEST IN UP-TO-DATE SHOWERS, ELIMINATING COSTLY BILLS. IF YOU CAN REPLACE A LIGHT BULB, YOU CAN REPLACE A TOILET TANK BALL! CUSTOMERS CAN SEE JUST HOW EASILY THEY CAN MAKE THOSE EVERYDAY PLUMBING REPAIRS THEMSELVES AND START SAVING NOW.

CENTRAL HARDWARE STORE HOURS

ALL CENTRAL HARDWARE STORES IN THE ST. LOUIS AREA OPEN AT 8:30 A.M. AND CLOSE AT 9:30 P.M. ALL ILLINOIS STORES ARE OPEN 9 A.M. TO 9:30 P.M. MONDAY THROUGH SATURDAY AND 11 A.M. TO 6 P.M. ON SUNDAY.
